ENCLOSURES.

AGREEMENT made the 12th day of September One Thousand Nine Hundred and Seven between WILLIAM SNELLING HADAWAY of the White Cottage, Grange Road, Bushey, Hertfordshire, of the first part and The SECRETARY OF STATE FOR INDIA IN COUNCIL of the second part.

WHEREAS the Secretary of State for India in Council has engaged the party of the first part to serve His Majesty in India as a member of the Indian Educational Service and Superintendent of the Madras School of Arts for the term of two YEARS from the date of his reporting his arrival at Madras as hereinafter mentioned and subject to the conditions and agreements hereinafter contained.

NOW THESE PRESENTS WITNESS and the said parties hereto respectively agree as follows :—

1. That the party of the first part will, on being provided with a first-class passage to Madras proceed thither within such time as may be prescribed by the Secretary of State for India in Council.

2. That the party of the first part will on arrival at Madras forthwith report himself to the officers of Government there and will submit himself to the orders of the Government and of the officers and authorities under whom he may from time to time be placed by the Government and that he will at all times obey the rules prescribed for the time being for the regulation of the branch of the public service to which he may belong and will when required by the Local Government proceed to any other part of the province within which he may be serving and there perform the duties of any specified office in the cadre of the Indian Educational Service of the province. If he shall be retained in the service after the expiration of the said term of two years he will when required by the Government proceed to any other province in India and there perform the duties of any specified office in the cadre of the Indian Educational Service of that province.

3. That the party of the first part will devote his whole time to the duties of the service and will not engage directly or indirectly in any trade, business or occupation on his own account and that he will not (except in case of accident or sickness certified by competent medical authority) absent himself from his said duties without having first obtained permission from the Government or its authorised officers.

4. That if the party of the first part shall during the said term of two years or if the service shall continue beyond such term during the next succeeding three years, relinquish the service of the Government (whether after having given notice or otherwise) he shall forthwith on demand pay to the Secretary of State for India in Council the cost of his passage to Madras.

5. That from the date of the party of the first part reporting his arrival at Madras the Government will pay him so long as he shall remain in the said service and actually perform his duties a salary at the rate of rupees seven hundred and fifty per mensem for the first year and rupees seven hundred and seventy-five per mensem for the second year. And if he shall remain in the service beyond that period then rupees eight hundred per mensem for the third year rising by annual increments of rupees twenty-five per mensem to rupees one thousand per mensem.

6. That the Government may at any time during the said term of two years or if the service shall continue beyond such term at any time thereafter dispense with the service of the party of the first part without notice in the event of misconduct on his part or of a breach by him of any of the conditions herein specified.

7. That on the determination of the service at the expiration of the said term of two years but not upon any subsequent determination or if prior to the expiration of the said term of two years the party of the first part shall be compelled by ill-health (certified to the satisfaction of the Government) to give up the service the Government will provide him with a first-class passage back to England at the public expense provided he claims such passage within three months from any such determination of the service as is mentioned in this clause, and leaves India on his return to England within such time as he may be directed.

8. That the party of the first part shall within the said term of two years pass such examination as may be prescribed by the Government in one of the vernacular languages and if he shall fail to do so the Government may notwithstanding anything contained in the next clause dispense with his services.

9. That unless he the party of the first part shall receive notice in writing from some authorised officer of the Government three calendar months before the expiration of the said term of two years that Government no longer require his services or unless he shall give notice in writing to the Government three calendar months before the expiration of the said term of two years that he is desirous to put an end to his service under these presents he will continue in the service of Government upon the like terms and conditions as are herein contained so far as the same are applicable except that he shall not be entitled to receive or required to give notice of termination of his service under Government otherwise than as provided in the Civil Service Regulations for the time being in force or any other rules to which he may be made subject.

10. That if the party of the first part shall continue to serve Government under these presents after the said term of two years his service (commencing from the date of his entering on the performance of his duties as aforesaid) shall count as service towards leave and pension under such rules as regards leave and pension as may for the time being be applicable to his case. PROVIDED ALWAYS that in case of any dispute as to the interpretation of any of the said rules or otherwise relating in any way to them, the decision of the Secretary of State for India in Council shall be conclusive.

11. That in any payments which may be made in Great Britain under these presents the rate of exchange between England and India fixed from time to time by the Secretary of State for India in Council in communication with the Lords Commissioners of the Treasury shall be observed.

12. That the proceedings, letters, and reports of the Governor-General of India in Council, or of any of the Local Governments and of all others the Officers and Agents of Government or any copies thereof or extracts therefrom which shall be sent officially to the Secretary of State for India in Council or to any officers or servants in the Indian Service of His Majesty in England or elsewhere in any way relating to the sums of money to be paid or allowed to the party of the first part or to his conduct or in any way relating to the premises shall be received as conclusive evidence of any matter therein contained in any action or in any legal proceedings by or between the parties to these presents or in any way relating thereto.

BOARD OF EDUCATION,
WHITEHALL, LONDON, S.W., 29th July 1907.

SIR,

Referring to the letter, dated 21st June last, from Sir Charles J. Lyall to Dr. H. Frank Heath, the Board of Education's Director of Special Inquiries and Reports, in which he informed the Board of the withdrawal of Mr. Edward Spencer from the post of Superintendent of the School of Arts at Madras for which he had been selected upon the Board's recommendation, I am directed to forward particulars of another candidate for the appointment whom the Board have interviewed and desire to recommend.

Mr. William Snelling Hadaway is an artist and craftsman of some repute who has executed some excellent work, more particularly in metal and enamel. He is, moreover, fully acquainted with the problems of weaving and has made designs for fabrics of various kinds. He has very sound ideas about the right way of attacking the difficult questions connected with the School of Arts at Madras, and he has satisfied the Board's Chief Inspector for Art, Mr. S. J. Cartlidge, that he would approach the problems in a broad-minded, sensible and practical manner. The Selecting Committee did not think him so remarkable a personality as Mr. Spencer, but they believe that he would throw his whole energy into the work if he were appointed, and they were very favourably impressed by his straightforward bearing and by the ability he had clearly shown in interesting a class of boys to whom he had taught metal work in Bushey, the village where he lives. Mr. Hadaway is married and has three children, but he does not propose to take his wife and family with him if he is appointed, at any rate, in the first instance.

Mr. Hadaway's form of application, together with copies of his testimonials, are enclosed.

I am, etc.,
ROBERT L. MORANT,
Secretary.

SIR,

Hearing that Mr. W. S. Hadaway is applying for an appointment as master of a craft school in India, I wish to say that he is in my opinion an artist of ability and experience and an accomplished craftsman. I have known Mr. Hadaway for some years as an enthusiastic metal-worker and enameller, so that I consider that he has excellent qualifications for such a post as that which he is seeking.

advocate for maintaining the national character of the art of a country and keeping it to itself by practising the traditional design and old methods of execution; believing in the gathering, strength and power which is acquired by unbroken accession of systematic methods.

Mr. Hadaway is gifted as a teacher, having a special aptitude for imparting the knowledge he possesses. Whilst quietly guiding and not attempting to suppress the personality of the pupil he is firm and convincing. Moreover he is extremely able as an organiser.

Agreement

made the Twelfth day of September One thousand nine hundred

and seven Between William Trelling Hadaway of The White Cottage, Grange Road, Bushey, Hertfordshire, of the first part and The Secretary of State for India in Council of the second part. Whereas the Secretary of State for India in Council has engaged the party of the first part to serve His Majesty in India as a Member of the Indian Educational Service and Superintendent of the Madras School of Arts for the term of two years from the date of his reporting his arrival at Madras as hereinafter mentioned and subject to the conditions and agreements hereinafter contained.

Now these Presents witness and the said parties hereto respectively agree as follows:-

1. That the party of the first part will, on being provided with a first class passage to Madras, proceed thither within such time as may be prescribed by the Secretary of State for India in Council.
2. That the party of the first part will on arrival at Madras forthwith report himself to the Officers of Government there, and will submit himself to the orders of the Government and of the Officers and authorities under whom he may from time to time be placed by the Government, and that he will at all times obey the rules prescribed for the time being for the regulation of the branch of the public service to which he may belong, and will, when required by the Local Government, proceed to any other part of the province within which he may be serving and there perform the duties of any specified office in the cadre of the Indian Educational Service of the province. If he shall be returned in the service after the expiration of the said term of two years, he will, when required by the Government proceed to any other province in India and there perform the duties of any specified office in the cadre of the Indian Educational Service of that province.
3. That the party of the first part will devote his whole time to the duties of the service and will not engage, directly or indirectly, in any trade, business or occupation on his own account, and that he will not (except in case of accident or sickness certified by competent medical authority) absent himself from his said duties without having first obtained permission from the Government or its authorised Officers.
4. That if the party of the first part shall during the said term of two years, or if the service shall continue beyond such term, during the next succeeding three years, relinquish the service of the Government (whether after having given notice or otherwise) he shall forthwith on demand pay to the Secretary of State for India in Council the cost of his passage to Madras.
5. That from the date of the party of the first part reporting his arrival at Madras the Government will pay him, so long as he shall remain in the said service and actually perform his duties, a salary at the rate of Rupees Seven hundred and fifty per mensem for the first year and Rupees Seven hundred and

seventy five per mensem for the second year and if he shall remain in the service beyond that period then Rupees Eight hundred per mensem for the third year rising by annual increments of Rupees Twenty five per mensem to Rupees One thousand per mensem.

6. That the Government may at any time during the said term of two years, or if the service shall continue beyond such term, at any time thereafter, dispense with the services of the party of the first part without notice in the event of misconduct on his part or of a breach by him of any of the conditions herein specified.

7. That on the determination of the service at the expiration of the said term of two years, but not upon any subsequent determination, or if prior to the expiration of the said term of two years the party of the first part shall be compelled by ill-health (certified to the satisfaction of the Government) to give up the service, the Government will provide him with a first-class passage back to England at the public expense, provided he claims such passage within three months from any such determination of the service as is mentioned in this clause, and leaves India on his return to England within such time as he may be directed.

8. That the party of the first part shall within the said term of two years pass such examination as may be prescribed by the Government in one of the vernacular languages, and if he shall fail to do so the Government may, notwithstanding anything contained in the next clause dispense with his services.

9. That unless he, the party of the first part, shall receive notice in writing from some authorised Officer of the Government three calendar months before the expiration of the said term of two years that Government no longer require his services, or unless he shall give notice in writing to the Government three calendar months before the expiration of the said term of two years that he is desirous to put an end to his service under these presents, he will continue in the service of Government upon the like terms and conditions as are herein contained, so far as the same are applicable, except that he shall not be entitled to receive or required to give notice of termination of his service under Government otherwise than as provided in the Civil Service Regulations for the time being in force or any other rules to which he may be made subject.

10. That if the party of the first part shall continue to serve Government under these presents after the said term of two years, his service (commencing from the date of his entering on the performance of his duties as aforesaid) shall count as service towards leave and pension under such rules as regards leave and pension as may for the time being be applicable to his case. Provided always, that in case of any dispute as to the interpretation of any of the said rules, or otherwise relating in any way to them, the decision of the Secretary of State for India in Council shall be conclusive.
