I have the honour to request that you will be so good as to obtain the sanction of Government to the entertainment from 1st October 1907 of a clerk on Rs 20 per mensem in the Medical School at Tanjore and to the payment to the clerk attached to the hospital at Tanjore of an honorarium of Rs 135.

2 The proposals relating to the provincialization of the Medical School at Tanjore contained no provision for a clerk for the institution and the clerical duties, which, at the outset were not heavy, were discharged by the hospital clerk- a Local Fund servant. This arrangement the Superintendent of the school states, cannot be continued, as the hospital clerk in addition to his legitimate duties is unable to cope with the increasing clerical work of the school which includes the issue &c of library books to the students and instructors and he requests that a permanent whole time clerk may be sanctioned for

2 4

the school at once and that the hospital clerk may be remunerated for the extra work he has hitherto done for the school at the rate of Rs. 5 per mensem from 1st July 1905 - the date of the provincialization of the school - to 30th September 1907 - the date on which it is proposed to relieve him of his work in the school. I consider that for obvious reasons a clerk on Rs. 20 per mensem who will also do the duties of the librarian quite necessary and I request that Government may be pleased to sanction the appointment. I may add that there are two clerks for the Medical School, Rayapuram, one on Rs. 25-1-35 and the other on Rs. 15-1-20, while there is one for the Medical School, Vizagapatam on Rs. 15 per mensem. As for the remuneration, I consider the Superintendent's action in having allowed the hospital clerk to work in the Medical School on the promise of a monthly remuneration of Rs. 5 without my approval, irregular, but considering that his action has resulted in a saving to Government during these two years and more and that the former Superintendent, who, it is said, was trying to raise the question of a permanent clerk, died suddenly before carrying out his proposal I recommend that the allowance suggested may be sanctioned.

3 The necessary reappropriation statement for the expenditure to be incurred this year is submitted and provision for the clerk for 1908-1909 will be made in the budget estimates for that year now under preparation.

4 The usual proposition statement is also submitted herewith.

I have the honour to be,

S i r ,

Your most obedient servant,

O. K. S. S. S.

NOTES.

C.No. 2405 From the D.P.I. No. 7423, dated 14-9-1907.

SUBJECT.

Employment of a clerk in the
Tanjore Medical School

Page 1 of C.F.

The D.P.I. requests sanction to the employment of a clerk on Rs 20 p.m. in the Tanjore Medical School with effect from the 1st October 1907. He states that hitherto the clerical duties of the School were discharged by the hospital clerk, a Local Fund Servant — probably the clerk attached to the Raja Mirasidar Hospital, but that the arrangement cannot be continued as the work of the School has increased so that the hospital clerk can not cope with both the duties.

2. It is observed that there are two clerks in the Rayapuram Medical School, one on Rs 25-1-35 and the other on Rs 15-1-20 and that in the Vizagapatnam Medical School, there is one clerk on Rs 15.

3. The D.P.I. also requests sanction to the payment of a remuneration of Rs 135 to the hospital clerk who discharged the clerical duties hitherto at the rate of Rs 5 p.m. from the 1st July 1905 to the 30th Sept. 1907. It is said that the former Supdt of the School (Lt Col. Hakim) promised the clerk a remuneration of Rs 5 a month and was trying to raise the question of a permanent clerk, but died suddenly before he
