C.No. 2266. From the Commission for Govt Exam. No. 520, dated 12-9-1907.

SUBJECT. Honoraria to the examiners who conducted the Govt. Technical examinations.

X.

The fee receipts from the Candidates for the Govt. Technical Examination held in April 1907 amounted approximately to Rs 12,500. The stipends proposed to be paid to the examiners, after making a reduction of 25 per cent as required in Govt. L.S. No. 481 of 16th July 1906, amounts to Rs 13,353.84 Rs 853 more than the receipts.

2. Under Article 72 (b) of the C. S. R the sanction of the Govt. of India is necessary to the honoraria to be paid to messrs R. A. Ryves (Rs 837) and H. B. Peiris (Rs 991) and that of the Secretary of State in the case of messrs W. H. James (Rs 1,756) and S. Vaidyanatha Aiyar (Rs 1,116). In the other cases the Local Govt. can sanction the payment of the honoraria.

3. A draft order and a draft letter to the Govt. of India are placed below for approval.

I circulate this because the charges still exceed the receipts from fees. The difference however is not very great and the net expenditure is in the interests of technical education.

The total amount of honoraria
which it is proposed to pay is
Rs 13353 or Rs 853 more than
the fee receipts (Rs 12500). In order
to reduce the total amount by
Rs 853, each individual item
will have to be reduced by $\frac{853}{13353}$
or 6.4 percent. The honoraria
as thus reduced are given in the
annexure to the draft order.

2. Article 72 (d) ^{of the Act} says that
"if fees are levied from the
Candidates appearing at an
examination and the amount
of such fees is sufficient to cover
the honoraria of the examiners
the reference required by clause 4
to the Govt. of India or the Secy
of

of State in certain cases shall
"not be necessary".

In the present case, the
honoraria as reduced in the
manner indicated in paragraph
1 Supra is covered by the fee
receipts & the reference to the Govt
of India originally proposed
is unnecessary.

3. A revised draft order
is submitted below for approval

It is submitted that many of the
examiners are not Govt. servants,
and it seems doubtful whether the
fees which were offered to them, and
subject to what they undertook
the work can now be cut down.

In the case of Govt. servants
the Govt. can decline to sanction
payment of the fees - but in the
case of persons outside the
Govt. service ^{submit that} ~~would be~~ a reduction
^{would} in the amount of fees amount to a
break of contract and be
questionable

The Government consider that the ~~total~~ amount of honoraria paid to the examiners should not exceed the income realized from fees, and that a further reduction should be made in the amounts of stipends proposed in the Commissioner's letter No.520/4-D, dated 12th September 1907, so that the income realized from fees may cover the total amount of stipends. The honoraria as thus revised are given in the annexure to these proceedings and sanction is now accorded to the payment to the several examiners of the amounts specified against their names.
