Petition presented by Lutfur Rahman to His Excellency the  
Right Hon'ble Governor in Council through the Paymaster, Carnatic  
Stipends, Chepauk.

Dated 30th September 1907.

Enclosures 12.

S U B J E C T.

Respectfully submitting the detailed facts of his previous service in the Salt Department for the favourable consideration of the Government stating therein the disappointments of his trials in several appointments for the last 3½ years and the cause of the obstacles stood in his way at the time of being selected as a Police Sub-Inspector and on which account praying for the unbounded generosity of His Excellency the Governor in Council in his most pitiful case with a view to exempt him for Police Department on obtaining satisfaction from the Inspector-General of Police in connection with his physical qualifications, abilities, linguistic acquisitions &c. for a Police Sub-Inspector's post, after overlooking the unfavourable remarks of the Salt Department if any against the petitioner.

To

His Excellency the Right Hon'ble

Sir Arthur Lawly, K.C.M.G., G.C.I.E.,

Governor in Council.

Through

The Paymaster,

Carnatic Stipends,

CHEPAUK.

The humble petition of Lutfur  
Rahman, son of Khader-un-nissa Bagum  
Sahiba, grand-daughter of His late  
Highness Nawab Azeem-ud-Dowlah Bhdr.,  
first Nawab of Carnatic.

13 SEP 01

Most respectfully sheweth,

That Your Excellency's petitioner humbly begs  
to approach Your Excellency in Council with the following prayer at  
a time when he is in the most straitened circumstances and requests  
most respectfully that his case for the last time be favourably con-  
sidered for the reasons asserted below:-

1. That the petitioner having lost his father Muhammad Husain  
Sahib Khorishi, late Personal Assistant to the Accountant-General in  
the Nizam's Government, was under the protection of his mother Khader  
un-nissa Bagum Sahiba (a widow). The petitioner's mother in view to  
bring the petitioner up commuted her Carnatic Stipends to Government  
and thus she was much entrusted to give education to the petitioner  
in the recognised institution at Madras; where he studied upto the  
Matriculation standard, and was compelled to discontinue his studies  
as his mother was unable to render him help for his advanced studies.

The

The petitioner though holds no Diploma of the University is in no way inferior to any one of those who have won laurels in the University Examinations, being thoroughly able to successfully compete with them in the field of General Knowledge and linguistic acquisitions. Besides being a scholar of Persian and Urdu, the humble petitioner knows Tamil and Telugu to ~~know~~ small degree. And it was for these reasons that when the Paymaster, Carnatic Stipends who was fully acquainted with the humble petitioner's ability and acquirements recommended him to Government for exemption in his letter, No.483, dated 22nd November 1899, the Government was pleased to exempt the petitioner from passing the Upper Secondary Examination when he was about to enter the Salt Department (Vide G. O. No.803, dated 2nd December 1899, marked Exhibit 1).

2. That the petitioner from the year 1902 to the year 1905 tried twice in the Salt Department, both as Sub-Inspector in the Out-doors and a clerk in the Board of Revenue, Separate Revenue, but unhappily his services were dispensed with on two occasions on the slight charge of absenting himself without leave which seem to have so prejudiced the present Secretary of the Salt Department that neither does he re-entertain the petitioner in his department nor allows him to secure him a post in any other ; while many a Sub-Inspector who was dismissed on graver charges has now again been re-entertained to his former post in the Salt Department.

3. The humble petitioner while serving in the Hospet Range fell ill with malaria and obtaining casual leave went to Madras with a view to recruit his health, where he had to over-stay his leave, owing to the aggravation of his illness, all the while counting on a medical certificate which he hoped to produce on the eve of his taking charge when of a sudden and without any reason (as it seemed to the humble petitioner) his services were dispensed with for the

fault

fault of absenting himself without leave. This was done by Mr. H.A.B. Vernon on the representation of the then Assistant Commissioner of Bellary (Mr. C. E. Rhenius) who without any enquiry reported unfavourably about him. Nor had ~~He~~ done anything else to merit this treatment, for upto that period it was only his hard work and honesty that supported him and induced Mr. H. G. Stokes, I.C.S., former Dy. Commissioner to promote him before his discharge from Rs.25/- to Rs.30/- in the short space of five months.

4. That after sometime R. A. Graham Esq., I.C.S. came as a Secretary to the Salt Abkari and Separate Revenue Department. The petitioner hearing the renowned of that officer as an impartial and just went and saw him personally and on representing the full facts of his case, the generous officer immediately referred to the previous papers and as a peace of justice cancelled the previous orders of Mr. H.A.B. Vernon, I.C.S. and gave the petitioner an acting appointment of a copyist in his office. Subsequently after two months the same officer communicated the petitioner to the Deputy Commissioner Norther Division, recommending that the petitioner's work was satisfactory. The Deputy Commissioner, Norther division favoured the petitioner with a Sub-Inspector's place on Rs.30/-Ganjam district. The petitioner went to that place and was discharging his duties well, but unfortunately malarial fever attacked and confined to his bed senseless, then the circle Inspector Mr. G. W. Greaterix on seeing the petitioner's critical condition sent to Berhampore Hospital with a requisition letter. The District Medical and Sanitary Officer kept the petitioner under treatment for ten days and recommended for two months sick leave which was granted. The petitioner returned to Madras in a very sickly state, which confined the petitioner to bed to an unexpected period and on which account he requested

the

the Deputy Commissioner to extend his leave on loss of pay and to transfer him from Ganjam. In reply the enclosed order marked exhibit "2" received by the petitioner. In due obedience to the said order though the petitioner on 25th September 1905 tendered his resignation marked exhibit "3" but not with its declaration as the petitioner's intention was to do duty and earn a good name and with the same idea the petitioner in his sickly state presented another petition to the Deputy Commissioner requesting the officer to give at least a month's time to re-join duties which met the approval of that officer. In the meanwhile the enclosed memorandum marked "Exhibit 4" received by the petitioner and after some time he heard that his services were dispensed with during the time of the same Assistant Commissioner Mr. C. Rhenius who was then transferred from Bellary to Chicacole. As the officer of justice R. A. Graham, I.C.S. was transferred from the Board's Office vice H.A.B. Vernon, Esq., I.C.S., succeeded him, the petitioner was therefore entirely felt hopeless of his being re-entertained in the Salt Department and thus hopelessly he was petitioning to Mr. H.A.B. Vernon, I.C.S., but the result being with no effect entirely given up petitioning. The petitioner has no other unfavourable remarks regarding his capabilities and conduct &c.

5. That the petitioner in despair applied to the Agent General of the British Protectorates in Africa requesting him to confer upon him <sup>a</sup> superior appointment and unfortunately the enclosed reply marked "Exhibit 5" was received by the petitioner. The petitioner having been disappointed in the above attempt applied to the Inspector General of Registration for a clerk's place, to whom the petitioner on the strength of tendering his resignation in the Salt Department said that he has resigned the appointment whereas contrary to the petitioner's expectations, orders were passed dispensing with his

services;

services; or else <sup>he</sup> was sure to get a clerk's place. The Proceedings of the Inspector-General of Registration marked "Exhibit 6" herein enclosed.

6. That the petitioner recently applied to the Collector of North Arcot to confer upon him a clerk's place and the enclosed reply marked "Exhibit 7" was received by him, his exemption being restricted to the Salt Department. Similarly the Collector of Cuddapah communicated the petitioner a reply to the same effect enclosed herein marked "Exhibit 8". The Private Secretary's reply also marked "Exhibit 9" is herein enclosed with reference to the petitioner's application to that officer requesting to confer upon the petitioner at least a clerk's place.

7. That the petitioner since he left the Salt Department and has been trying for appointments when he recently ~~he~~ was about to be selected as a Police Sub-Inspector, had not the Secretary of the Salt Department stood in his way and correspondence between the Assistant Inspector-General of Police and the petitioner is as follows:-

The petitioner while ~~had been~~ to Cuddapah district for a trial of a clerk's place in Collectorate also applied to the Inspector General of Police requesting the officer to select the petitioner as a Police Sub-Inspector for the current sessions. The officer was kind enough to communicate the petitioner the enclosed memorandum marked "Exhibit 10". In due obedience to the said memo, the petitioner on 7th September 1907 personally appeared before Mr. F. Armitage with a D. O. of Col. R.F.R. Formby. The officer took an interval of half an hour to examine the petitioner's physical qualifications and abilities and the petitioner also entirely satisfied the officer in the respects he wanted to test the petitioner in.

The

The Assistant Inspector-General was very much pleased with the petitioner and told him that he would refer the petitioner's conduct capabilities to the Secretary of the Salt Department, and thus communicated the petitioner another memo enclosed herein marked "Exhibit 11". In due obedience to it the petitioner immediately furnished the officer with the correct information and was thus entirely hoping for his being selected as Police Sub-Inspector in this session.

8. That with great regret the petitioner begs to inform Your Excellency in Council that if the Secretary of Salt Department had not written against the petitioner it was quite sure that the petitioner would have without any objection been selected as a Sub-Inspector. And after all Your Excellency may kindly see that the fault which has so much incurred the displeasure of the <sup>Secretary</sup> Salt Deptt. is not a serious one, a fault which the petitioner hopes Your Excellency in Your unbounded generosity will throughly forgive. An unexpected reply from the Inspector-General of Police marked "Exhibit 12" was now received by the petitioner and for which the petitioner sees no other doors to go and pray for mercy except craving at Your Excellency's exalted doors and worshipped hands for justice and mercy.

9. That the petitioner is connected with the Carnatic Family in the direct line being the great-grand-son of His late Highness first Nawab of Carnatic and grand-son-in-law of His late Highness Sir Zharud-Dowlah Bahadur, G.C.S.I., second Prince of Arcot.

10. That in the infancy of the petitioner a death blow was dealt to his large family by the death of his father, which alienated his family from his well-to-do relatives; or else the petitioner would have tried to pass his B.A. Degree Examination if he had a helping

hand

hand towards the expenditure of his education, but unfortunately the petitioner's mother ( a widow ) was unable to accomplish his desire.

11. That the petitioner begs to submit that he is a respectable youth below 25 years, well-built in person and able to stand any exertion with the experience of both Executive and clerical work. It is heart rending misfortune to see such a respectable youth being involved into the clutches of narrow circumstances for the past 3½ years without a Government appointment.

12. That the supreme and local Governments and Administrations have often expressed their wishes that concessions should be given to Muhammadans in general and to the descendants of the former rulers in particular, and as such the petitioner being connected with the Carnatic family in the direct line deserves Your Excellency's favourable consideration and therefore under the above circumstances Your Excellency's humble petitioner throws himself upon the clemency of the Crown and prays that Your Excellency in Council after perusing the whole petition will be graciously pleased to exempt the petitioner for the Police Department by obtaining Your Excellency's satisfaction on a kind reference to the Inspector-General of Police on the subject. The Inspector-General of Police would have recommended the petitioner to Government for an exemption if the Secretary of the Salt Department had not been an obstacle in the petitioner's way. The petitioner therefore assures Your Excellency in Council that if the Government may be pleased to exempt the petitioner for the Police Department that the Inspector-General of Police will have no objection to select the petitioner as a Police Sub-Inspector for the next session as the petitioner is in every way fit for the Police Department.

For which act of kindness and mercy the petitioner and the whole

whole family will always pray for Your Excellency's long life,  
health, wealth and prosperity.

Soliciting favourable orders,

The humble petitioner.
