G.O., No. 719, Educational, dated 21st November 1902.

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—the 8th October 1907.

No.—R.C. 5883.

In G.O., No. 719, Educational, dated 21st November 1902, sanction was accorded to the reorganization of the staff of the Madrasa-i-Azam, subject to the condition that the revised scales of salaries should be introduced only as vacancies occurred. Under that scheme, the pay of the post of fifth assistant which was Rs. 30—35 was raised to Rs. 50—60, but in view of the condition imposed by the Government Order, the incumbent of the post, Abd-us-samad Sahib, was not allowed to draw the increased rate of pay. He is an untrained Matriculate who has put in nearly 21 years' service, for about 16 years of which he has been holding this post, and his work has always been considered very satisfactory. Of all the teachers who were on the staff at the time on the reorganization, he is now the only one who remains there on the old footing and he has so remained because his work has been uniformly satisfactory. I have the honour to recommend that, as a special case, he be allowed to draw the revised rate of pay with effect from the 1st instant.

Order—No. 735, Educational, dated 2nd November 1907.

Abd-us-samad Sahib, Fifth Assistant, Madrasa-i-Azam, will, as a very special case, be permitted to draw pay from the 1st October 1907 at the increased rate sanctioned in G.O., No. 719, Educational, dated 21st November 1902, viz., Rupees 50—2—60.

NOTES CONNECTED WITH G.O., No. 735, EDUCATIONAL,
DATED 2ND NOVEMBER 1907.

[SUBJECT.—Grant of increased rate of pay to Abd-us Samad Sahib, Fifth Assistant, Madrasa-i-Azam.]

From the Director of Public Instruction, dated 8th October 1907, No. 5883.

In G.O., No. 719, Educational, dated 21st November 1902, the Government sanctioned the reorganization of the staff of the Madrasa-i-Azam and said that the revised scale of salaries should be introduced only as vacancies occurred.

2. In the reorganization the pay of the fifth assistant was raised from Rs. 30— $\frac{1}{2}$ —35 to Rs. 50—2—60. The fifth assistant in the school is Abd-us Samad Sahib and he has not been given the increased rate of pay under the condition imposed in G.O., No. 719, Educational, dated 21st November 1902.

3. The Director of Public Instruction (the Hon'ble Mr. Bourne) states that Abd-us Samad Sahib is an *untrained* Matriculate; that he has put in nearly 21 years' service, for about 16 years of which he has been holding the fifth assistant's post and that his work has always been considered "very satisfactory." "Of all the teachers on the staff at the time of the reorganization Abd-us Samad Sahib is now the only one who remains there on the old footing" and he has so remained, the Director of Public Instruction says, because "his work has been uniformly satisfactory".

4. The Director of Public Instruction therefore recommends that, as a special case, Abd-us Samad Sahib may be allowed to draw the revised scale of pay from the 1st October 1907.

5. It is for consideration whether the recommendation of the Director of Public Instruction may be accepted in the special circumstances explained by the Director of Public Instruction.

T.K.—17-10-07.

K. RANGASWAMI AIYANGAR—18-10-07.

The grounds advanced are purely personal, but in a case like this are valid. If this man can teach satisfactorily (and the Director of Public Instruction says he can) there is little reason for not giving him the pay which another teacher would get for doing the same work. He has, moreover, had 21 years' service.

C. A. SOUTER—19-10-07.

The enhanced scale of pay may be granted as the Director of Public Instruction is satisfied as to the personal efficiency of this assistant as a very special case. It is, however, to be observed from the scale, on page 3 of G.O., No. 719, Educational, dated 21st November 1902, that the sixth assistant in the new scale draws Rs. 40—2—50, and the seventh assistant Rs. 30—1—40, both of which are in excess of the old scale drawn by this assistant. It does not necessarily follow that he should continue to hold the post of fifth assistant if better qualified men are available for the higher pay,

I presume no exemption from any *special* test is required.

The Secretary's presumption appears to be correct. The man is already a teacher and has been so for 21 years.

"Of all the teachers on the staff at the time of the reorganization Abdus Samad Sahib is now the only ^{there on the old footing} one who remains, and he has so remained, the D.P.I. says, because his work has been uniformly satisfactory."
