His Excellency the Governor in Council,
Madras.

The humble review petition of B. Rama Rau
Manager, Hindu Lower Secondary School, Bellary,
Most-Respectfully sheweth:—

That with reference to G. O. No. 663 M.S.
dated 3rd October 1907, stating that the
Government see no sufficient reason to
interfere with the action of the Director of
Public Instruction with regard to the recognition
of the Hindu Lower Secondary school, Bellary,
your humble petitioner begs to point out
further that the Hindu Lower Secondary school
Bellary, if recognized, will not in any way
affect the Municipal High School and its
non-recognition tends to make the Municipal
High School undergo loss financially. For,
the strength of the 1st Form in the Municipal High
school, Bellary, as stated in the appeal petition
submitted to your excellency, is 66. According
to the Educational Rules, a class should be
divided into two sections if the number
of pupils exceeds 40. So, if the 1st Form be
divided into two sections, each will contain
33 pupils and an additional teacher—

*The number of
pupils of
1st Form*

will have to be appointed for the other section. The average monthly income from each section will be nearly Rs 30, which is less than the pay of each teacher. But on the other hand, should there be only one section, it can have the maximum strength viz 40, and its average monthly income will then be Rs 35 or so, which may be equal to or even a little less than the pay of each teacher. In this case the High School Department will not suffer much. Thus any number of sections in the Lower Secondary Department makes the High School suffer financially. Even supposing that two sections may each contain the maximum number which is practically impossible, there is no appreciable financial advantage to the High School Department.

Your humble petitioner, therefore, prays that your excellency be graciously pleased to take this view into consideration apart from several other points explained in the appeal petition, and extend your excellency's arms of benevolence to him by recognizing the 1st two forms at least, should there be still any objection to recognize all the three forms. Further your humble petitioner begs to submit that he does not require any kind of help

from the government in the shape of grants.

If, with so much humble request, your excellency be not pleased to grant the prayer, may it please your excellency to recognize only one class at least viz 1st Form, as your humble petitioner spent 1000 Rs on account of furniture, apparatus of the said school, which, with permission, the Committee desire to dedicate to His Majesty King Edward the VIII, by styling it as 'Edward's Hindu Lower Secondary School'.

Lastly if none of these requests do not meet with your excellency's approval, may it please your excellency to grant your humble petitioner permission to open a Lower Secondary School in Adoni, Bellary District, where there is no Lower Secondary school at present and to open which the Adoni Municipality has now applied for sanction. Preference may be given to your humble petitioner who is in possession of furniture & apparatus more than enough for a complete Lower

Secondary school.

For complying with your humble
petitioner's any one of these three
kinds of request, he shall ever pray
for your Excellency's long life and
prosperity.

Your Excellency's
