READ—the following paper :—

Letter—from Miss P. F. PARSONS, B.A., L.T., Assistant Inspectress of Schools, Madras.
To—the Private Secretary to the Secretary of State, India Office (through the Director of Public Instruction, Madras, and the Inspectress of Schools, Madras).
Dated—the 7th October 1907.
No.—3554.

I have the honour herewith to submit my application for the post of Inspectress of Schools, United Provinces, India, which has lately fallen vacant and trust the application will meet with your favourable consideration.

With regard to my qualifications I may state that I am a graduate both in Arts (History and Political Economy) and in Teaching of the Madras University, and hold the Degree of Bachelor of Arts and Licentiate in Teaching. I also have the Teachers Diploma of the University of Cambridge, where I was trained in 1904.

I have had over twelve years' experience as a teacher in the Government Training School, Madras. Here I was for some time in charge of the school and of the training classes. For the past two years I have been engaged in inspecting work, as Assistant Inspectress. I have thus a practical knowledge of the work which would be required of an Inspectress of Schools.

I am English with purely English connections.

For further particulars I would refer you to my application of the 15th June 1904. Miss Powell, Principal, Ladies' Training College, Cambridge, will be pleased to answer any reference made to her.

Two copies of office reports are enclosed.

Order—No. 756, Educational, dated 13th November 1907.

The application will be forwarded to the Government of India; and Miss Parsons should be so informed.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
HOME DEPARTMENT,

Dated Fort St. George, the 13th November 1907.

SIR,

I am directed to forward an application, addressed to the Secretary of State for India, from Miss Parsons, an Assistant Inspectress of Girls' Schools in this Presidency, for the post of Inspectress of Schools, United Provinces, India. I am to state that the local Director of Public Instruction considers that Miss Parsons could perform the duties of an Inspectress of Schools very efficiently.

I have the honour to be,

Sir,

Your most obedient servant,

H. D. TAYLOR,
Ag. Secretary to Government.

From the Director of Public Instruction, dated 12th October 1907, No. 7585.

Miss Parsons' application has to be forwarded to the Secretary of State.

A draft is placed below for approval.

Submitted to the Honourable Member for approval as this contains a recommendation. It may issue under tour circulation.

What does the Secretary mean by "tour circulation"? No Member has been appointed to take His Excellency's place?

G. S. F[ORBES].

Yes: but it is not a question of signature of the
despatch but of the decision of the reference.

G. S. F[ORBES].

I submit that there are precedents in which when His Excellency has been absent on tour, despatches to the Secretary of State have issued under the signature of the two Honourable Members, a note being made that His Excellency the Governor is absent on tour. As the present despatch does not involve any question of general principle, but is more or less of a routine nature, I considered that it might issue without being circulated to His Excellency, under the signature of the two Honourable Members.

H. D. TAYLOR—5-11-07.

Why do we address the Secretary of State? Should this not go to the Government of India or the United Provinces who could themselves make the application if they desire her services?

G. S. F[ORBES]—6-11-07.

The memorial is addressed to "the Private Secretary to the Secretary of State." Please put up a revised draft to India.
