18TH NOVEMBER 1907.

[SUBJECT.—*Application to found a gold medal in connection with the College of Engineering in the name of Mr. G. S. T. Harris, late Consulting Architect to Government.*]

From the Director of Public Instruction, dated 23rd September 1907, No. 3154.

M.R.Ry. Rao Sahib S. Krishnama Chariyar, Executive Engineer, Public Works Department, proposes to found a gold medal in connection with the College of Engineering in the name of Mr. G. S. T. Harris, retired Consulting Architect to Government, and requests that the endowment of Rs. 1,000 for the medal may be accepted and vested in the Treasurer of Charitable Endowments.

2. The Director of Public Instruction recommends that the endowment may be accepted.

3. The draft placed below is submitted for approval.

K. RANGASWAMI AIYANGAR—8-10-07.

But is it not usual to get the consent of the person who is to give his name to the medal?

C. A. SOUTER—9-10-07.

It does not seem to be necessary to get the permission of Mr. Harris to associate his name with the medal. For example, please see G.O., No. 25, Educational, dated 12th January 1907, in which a fund called "the Elliot fund" was formed. The presumption in such cases seems to be that the donor has obtained the consent of the individual concerned.

Mr. G. S. T. Harris may be asked by demi-official if he has any objection.
