Madras

Sir,

I have the honour to bring to your notice that in Chapter VI of the Educational Rules, Fifth Edition there are no rules as to when fees are payable and what action is to be taken for non-payment. In this Taluk Board the rules in the old edition about them are continued to be observed except as regards the levying of fines. It has now been brought to notice that in some of the Board schools the pupils who were removed in the previous month for non-payment of fees are readmitted in the following month without collecting the amount due at the date of their dismissal and the Educational officers request orders for collection of such arrears. In the absence of any specific rule to

2 2  
this effect in the Educational Rules, I feel great doubts whether I can issue such an order. In order to clear all doubts in the matter and to avoid loss of revenue to the Taluk Board, I am of opinion that the insertion in Chapter VI of rules similar to those in Nos. 96 and 100 of Chapter VIII is very essential and I request the early orders of Government in the matter.

I have the honour to be,  
Sir,  
Your most obedient servant,  
Sd/ G.A.W. Velloms,  
Vice-President  
for President, Taluk Bd.

The collection of fees in Colleges and Secondary schools is regulated by Rules 96 and 100 of Chapter VIII of the Educational Rules, 1906. Rule 96 says:—

"The fee, or the instalment thereof payable, shall be paid by a new pupil before his name is enrolled, and by an old one not later than the fifth working day of the term. A pupil shall not be enrolled or admitted after the beginning of a term until after he has paid all fees or instalments of fees which he would have had to pay, had his name been on the rolls from the beginning of the term",

2. Rule 100 runs:—

"If

"If a pupil fail to pay his fee or instalment of fee on the day fixed for payment in these rules, a fine may be imposed not exceeding one anna for each rupee of fee due; and if the fee or instalment of fee be not paid within ten days from the day fixed for payment, the pupil's name shall be struck off the rolls. If re-admitted, he shall, in addition to the amount due at the date of his dismissal, pay a fine not exceeding two annas for each rupee of fee due".

2. Chapter VI of the Educational Rules which relates to the Elementary Schools under public management does not contain any rules on this subject. In the old Educational Rules Chapter IV, which contained the regulations as to school fees, applied to both Secondary and Primary Schools under public management. The President, Taluk Board, Tindivanam, <sup>(Mr. Gargun)</sup> states that in the schools under that Board the old rules ~~as to the period when fees become payable~~ <sup>as to remedy in case of non-payment</sup> are generally still in force except as regards fines, but that in some of the Board schools, pupils who were removed for non-payment of fees in one month are re-admitted in a subsequent month without collecting the amount due at the date of their dismissal. He enquires whether in the absence of any rules on the subject he can order the arrears also to be collected, <sup>in such cases,</sup> and suggests that rules similar to those in No. 96 and No. 100 of Educational Rules may be issued with regard to elementary schools under public management.

3. The Director of Public Instruction (Dr. Bourne), however, considers that as <sup>the</sup> collection of fees in elementary schools under public management is a matter which may be left to the managing bodies to settle in consultation with the Inspecting Officers, the managing bodies may be referred simply to Rules 96 and 100 of the Educational Rules for guidance and informed that these rules may be modified with reference to local needs and circumstances.
