READ—the following papers :—

I

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—Madras, the 14th October 1907.

No.—Ref. on Cur. No. 6041.

I have the honour to request that you will be so good as to obtain the sanction of Government for raising, with effect from 1st March next, the pay of the post of Librarian of the Government Arts College, Rajahmundry, from Rs. 15 to Rupees 20—2—30.

2. As early as July 1904 the Principal of the College wrote that the duties of the librarian were not such as could be efficiently discharged by a person who could be secured for the sanctioned salary of Rs. 15 and recommended that the pay of the appointment should be increased to such a figure that would be sufficient to attract and retain the services of a man of intelligence considerably above the average. In the working of the library improved measures in the way of library classes or library hours under careful supervision have since been introduced and these changes have thrown additional work on the librarian, and the present duties, the Principal states, require on the part of the holder of the appointment more general knowledge and intelligence than the ordinary Matriculate is expected to show. In this connection I would invite the attention of Government to Mr. Hunter's remarks on the working of the library and library classes contained in paragraph 6 of the annual report of the college recorded in G.O., No. 353, Educational, dated 7th June 1907.

3. The Principal in again urging the question of an increase to the pay of the librarian writes as follows :—

“Under the new Regulations and indeed under the present regulations so far as the literary side is concerned, the work in the library should be at least of as much importance as the work in the lecture room and it is impossible for this important work to be efficiently carried on unless the librarian is a man of experience and superior intelligence. The experience and intelligence required is furthermore of a special character and not such as may be reasonably looked for in an under clerk.”

4. I consider that there is some force in the remarks of Mr. Hunter. The library consists of 5,228 volumes and the number of books issued for study in the library and reading room rose from 2,770 in 1905 to 6,191 in 1906. Further, the pay of the librarian of the Presidency College is Rs. 40—2—60 and that of the Kumbakonam College is Rs. 20—2—40. A scale of Rs. 20—2—30 for this college seems to me very moderate.

5. I submit a proposition statement for the increase for which the necessary provision has been made in the budget estimates for 1908—1909.

In forwarding the enclosed proposition statement received with letter No. 6041, dated 14th October 1907, from the Director of Public Instruction, I have the honour to state that the entries in the column “Present scale” have been compared with the registers of this office and are correct.

2. There is no audit objection to the proposal being sanctioned by Government in the Financial Department.

Order—No. 792, Educational, dated 27th November 1907.

The proposal of the Director of Public Instruction to raise the pay of the post of librarian of the Rajahmundry College from Rs. 15 to Rs. 20—2—30 is approved on the understanding that the present librarian is replaced by a better qualified man.

2. The proposition statement is sanctioned.

(True Extract.)

H. D. TAYLOR,
Ag. Secretary to Government.

To the Director of Public Instruction.
 „ Financial Department, with proposition statement.

NOTES CONNECTED WITH G.O., No. 792, EDUCATIONAL,
DATED 27TH NOVEMBER 1907.

[SUBJECT.—*Pay of the post of Librarian, Rajahmundry College.*]

From the Director of Public Instruction, dated 14th October 1907, No. 6041.

The pay of the post of Librarian, Rajahmundry College, is Rs. 15. The Director of Public Instruction requests that the pay may be raised to Rs. 20—2—30 * from 1st March 1908.

* Increments being annual.

2. The grounds on which the proposed increase is recommended are—

(1) that the duties of librarian are not such as can be efficiently discharged by a person who can be secured for the sanctioned pay of Rs. 15 ;

(2) that the present duties of librarian require on the part of the holder of the appointment more general knowledge and intelligence than the ordinary Matriculate is expected to show ; and

(3) that the work in the library cannot be efficiently carried on unless the librarian is a man of experience and superior intelligence.

3. The Director of Public Instruction further points out that the pay of the librarian

But that is in Madras.

H. D. TAYLOR.

of the Presidency College is Rupees 40—2—60 and that of the librarian, Kumbakonam College, is Rs. 20—2—40

and that the scale of Rs. 20—2—30 now proposed for the librarian of the Rajahmundry College is very moderate.

4. It is for consideration whether the Director's proposal may be approved. The present pay of the post appears to be very low ; but it is to be doubted whether the services of a "man of experience and superior intelligence" can be secured for Rupees 20—2—30.

T.K.—11-11-07.

The Director of Public Instruction appears to have made out a case for the proposed increase in the salary of the librarian of the Rajahmundry College.

K. RANGASWAMI AIYANGAR—12-11-07.

It is presumed that the intention is to appoint a new librarian if the increase is sanctioned. As a post like this will be of long continuance it might be better to make the scale Rs. 20—2—40, giving 10 years to reach the maximum.

In Government appointments the maximum should ordinarily be reached in five years.

The pay of the post of Librarian, Rajahmundry College is Rs 15. The D.P.I. requests that the pay may be raised to Rs 20-2-30 from 1st March 1908.

2. The grounds on which the proposed increase is recommended are -

- (1) that the duties of Librarian are not such as can be efficiently discharged by a person who can be secured for the sanctioned pay of Rs 15;
- (2) that the present duties of Librarian require on the part of the holder of the appointment more general knowledge and intelligence than the ordinary matriculate is expected to show; &
- (3) that the work in the library can not be efficiently carried on unless the Librarian is a man of experience and superior intelligence.

3. The D.P.I. further points out that the pay of the Librarian of the Presidency College is Rs 40-2-60 and that of the Librarian of the Kumarakrishna College is Rs 20-2-40 and that the scale of Rs 20-2-30 now proposed for the Librarian of the Rajahmundry College is very moderate.

4. It is for consideration whether the Director's proposal may be approved. The present pay of

the post appears to be very low; but it is to be doubted whether the services of a "man of experience and superior intelligence" can be secured for Rs 20-2-30.
