C.No. 2746 from the Surgeon General, No.45-s/546, dated 11th November 1907

Subject.

Indent for stores required for the Medical College,
M a d r a s.

It is submitted that the Surgeon General should have submitted the indent through the Director of Public Instruction who should certify as to budget provision. The papers may now be forwarded u.o. to the Director of Public Instruction.

It is stated that the stores are required to reach India in January 1908. There will probably be insufficient time for complying with the indent. This date may perhaps be altered into February 1908.
