3. The Governor in Council will be glad to know whether there is any objection to the association of Her Excellency Lady Minto's name with the medal.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., Nos. 802, 803, EDUCATIONAL,
DATED 3RD DECEMBER 1907.

[SUBJECT.—Application from M.R.Ry. K. Kodandaramayya Pantulu for permission to found a medal in the name of Her Excellency Lady Minto for the encouragement of female education.]

From the Director of Public Instruction, dated 10th August 1907, No. 4937.

Please see the notes with G.O., No. 441, Educational, dated 11th July 1907.

2. M.R.Ry. Kodandaramayya now submits his application through the Collector and the Director of Public Instruction. The Collector (Mr. Partridge) in forwarding the application says:—

“ There can be no objection to granting the permission required. Mr. Kodandaramayya has shown considerable interest in the matter and is, I understand, providing several scholarships for the poorer classes in girls' schools in Ganjam.”

The Director of Public Instruction simply forwards the papers without comment.

3. From Kodandaramayya's letter, it is observed that the medal which he proposes to institute is to be given to the first Lady F.A., from the whole of the Madras Presidency, but he gives no idea as to the value of the medal, or as to the arrangements which he proposes to make to meet the cost of the medal in future years, as Mr. Kodandaramayya's idea seems to be to make the medal permanent. The medal will apparently have to be awarded by the University of Madras; if so, the consent of the University to the proposal will have to be obtained before steps are taken to obtain the consent of Her Excellency Lady Minto to the association of her name with the medal.

4. It is submitted that Mr. Kodandaramayya may first be asked to furnish information as to the probable value of the medal he proposes to institute and the arrangements for its continuance permanently. The Collector may be asked to obtain and furnish this information.

K. RANGASWAMI AIYANGAR—22-8-07.

C. A. SOUTER—24-8-07.

The acceptance of the medal is a matter for the University.

2. The association of the name of Her Excellency Lady Minto with the medal is a matter which should go through the Private Secretary to His Excellency the Governor to the Private Secretary to the Viceroy. Before any action can be taken in that direction the amount of the proposed endowment and the value of the medal should be ascertained.

3. A reference may be made to the Collector as at “A” or he may also be asked to furnish some information as to the status and antecedents of Mr. Kodandaramayya.

H. D. TAYLOR—26-8-07.

The draft reference placed below is for approval.

K. RANGASWAMI AIYANGAR—27-8-07.

C. A. SOUTER—28-8-07.

[Memorandum No. 1961-1, dated 28th August 1907.]

From the Collector of Ganjam, dated 9th September 1907, No. 28.

Please see Mr. Partridge's letter. It is observed that Mr. Kodandaramayya is willing to invest Rs. 1,000 in Government securities and that the cost of the medal is to be met from the interest on this amount.

2. The consent of the University may, it is submitted, be now obtained to the proposed endowment. A draft memorandum is placed below for approval.

K. RANGASWAMI AIYANGAR—13-9-07.

Mr. Kodandaramayya is a second-grade pleader at Sompeta and is a landholder. He is evidently a man of respectability though not a prominent personage. The draft may issue. On receipt of an answer the Private Secretary to His Excellency the Governor may take further action if the University accept the offer.

C. A. SOUTER—14-9-07.

There is not likely to be any doubt as to the willingness of the University to accept the endowment. The first point to be ascertained is whether Her Excellency Lady Minto is willing to have her name associated with the medal, having reference to the object of the same and the status of the founder. This point will presumably be ascertained through the Private Secretary to His Excellency the Governor.

H. D. TAYLOR—16-9-07.

Better look up and see whether we write to the Home Department or Private Secretary to His Excellency the Governor addresses Private Secretary to the Governor-General and take action accordingly.

G. S. F[ORBES]—16-9-07.

Are there any other precedents other than that in G.O., No. 54, dated 30th August 1906?

H. D. TAYLOR—17-9-07.

No precedent can be traced in Educational, other than that in G.O., No. 54, Educational, dated 30th August 1906. Perhaps the Public and Revenue Departments may be asked u.o. to state whether there are any precedents on the subject. There is nothing on this point in the Hand-book of Procedure and Precedents.

K. RANGASWAMI AIYANGAR—22-9-07.

C. A. SOUTER—23-9-07.

Can Public indicate the proper procedure in a case of this nature?

H. D. TAYLOR—24-9-07.

To the Public Department.

PUBLIC DEPARTMENT.

The records at Madras have been examined and it is reported that no precedent can be traced showing the procedure to be followed in such a case.

As the correspondence will apparently be official, a letter might go from the local Educational department to the Home department of the Government of India.

C. S. SIMPSON—9-10-07.

A. GALLETT—10-10-07.

H. BRADLEY—10-10-07.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

Please draft.

H. D. TAYLOR—12-10-07.

The notes when complete should be printed and marked as a precedent.

The draft letter placed below is for approval.

C. A. SOUTER—28-10-07.

K. RANGASWAMI AIYANGAR—21-10-07.

C. A. SOUTER—28-10-07.

I think further information is required. From page 3 of the letter on page 1 of G.O., No. 441, dated 11th July 1907, it appears that the money will be placed as an endowment to the credit of the University for a medal to the first Lady F.A. of the University. But the proposals are still in a very vague shape. Before we can address India some definite information as to whether the sum will be placed at the disposal of the University by way of endowment, and of the object of the endowment must be furnished. The Collector may be asked to obtain the information.

H. D. TAYLOR—29-10-07.

A draft is submitted for approval.

Mr. Kodandaramayya states that a sum of Rs. 1,000 will be placed at the disposal of the Madras University as an endowment for the proposed medal; that the object of the medal is to encourage female education and that the medal will be awarded to the female candidate who stands first among the female candidates for the First Examination in Arts of the Madras University.

2. The draft letter in the file may, it is submitted, be altered as shown in pencil. T.K.—29-11-07.

The draft will be retyped if the alterations are approved by the Assistant Secretary, before submission to the Secretary.

"There can be no objection to granting the permission required. Mr. Kodandaramayya has shown considerable interest in the matter and is, I understand, providing several scholarships for the poorer classes in girls' schools in Ganjam."

The D.P.I. simply forwards the papers without comment.

3. From Kodandaramayya's letter, it is observed that the medal which he proposes to institute is to be given to the first Lady F.A. from the whole of the Madras Presidency, but he gives no idea as to the value of the medal, or as to the arrangements which he proposes to make to meet the cost of

of the medal in future years, as Mr. Kodandaramayya's idea seems to be to make the medal permanent. The medal will apparently have to be awarded by the University of Madras; if so, the Consent of the University to the proposal will have to be obtained, before steps are taken to obtain the Consent of Her Excellency Lady Minto to the Association of her name with the medal.

4. It is submitted that Mr. Kodandaramayya may first be asked to ^{furnish} ~~report~~ ^{information as to} the probable value of the medal he proposes to institute and the arrangements for its Continuance permanently. The Collector ^A may be asked to obtain and furnish this information.

2. The Association of the name of H.E. Lady Minto with the medal is a matter which should go through the P.S.G. to the Private Secretary to the Viceroys. Before any action can be taken in that direction the amount of the ^{proposed} endowment & the value of the medal should be ascertained.

There is not likely to be any doubt as to the willingness of the University to accept the endowment. The first point to be ascertained is whether H. E. Lady Mills is willing to have her name associated with the medal, having reference to the object of the same & the status of the founder. This point will probably be ascertained through the Private Secretary to H. E. the Governor.

No precedent can be traced in Eol other than that in G.O. No. 54 Eol, dated 30th August 1906. Perhaps the Public & Revenue Departments may be asked to state whether there are any precedents on the subject. There is nothing on this point in the Hand-book of Procedure and Precedents.
