Su,

In this office letter to Government , Current No.

34/07 dated 4th January 1907, submitting statements of contributions payable to district boards and municipalities for 1906-1907 the Municipal allotment available for payment of grants in the Mannargudi Municipality was taken as Rs 2,400/- which was the sanctioned allotment and a contribution of Rs 196 was recommended, the salary grant of Rs 376/- already paid from the funds of the Municipality being taken into account. A sum of Rs 1650/- was allotted for payment of teaching grants for boys' schools and of Rs 480/- for girls' schools. In the remarks to Government on the Budget estimate of the Municipality for 1907-1908 it was recommended that the sanctioned allotment under grants should be repeated in the revised estimate for 1906-1907. But Government when passing orders on the budget for 1907-1908 /G.O. No. 363/M dated 21st February 1907/ reduced the allotment to Rs 2,010 in the revised

estimate made up apparently of Rs 380/- the salary grants already paid by the Municipality and of Rs 1,630/- for teaching grants to elementary schools. The grants assigned to boys' schools amounted to Rs 1,537/- and to girls' schools to Rs 480/- but these were reduced to Rs 1,242-2-0 and Rs 387-14-0 respectively at the request of the Chairman so as to limit the total to Rs 1,630/- in accordance with the revised estimate sanctioned by Government. Grants at the reduced rates were paid to the schools. The deficiency in the case of boys' schools was (Rs 1537-Rs 1242-2-0), Rs 284-14-0 and in the case of girls' schools (Rs 480- Rs 387-14-0) Rs 92-2-0 total Rs 387. As payment of grants at the reduced rates was entirely due to the reduction of the allotment in the revised estimate, Mr. Logan considered that the schools should receive the amount of deficit and he therefore instructed the inspecting officers to issue supplemental bills to the schools up to the limit of the deficit and to ask the Chairman to pay the grants from the current year's allotment with the intimation that the amount so paid would be added to the subsidy payable to the Municipality for the current year. I understand that the Chairman has refused and that rightly to pay the supplemental grants without the sanction of Government, and I have the honour therefore to request that payment of a subsidy of Rs 387 may be sanctioned to this Municipality for the purpose.

2 I beg to state further that an amount of Rs 480/- only was allotted for teaching grants to girls' schools in this Municipality for 1906-1907. These schools were all in receipt of fixed grants amounting to Rs 840 under the old Grant-in-Aid Code and on the representation of the Inspectress of Girls' Schools, Mr. Logan issued instructions for payment of additional grants to the schools up to the limit of the fixed grants which they were previously in receipt of, with the intimation that the amount so paid would be added to the provincial subsidy payable to the Municipality for the current year. I request that the amount required for this purpose, viz., ~~Rs 360/-~~ (Rs 840-Rs 480) may also be sanctioned.

3 The amounts viz. Rs 387 and 360 recommended above,

if sanctioned, will be met from the provision of Rs 50,000/- under
"22.I-Education-Contributions to Municipal funds" in the current
year's budget.

NOTES.

C.No.2790, from the Director of Public Instruction, No.7145, dated 20-11-07

Subject.

Payment of teaching grants to Municipal Schools in the Mannargudi Municipality.

The Director of Public Instruction (The Hon'ble Mr. Bourne) requests the sanction of Government

para. 1 of ct.

(1) for the payment to the Mannargudi Municipality of a subsidy of Rs.387 on account of the teaching grants to elementary ^{boys'} schools,

para 2 of ct.

(2) for the payment of an additional sum of Rs.360 towards teaching grants to girls' schools.

2. ^{Item (1)} Payment of an additional subsidy of Rs.387.

In the statement of contributions payable to Municipalities in 1906-07, sanctioned in G.O. No. 71 Educational, dated 9th February 1907, the allotment for teaching grants in 1906-07 for boys' and girls' schools in the ^{Mannargudi} Municipality amounted to Rs.2,130. In submitting his remarks on the Budget Estimate of the Municipality for 1907-08, the then Director of Public Instruction (Mr. Logan) recommended that the sanctioned allotment under teaching grants should be repeated in the revised estimate for 1906-07; but the Government, in their order No.363 M., dated 21st February 1907 reviewing the budget, reduced the allotment to Rs.2,010 in the revised estimate. This sum included

Rs.380 being the salary grants already paid by the Municipality so that, the actual amount of *Provincial Contribution* taken credit for in the revised estimate for 1906-07 on account of teaching grants was only Rs.1,630. The grants assigned to schools (which amounted to Rs.2,017) had therefore to be reduced to Rs.1,630 so as to bring ~~it~~ ^{them} down to the revised estimate sanctioned by Government. Mr. Logan, however, considered that the schools should receive the amount ~~of deficit~~ ^{thus reduced (Rs 387)}, and instructed the Inspecting Officers to ask the Chairman to pay the grants from the current year's allotment, ~~the~~ ^{with the understanding} the amount so paid ~~being~~ ^{would be} added to the subsidy payable to the Municipality in the current year. The Chairman, however, has refused to pay the amount without the sanction of Government. Dr. Bourne now asks for sanction to the payment of a subsidy of Rs.387 to the Municipal Council.

3. ^{Item (2)} Payment of an additional sum of Rs.360 for teaching grants to Girls' Schools.

The allotment for teaching grants for girls' schools in the Mannargudi Municipality was Rs.480 in 1906-07. These schools were previously in receipt of fixed grants amounting to Rs.840 under the old Grant-in-Aid Code and Mr. Logan instructed the Inspectress of Girls' Schools to pay additional grants to the schools up to the limit of the fixed grants paid in the previous years, with the intimation that the amount so paid would be added to the provincial subsidy payable to the Municipality for the current year. The Director of Public Instruction now requests sanction

for the payment of this additional sum of Rs.360.

4. In the circumstances stated, the payments recommended by the Director of Public Instruction may, it is submitted, be sanctioned. There is a budget provision of Rs.50,000 under "22 I Education - Contribution to Municipal Funds" and the Director of Public Instruction states that the amounts will be met from this provision.
