Order—No. 6, Educational, dated 6th January 1908.

H. D. TAYLOR,
Ag. Secretary to Government.

To the Director of Public Instruction,
Gazette (Notification).

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 6, EDUCATIONAL, DATED 6TH JANUARY 1908.

[SUBJECT.—*Supplemental list of text-books approved in 1907.*]

From the Director of Public Instruction, dated 12th December 1907, No. 8752.

In G.O., No. 44, Educational, dated 24th January 1907, a list of approved text-books for use in recognised schools was ordered to be published in the *Fort St. George Gazette*. This list, however, contained the names of only such text-books as were actually in use in 1906, and of such others as had been approved as text-books since the last consolidated list was approved.

2. Under rule V of the rules for the Educational Department approved in G.O., No. 445, Educational, dated 10th September 1900, the list of text-books should be complete. In paragraph 1 of G.O., No. 44, Educational, dated 24th January 1907, however, the Government observed that if the publication of a complete list of text-books every year was considered unnecessary, a consolidated list might be published once in five years, supplemental lists being published annually in regard to books subsequently approved or removed from the list.

3 In G.O., No. 369, Educational, dated 12th June 1907, the Government approved the proposal of the Director of Public Instruction that any manager of a school who wished to introduce a book included in the 1905 list but excluded from the 1907 list, might write to the Director of Public Instruction intimating his wish, and that such books, if approved, would be included in the supplemental list of approved text-books, to be published annually.

4. The Director of Public Instruction now submits in proof, for approval and publication in the *Fort St. George Gazette*, a supplemental list of text-books approved during the year 1907. Dr. Bourne suggests that along with this list a general notification may be published to the effect that all text-books prescribed by the University of Madras for the Matriculation examination* may be regarded as text-books approved for use in all recognised schools.

5. It is submitted that the supplemental list submitted by the Director of Public Instruction may be approved and published in the *Fort St. George Gazette*. The notification suggested by the Director of Public Instruction has been added as a note at the top of the notification and a further note has been added to the effect that no books not approved by Government shall be in use in any recognised schools—*vide* article 12 of the Grant-in-Aid Code.

The draft order placed below is submitted for approval.
