GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from Lieutenant-Colonel J. CHRISTIE, Commandant, Malabar Volunteer Rifles.

To—the Brigade Major, Southern Brigade, Wellington.

Dated—Calicut, the 15th August 1907.

No.—C. 7/440.

I have the honour to inform you that No. III Cadet Company of the Corps under my command is almost entirely formed by boys belonging to the Santa Cruz High school, Cochin.

2. In the recent editions of the Educational Code there is no provision made for a grant to "Native Schools" which have Cadet Companys and consequently this school's claims for a grant for the year ending 31st December 1906 has been disallowed.

3. Santa Cruz High school is the only school in Cochin.

4. All the boys for whom the grant is claimed are Eurasians.

5. This company was raised in 1885 and earned its first capitation grant in 1886.

6. The present strength of the company is 3 officers and 29 rank and file.

Letter dated 9th instant from the Headmaster, the endorsement by the Officer Commanding Cochin Detachment and application for the Cadet grant is attached for favour of transmission to the authorities concerned.

ENCLOSURES.

Letter—from the Headmaster, Santa Cruz High School, Cochin.

To—the Captain in charge of the Volunteer Forces, Cochin.

Dated—the 9th August 1907.

I beg to enclose the list of cadets who qualified themselves last year. It has been returned to me from the Director of Public Instruction on the grounds that there is no provision in the new Regulations for allowing the usual grant to cadets attached to native schools. This want of provision is due, I presume, to the fact that this school is, perhaps, the only native school in the Presidency which can boast a cadet corps. But surely the intention of the Government is that the grant shall be given wherever a cadet corps shall make itself efficient. On this supposition I venture to ask that you will make this representation to the proper quarter.

H. S. DUNCAN,
Inspector of European and Training Schools.

Forwarded to the Adjutant, Malabar Volunteer Rifles, Calicut, for kind attention. I would point out that if the grant is withdrawn from the Santa Cruz High school for No. III Cadet Company, it will have a most deleterious effect upon the efficiency of that company and probably result finally in its dissolution, as the school authorities cannot be expected to take any interest in volunteering unless they receive the grant and they have paramount influence over the boys. Whatever the school may be termed officially, the lads comprising No. III Cadet Company are all Eurasian lads, and Eurasian lads of a particularly good class, judged by the local standard.
