GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following papers :—

I

G.O., No. 657, Educational, dated 10th October 1906.

ABSTRACT.—Passing orders on the remarks of the Committee appointed in connection with the extension and reorganization of the College of Engineering and requesting the Director of Public Instruction to submit proposals for the introduction of the scheme of reorganization as approved and also proposals for the revision of the rules of the College.

II

G.O., No. 249, Educational, dated 27th April 1907.

ABSTRACT.—Informing the Director of Public Instruction that the Government have requested the Secretary of State to depute Mr. W. H. James, who proceeds to England during the summer vacation of the College of Engineering, to visit some of the laboratories attached to Technical Colleges in the United Kingdom.

III

G.O., Nos. 33, 34, Educational, dated 15th January 1908.

ABSTRACT.—Recording Mr. James' notes on the laboratories attached to certain Technical Colleges in the United Kingdom, and forwarding thirty-two copies of the notes to the Government of India.

Order—No. 35, Educational, dated 15th January 1908.

In their Order No. 657, Educational, dated 10th October 1906, the Government accepted the opinion of the Committee appointed to advise on the extension and reorganization of the College of Engineering, that the College should be residential and that as there was no room for expansion at the present site, the College should be removed to a more suitable place. They also considered that the site of the Agricultural College at Saidapet would be the most suitable place for the College and directed that an officer should be deputed in the Public Works Department to ascertain what use could be made of the existing buildings of the Agricultural College at Saidapet and to prepare plans and estimates for the Engineering College.

2. In G.O., No. 249, Educational, dated 27th April 1907, the Government deputed Mr. W. H. James, Professor of Mechanical Engineering, College of Engineering, during the summer vacation of 1907, to visit some of the principal Technical Colleges in the United Kingdom. Mr. James has accordingly visited the chief Engineering laboratories in the United Kingdom and is now in a position to advise as to the construction and equipment of the laboratories for the new College of Engineering at Saidapet.

3. Orders will now issue in the Public Works Department for the preparation of plans and estimates for the new buildings at Saidapet in consultation with Mr. James with due regard to the difference in requirements of an Engineering College in India and of a Technical Engineering Institute in England.

(True Extract.)

H. D. TAYLOR,
Ag. Secretary to Government.

To the Director of Public Instruction.
,, Public Works Department.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 35, EDUCATIONAL, DATED
15TH JANUARY 1908.

[SUBJECT.—*Preparation of plans and estimates for the new buildings for the
College of Engineering, Madras.*]

*Extract from the notes connected with G.O., No. 33, Educational, dated 15th January
1908, recording the notes of Mr. W. H. James on his visit to the laboratories
attached to certain Technical Colleges in the United Kingdom.*

A | The Public Works Department may now be asked to take up the question of
design and buildings generally for the new College of Engineering in consultation
with Mr. James.

H. D. TAYLOR—12-12-07.

B | Yes—with due regard to the difference in requirements of an Engineering
College in India and of a Technical Engineering Institute in England.

G. S. F[ORBES]—13-12-07.

Extract note at A and B and put up draft regarding College of Engineering in a
separate file.

H. D. TAYLOR—4-1-08.

The notes have been extracted.

2. The draft order placed below has already been approved by the Assistant
Secretary. It is submitted for approval.

K. RANGASWAMI AIYANGAR—6-1-08.

For approval.

Not necessary, I think, to emphasise it more.

Vide paragraph 2 of G.O., No. 657, Educa-
tional, dated 18th October 1906.

Please see paragraph 2. I have
added this, as I learn from outside sources
that Mr. James is endeavouring to reopen
the question of the site, which will
involve further indefinite delay unless
definite orders issue at once.

H. D. TAYLOR—7-1-08.

To the Public Works Department for acceptance.

PUBLIC WORKS DEPARTMENT.

Accepted in Public Works Department. I suggest a slight alteration in the
wording of the order to leave it open to the Public Works Department to name the
exact arrangements which are best for the preparation of the plans and estimates.
A special officer will very likely be required, but I think he should work in close
association with the Consulting Architect if not under his orders. I will consult the
Superintending Engineer, V Circle, and Mr. Nicholls on the point.

R. PARSONS.

F. J. WILSON—10-1-08.

To the Educational Department.
