I, the collector of

through the collector of

I beg to state that I have yet to pass Revenue
Test, Higher grade, to complete the Deputy
Collector's test. But according to the rules.

none for des. 112 cannot ordinarily appear for

the examination. Instances are not however
wanting in which the government have given
permission to deserving officials to appear for
special test for which they cannot ordinarily

appear should you be pleased to consider
my case to be a deserving one I respectfully

request that government may be kindly

addressed to permit me to appear for the said

the said special test and pass it in two years.

If the concession be extended to me, I hope to be able to pass the Test.

2/ In this connection, I humbly venture to submit that I have earned an unblemished record of about 22 1/2 years' service under Government. It has been always my good fortune to serve under exceedingly kind and good European officers and the testimonials granted by a number of them will show how well one and all of them have thought of me. I may add that I was employed on special duty on a few occasions and that my officers then characterised my work as highly satisfactory.

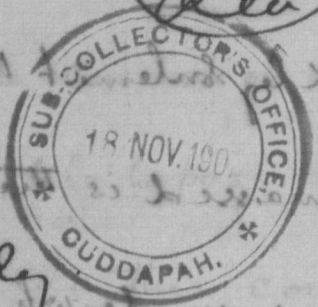

In the early days of my service, I had the good luck to work under Mr. now Sir Harold Stuart in the census office at Allahabad, and he was pleased to think that I was the best of men sent to him from the several collectorates of the Madras Presidency and that I was able to control a large

a large staff of subordinates most efficiently

at 3/ In fact, I frankly submit that the only fortune I have amassed is the good will of a number of officers under whom I have served. A printed copy of my testimonial is enclosed for favor of kind perusal. Thanking you from the bottom of my heart for the past very many favors.

I beg to remain
