To—the Secretary to Government, Educational Department (through the Accountant-General).
Dated—the 11th December 1907.
No.—Ref. on Cur. 8455.

In G.O., No. 471, Educational, dated 22nd July 1907, sanction was accorded to the employment of a temporary additional assistant instructor in the College of Engineering and a salary of Rs. 105 per mensem was proposed for this appointment as the temporary upper subordinate selected by the Chief Engineer for the post was in the second grade on Rs. 80 and eligible for a salary of Rs. 105 if employed in the Presidency town. Since the date of his joining the College, M.R.Ry. B. Lakshminarayana Rao, the officer posted to the College has been promoted to be temporary overseer on Rs. 100 with effect from the 11th November 1907 and he thus becomes entitled to a salary of Rs. 125 per mensem from that date to the 23rd instant, on which date it is proposed to relieve him from the College.

M.R.Ry. P. S. Krishna Aiyar, a temporary overseer on Rs. 60, who was also posted to the College on a consolidated salary of Rs. 85 per mensem under G.O., No. 468, Educational, dated 20th July 1907, has been promoted to be temporary overseer on Rs. 80 with effect from 1st November 1907 and he becomes entitled to an increased salary of Rs. 105 per mensem from that date.

I have the honour accordingly to request that sanction may be accorded for the payment to them of the increased rates of salary with effect from the dates of their promotion in the Public Works Department.

The extra charge on this account for the current year will be about Rs. 110, and can be met from savings in the provision for salaries for the College in the current year's budget. A reappropriation statement is submitted in duplicate.

NOTES CONNECTED WITH G.O., No. 57, EDUCATIONAL,
DATED 21st JANUARY 1908.

[SUBJECT.—*Requesting sanction for the payment of increased rates of pay to B. Lakshminarayana Rao and P. S. Krishna Aiyar, temporary additional instructors in the College of Engineering, Madras.*]

From the Director of Public Instruction, Madras, dated 11th December 1907, No. 8455.

The Director of Public Instruction (Dr. Bourne) requests sanction for the payment of increased rates of pay to B. Lakshminarayana Rao and P. S. Krishna Aiyar, temporary Upper Subordinates of the Public Works Department who were appointed as temporary additional instructors in the College of Engineering, Madras. The cases of these two instructors will be dealt with separately below.

2. *B. Lakshminarayana Rao.*—In G.O., No. 471, Educational, dated 22nd July 1907, sanction was accorded to the employment of a temporary additional instructor in the College of Engineering on a salary of Rs. 105 per mensem from the date of that order up to 31st December 1907. The salary of this temporary post was fixed at Rs. 105 per mensem in view of the fact that the individual selected for the place (B. Lakshminarayana Rao) was at that time drawing a salary of Rs. 80 per mensem as temporary Overseer, second grade, and would, if stationed at the Presidency town, be entitled to an allowance of Rs. 25 per mensem. The Director of Public Instruction now reports that B. Lakshminarayana Rao was promoted to be temporary Overseer on Rs. 100 with effect from the 11th November 1907 and has thus become entitled to a salary of Rs. 125 from that date till the 23rd December 1907, when he was to have been relieved from the College and requests sanction for the payment of the increased rate of pay from 11th November to 23rd December 1907. It is for consideration whether the increased rate of pay, namely, Rs. 125 per mensem, may be sanctioned. If sanctioned, he will have to be given a personal allowance of Rs. 20 per mensem.

May be sanctioned.

H. D. TAYLOR.

3. *P. S. Krishna Aiyar.*—In G.O., No. 222, Educational, dated 15th April 1907, the Government ordered the reversion to the Public Works Department of K. Srinivasa Aiyangar, temporary additional instructor in the College of Engineering, on the ground that his pay (Rs. 125 per mensem) was too high for the College and requested the Chief Engineer to depute a suitable Overseer of the third grade, who would draw Rs. 60 + 25, to take the place of K. Srinivasa Aiyangar in the College. In G.O., No. 468, Educational, dated 20th July 1907, P. S. Krishna Aiyar, who was then a temporary Overseer of the third grade on Rs. 60 per mensem and who was selected by the Chief Engineer for the place, was appointed, and he was allowed to draw a consolidated salary of Rs. 85 per mensem while employed as an assistant instructor. The sanctioned scale of the post is Rs. 60—2—80.

4. The Director of Public Instruction now brings to notice that P. S. Krishna Aiyar has been promoted to be temporary Overseer on Rs. 80 with effect from 1st November 1907, and has thus become entitled to an increased salary of Rs. 105 per mensem and requests sanction for the payment of the increased salary.

5. The pay of the post which P. S. Krishna Aiyar now holds in the College was fixed at Rs. 85 per mensem, so long as it was held by a third-grade Overseer of the Public Works Department—please see the proposition statement on page 4 of G.O., No. 85, Educational, dated 12th February 1906. If P. S. Krishna Aiyar is to be retained in the College, he will have to be given the difference between his present rate of salary (Rs. 85) and the salary he will be entitled to in his present grade in the Public Works Department (Rs. 80 + 25) as a personal allowance. The other alternative would be to ask the Chief Engineer to select another subordinate of the third grade to take the place of P. S. Krishna Aiyar in the College. From the notes of the Public Works Department on page 2 of the notes with G.O., No. 468, Educational, dated 20th July 1907, it is observed that the consolidated pay of Rs. 105 and Rs. 85, respectively, in the case of B. Lakshminarayana Rao and P. S. Krishna Aiyar were to hold good only "so long as they remain in their present grades."

K. RANGASWAMI AIYANGAR—8-1-08.

Please see G.O., No. 85, Educational, dated 12th February 1906, and the notes therewith. The same difficulty has arisen. In the present case the two instructors receive actually more than their grade pay. If, however, the principle is adopted that

H. D. TAYLOR.

when in the Presidency town these men should receive a Presidency allowance, then apparently they are entitled to the rates proposed by the Director of Public Instruction.

2. As for Krishna Aiyar he should, it is submitted, revert to his ordinary line If Public Works Department can supply a suitable man.

H.D.T.

H.D.T.

and another man should be put in his place. The whole system of appointing these instructors seems, however, to be bad in that it causes frequent changes which cannot be for the good of the College.

C. A. SOUTER—9-1-08.

The permanent pay of the two posts on the sanctioned establishment list of the College (*vide* pages 3 and 4 of G.O., No. 85, Educational, dated 12th February 1906) is Rs. 60—2—80 and Rs. 75—2½—100? Please verify.

H. D. TAYLOR—9-1-08.

One of the two posts was a purely temporary appointment sanctioned as an extra post from 22nd July to 31st December 1907, on a salary of Rs. 105 per mensem—*vide* G.O., No. 471, Educational, dated 22nd July 1907.

The permanent pay of the other post is Rs. 60—2—80 (*cf.* paragraph 2 of Dr. Bourne's letter on page 2 of G.O., No. 459, Educational, dated 5th July 1905, and the Secretary's note on page 1 of the notes with G.O., No. 222, Educational, dated 15th April 1907).

K. RANGASWAMI AIYANGAR—10-1-08.

C. A. SOUTER—10-1-08.

The allowances proposed must be sanctioned and Public Works Department may be asked to send some one else after the summer vacation, P. S. Krishna Aiyar being allowed to revert at the close of this term to the Public Works Department.

The system of recruitment of these subordinates for the Engineering College is unsatisfactory. Director of Public Instruction should be asked whether no permanent appointments outside Public Works Department, and free from Public Works Department rules as to pay and allowances, cannot be found for the posts.
