GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers :—

I

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—the 31st October 1907.

No.—Ref. on C. No. 2066.

I have the honour to submit the enclosed plans with estimate amounting to Rs. 16,480 for the construction of a building for the Victoria Memorial High School, Periyakulam, Madura district, and to recommend that a maximum grant of Rs. 5,493 be sanctioned under Rule 51 of the Grant-in-Aid Code to be paid during 1908-1909, or when funds become available.

2. This institution, which was established in January 1902 was recognized as a High school containing only two forms, viz., the V and VI in January 1904 and was placed in the temporary section of the general school list. The school was located partly in a bungalow belonging to the President of the School Committee and in a shed constructed for the purpose—a defect which the management was required to rectify. In 1906 it was proposed to provide the school with a suitable building and an application for aid towards its cost was made by the management. As there was a Lower Secondary School in close connection with the High school the desirability of its amalgamation with the High School was suggested. The suggestion has been carried out and the plans and estimate now submitted are for the construction of a building for the use of the amalgamated school containing the fourth class and forms I to VI. The school is much in need of the proposed building inasmuch as the present accommodation has been found not only unsuitable but also inadequate.

3. The Lower Secondary School which has been amalgamated with the High school owns three blocks of buildings marked "A" "B" and "C" in the plan "X". Of these "A" is an old Government school building given to the management free of rent and "B" and "C" were constructed by the management, one without and the other with a grant from Provincial funds. The grant which was paid in 1894 on account of the said building, viz., block "C" amounted to Rs. 200. It is proposed to use block "A" — the Government building, as a part of a hostel to be established hereafter. The blocks "B" and "C", it is said, are to be sold to the Victoria Town Hall Committee, Periyakulam. The proposed sale of block "C" may be approved provided that the grant paid on account of it, viz., Rs. 200 is deducted from the grant which the Government may be pleased to sanction towards the cost of the proposed building.

4. The school is managed by a committee ; but the President, who is a zamindar and is reported by the Inspector to be an enlightened and well-to-do gentleman, seems to be mainly responsible for the upkeep of the school.

II

Note by the Chief Engineer, Public Works Department, dated 16th January 1908.

The estimate, amounting to Rs. 16,740 (as altered in this office), for constructing a Victoria Memorial High School at Periyakulam, Madura district, is recommended for sanction with the following remarks :—

The offsets below basement of main building should be 2' 4½" and 2' 10½" wide and those of the verandah retaining walls 1' 7½" and 2' 1½".

The front-portion of the building should follow Consulting Architect's design No. 65/07, a blue print of which is put up with the plans and estimate.

F. J. WILSON,
Chief Engineer, P.W.D.

Order—No. 71, Educational, dated 28th January 1908.

The Government are pleased to sanction a maximum grant of Rs. 5,493 towards the cost of constructing a building for the Victoria Memorial High School, Periyakulam, subject to the following conditions :—

(1) That in carrying out the work, the suggestions of the Chief Engineer in his note read above are adopted ;

(2) that the work is completed before the 31st of January 1909 ;

(3) that a certificate of the actual expenditure incurred on the work is submitted before the 30th of April 1909 ;

(4) that the amount expended on the work does not fall short of Rs. 16,480 as actually verified ;

(5) that all other conditions prescribed in the Grant-in-Aid Code have been duly complied with.

2. On the above conditions being fulfilled, the grant will be paid as funds become available.

3. The sale of the block of buildings marked "C" in the sketch submitted by the Director of Public Instruction is approved on the understanding that the grant of Rs. 200 paid on account of it, is deducted from the amount of grant now sanctioned.

NOTES CONNECTED WITH G.O., No. 71, EDUCATIONAL, DATED
28TH JANUARY 1908.

[SUBJECT.—*Building grant of Rs. 5,493 for the Victoria Memorial High School,
Periyakulam, Madura district.*]

From the Director of Public Instruction, dated 31st October 1907, No. 2068.

The Director of Public Instruction submits plans and estimates amounting to Rs. 16,480, for the construction of a building for the Victoria Memorial High School, Periyakulam, Madura district. The school is said to be much in need of the proposed building inasmuch as the present accommodation has been found not only unsuitable but also inadequate. The Director of Public Instruction recommends that a grant of Rs. 5,493, *i.e.*, one-third of the estimated cost, may be sanctioned under article 51 of the Grant-in-Aid Code. Dr. Bourne points out that a portion of the present school building, marked C in the plan was built with a grant of Rs. 200 from Provincial funds, that it is now proposed to sell this portion to the Victoria Town Hall Committee, Periyakulam, and that its sale may be approved on the condition that the grant paid on account of it, *viz.*, Rs. 200, is deducted from the grant which may now be sanctioned by Government.

2 It is submitted that before the question of grant is taken up the plans and estimates may be forwarded to the Public Works Department for scrutiny.
