GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers :—

I

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—the 21st September 1907.

No.—R.C. 8782 of 1906.

I have the honour to submit the accompanying plans and estimates (1) for improvements to the existing building of St. Thomas' Convent European Girls' School, San Thomé, Madras, and (2) for the construction of an additional room for the same, towards the cost of which a grant has been applied for. The original estimate for the former was Rs. 4,700 and for the latter Rs. 5,300, and these have been raised to Rs. 5,040 and Rs. 5,620 by the Executive Engineer, Presidency division, owing to certain alterations suggested by him and accepted by the management. I have satisfied myself that the improvements and additions are necessary. The school is a high school and receives a yearly grant of Rs. 1,810.

2. A grant of two-thirds of the estimated cost has been asked for under rule 57 of the Code of Regulations for European Schools. But Madras cannot be considered a place where a two-thirds grant should be sanctioned and therefore I recommend a half grant for each of the items, viz., Rs. 2,520 and Rs. 2,810, respectively. I have since ascertained that the management have the necessary funds to complete the buildings even if only half grants are sanctioned. Payment may be authorized on completion of the works and on the execution of a trust deed.

3. In this connection I beg to state that no limit has been placed in the Code of Regulations for European Schools to the amount of building grants to European schools sanctionable by the Director. As I am not sure whether it is the intention of Government to impose the same limit for European Schools as is imposed in the Grant-in-Aid Code in the case of other schools I submit the present application for sanction.

II

I have the honour to invite the attention of Government to this office letter R. C. No. 8782 of 1906, dated 21st September 1907, recommending building grants on behalf of St. Thomas' Convent European Girls' School, San Thomé, Madras, and to request the favour of early orders thereon.

From the Director of Public Instruction, dated 21st September 1907, No. 8782.

The authorities of the St. Thomas' Convent European Girls' school, San Thomé, Madras, propose—

(1) to effect certain improvements to the existing buildings at an estimated cost of Rs. 5,040; and

(2) to construct an additional room at an estimated cost of Rs. 5,620.

2. The Director of Public Instruction recommends a grant of one-half of the estimated cost or Rs. 5,330, under article 57 of the Code of Regulations for European Schools.

3. The Director of Public Instruction, in this connection, observes that no limit has been placed in the European Code as to the amount of grant to European schools sanctionable by him, and enquires whether the intention of Government is to impose the same limit for European schools as is imposed in the ordinary Grant-in-Aid Code.

4. In another case, which is now with the Public Works Department, a similar question was raised and the Secretary then noted that the limitation as regards the powers of the Director of Public Instruction in sanctioning grants should be held to be the same as in the ordinary Grant-in-Aid Code.
