No. 34 MOUNT ROAD,
Madras, 7th December 1907.

To

THE SECRETARY TO GOVERNMENT,
EDUCATIONAL DEPARTMENT.

Respected Sir,

1. I beg very respectfully to request that you will be so good as to place the following facts for the kind consideration of His Excellency the Governor in Council.

2. I was admitted to the Chemist and Druggist class attached to the Madras Medical College on the 4th July 1907. I attended the class up to the 26th October last, when I was told that under the orders of Government, just then received, I could not be permitted to continue and complete my course because I had not passed the Matriculation Examination. In obedience to the above order I left the college on the afternoon of the 26th October 1907.

3. From the above facts, the Government will observe, that at the time of my admission to the class and up to the date on which I was ordered to leave it, the rules which governed the admission of students to the Chemist and Druggist class were the old rules, which permitted the admission of non-matriculates like myself. If it were otherwise, I beg to submit, that my admission to the class and my continuance there for over four months could not have been possible. It is therefore clear that the order prohibiting the admission of non-matriculates came into operation only in October last, that is to say, four months after my admission to the class.

4. It is very hard that the provisions of the new rules should be brought to bear upon me—one whose profession in life is that of a Chemist and Druggist, one, who like the only student now in the class, was admitted under the old rules, and one who like the said student, is also a non-matriculate.

5. Unlike many of the students who had already received their diploma I own as many as four thriving Chemist shops in different parts of the Malabar District Viz., Cannanore, Tellicherry, Badagara, and Calicut, and what is more I have been brought up from my infancy to the profession of a

TR
AD
9/12

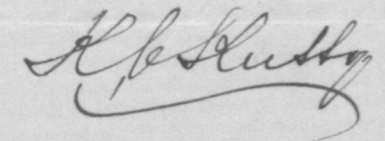

Chemist. I am anxious to complete my course of training so that I may become more useful to the public whose confidence and good will I have already won as a Chemist and Druggist.

6. Though I do not hold a Matriculation Certificate the standard of my knowledge of English I beg to submit, is in now way inferior to that of a Matriculate-a fact to which the Professors of the Medical College themselves will bear ample testimony. During my four months' course in the college to my knowledge there never was an occasion on which my knowledge of English was found wanting to follow the lectures of my Professors.

7. In these circumstances, and in consideration of the fact that I am already a Chemist and Druggist with some experience, I beg to request that my case may be placed before His Excellency's special consideration and favourable orders.

I beg to remain
Sir

Your most obedient
Subordinate,

N. B. Copies of this petition have been submitted also to the Director of Public Instruction and to the Surgeon General with the Government of Madras.

From (Name) The Hon'ble Mr. A.G. Bourne, D.Sc., F.R.S.,

(Designation) Director of Public Instruction,

M a d r a s.

To the Secretary to the Government of Madras,

Educational Department

Sir,

In returning herewith Endorsement No. 2940-1 Education al dated 11th December 1907, referring for my remarks petition from K.C. Kutty in regard to his admission into the Chemists and Druggists class of the Madras Medical College, I have the honour to state that the Principal, Medical College reports that the petitioner applied for admission into the class in June 1907 but was refused admission on the ground that he had not passed even the Lower Secondary Examination, though he had merely studied up to the fourth form. Three days after the commencement of the session in July the petitioner it is reported again requested the Principal that he might be admitted to the class tentatively pending the order of Government on the question of admission of non-matriculantes into the Chemists and Druggists department so that he might not lose his attendance in the event of favourable orders being passed by Government. As he was then the only

6 1
applicant, the Principal allowed him to attend the course as a strictly tentative measure. Thus the petitioner was fully aware of the fact that his continuance at college was contingent on the final decision of Government as regards the standard of the Educational qualifications for admission.

The fact of his conditional admission, it will be noted, has not been stated in the petition.

In paras 3 and 4 the petitioner claims to be treated under the old rules, but his case cannot fall under it, as he has not passed the Lower Secondary Examination nor can he be admitted under the present rule as he is not a Matriculate.

I have the honour to be,

Sir,

Your most obedient servant,

G. S. S. S. S.
For Director of Public Instruction.

[Memo. 2940-1 recd. 11-12-07].

[From the D.P. I. no. 8911 recd. 1st January 1908].

The D.P. I reports that the petitioner was allowed to attend the course in the Chemist and Druggist class of the medical college as a strictly tentative measure pending the final decision of Government as regards the educational qualifications for admission to the class and that he (the petitioner) was fully aware of it. The D.P. I further states that the petitioner's request that he might be treated under the old rules cannot be complied with as he has not passed the Lower Secondary examination; nor can he be treated under the present rule as he is not a matriculate.

2. A draft order on the lines of the D.P. I's remarks is submitted for approval.

ORDER.

Mis

No. 76, dated 29-1- 1908

The petitioner's statement that he was admitted to the Chemists and Druggists Class under the old rules is incorrect. The petitioner appears to have requested the Principal of the College to admit him to the class tentatively pending the orders of Govt. on the question of the admission of non-matriculantes into that class and under the orders recently passed by Govt. he is not ^{eligible for} ~~admitted for~~ admission. ^{for entry} His request that he ^{might} ~~may~~ be admitted into the class under the old rules ~~cannot also~~ be entertained as he has not passed the Lower Secondary examination.

To, The petitioner (Q of 2940)
