Rules for Indian Government scholars in England.

(As amended by the Secretary of State for India in Council, 25th November 1907.)

1. Every scholar shall, on reaching England, at once present himself at the India Office, and report his arrival in writing.
2. Every scholar shall, without any unnecessary delay, inform the Secretary of State to which University he intends to proceed, and shall at once take steps to enter himself at the college he has selected.
3. Every scholar shall, within four weeks of reaching England, submit for the approval of the Secretary of State a statement showing the general course of study he proposes to follow; and the course approved shall not be changed without the sanction of the Secretary of State.
4. Every scholar shall, at the end of each term of residence at a University, submit to the Secretary of State a certificate from the proper college or University authority, showing that his residence, conduct, and progress in study have been satisfactory during the term.
5. Every scholar shall at all times obey such instructions as he may receive from the Secretary of State.
6. Subject to a due compliance with the above conditions, the allowance, at the rate of 200% a year for three years, will be paid quarterly, in advance, by the India Office, commencing from the date of the scholar's reporting his arrival in England; but this allowance shall be reduced by the amount of any other sum which may become payable to him out of the revenues of India in respect of residence at a University during the same period or any part of it.
7. Every scholar will forfeit his scholarship who, not being disabled by illness or prevented by any other cause which the Secretary of State may consider sufficient, fails to complete a residence of three years in England according to the terms and conditions approved by the Secretary of State under rule 3, or who is guilty of misconduct or disregard of the orders of the Secretary of State. If a scholarship be forfeited, or if it be resigned before completion of its term, the scholar will lose his claim to a free return passage to India, and will further become liable, at the discretion of the Secretary of State, to refund the cost of his free passage to England.
8. The scholars will be under the special supervision and charge of the Political Aide-de-Camp to the Secretary of State, through whom the necessary orders will be given, and to whom all reports and other communications respecting them should be sent.
