The Secretary to Government  
 Local and Municipal Department  
 Madras

Sir,

I first beg to be pardoned for the liberty I am taking in occupying your most valuable time in laying my grievance before your charitable goodness not knowing better I had sent in a petition to H.E. the Governor and in reply I am directed to apply to you.

I beg to state that I have learned my work in the Engineering department from practice and experience and am a well qualified overseer or supervisor practically which fact will be seen from the enclosed copies of my testimonials - but as I have not learned from theory through the engineering college, I have failed to secure an appointment in the many applications I have made in the different departments. and am therefore left with my family unprotected and if this continues longer we shall simply die for the want of an employment to protect us from our starvation and support us in these famine days. I therefore most humbly beg that in consideration of my practical knowledge and the testimonials I hold as an engineering subordinate, that your graciousness will be charitably pleased to protect myself.

and family from the death of starvation  
which is fast approaching, by exempting  
me from the overseer's or at least sub-  
overseer's test and order an appointment  
to be given to me in the P.W. Department  
or in the municipality or any other  
department your goodness may be  
charitably pleased. There are some  
vacancies as municipal overseers at  
Cadolore, Nilgiris, & Tanjore municip-  
alities at present which I learn from  
the Madras mail and therefore beg  
that some appointment be bestowed  
on me to protect us from dying in  
these famine days this act of charity  
will always be remembered. I am  
30 years of age strong active and  
sober and very willing - begging to  
be favourably supported while  
I beg to remain  
Sir

Your most obedient servant  
J. D'Arcy. Andrews

# NOTES.

C.No.191, From Mr. J.D' Andrews, Trichinopoly, dated 27th January 1908.

Subject.

Requesting that he may be permanently exempted from passing the Sub-Overseer test or that he may be given some appointment.

-----

Mr. J. D' Andrews requests

(1) that he may be permanently exempted from the overseers' or at least the sub-overseers' test, and

(2) that an appointment may be given to him in the Public Works Department or in the Cuddalore Nilgiris or Tanjore Municipality where vacancies of overseers have been advertized for in the Fort St. George Gazette or in any other department.

2. As regards the first request, it is submitted, that exemptions from examination rules are not ordinarily granted except upon the special recommendation of the head of the public department who wishes to employ a person in respect of whom the exemption is sought.

3. As regards the second request, it does not appear that the Government interfere with the appointment of overseers in Municipalities. The appointment of overseers rests primarily with the Chairman of the Municipal Council concerned to whom the petitioner should apply. But ~~under~~ paragraph XII of the C. petition rules ~~which~~ says "

"As the Governor in Council never interferes with the distribution of subordinate appointments
