GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following papers:—

I

Letter—from the Hon'ble Mr. T. T. LOGAN, B.A., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 22nd May 1907.

No.—Ref. on Cur. 3531.

I have the honour to submit the enclosed plan with estimate amounting to Rs. 5,136 for the construction of additional accommodation for the hostel attached to the Canara High School, Mangalore, and to recommend that a grant of Rs. 1,712 may be sanctioned under rule 51 of the Grant-in-Aid Code.

2. The present building which was constructed with the help of a grant of Rs. 2,818 sanctioned in G.O., No. 364, Educational, dated 31st July 1903, is meant to accommodate only 31 boarders. But ever since the hostel was opened more than the said number had to be admitted owing to the prevalence of plague in Mangalore. At present, the strength is 45. Of these 14 board in the hostel, but are provided with sleeping and reading accommodation in the school rooms adjoining the hostel. Applications for complete hostel accommodation had to be refused for want of sufficient place. As the town is not yet free from plague and as it is not desirable to allow students from out-stations to live in the so-called hotels which are for the most part situated in congested parts of the town the proposed extension has been found absolutely necessary.

3. The extension will take the form of an upper storey similar in design to the ground floor for building which a grant has already been sanctioned.

4. Out of the allotment for building grant in the current year's budget payment of Rs. 600 has been authorized up to date, and grants to the amount of Rs. 69,105 have been promised this year or in previous years and are likely to be paid this year.

II

Memorandum No. 1404-D., dated 26th September 1907.

The estimate for constructing an upper storey in the hostel attached to the High School at Mangalore has been received without a report, or any information regarding the nature of the soil and sub-soil.

The Superintending Engineer is requested to report on this matter at an early date and to state whether the foundations of the existing building will bear the entire weight imposed upon them by the proposed additions.

Letter—from J. S. WILSON, Esq., Executive Engineer, West Coast Division.

To—the Superintending Engineer, IV Circle.

Dated—the 30th November 1907.

No.—873-S.E.

With reference to your No. 662-W.C., dated 30th September 1907, I have the honour to state that the surface and sub-soils are as per details noted below examined by me and as reported by Sub-divisional officer in his No. 1892, dated 23rd October 1907:—

Pit A (*vide* plan)—surface soil gravel.

Do. sub-soil soft laterite.

Pit B— surface soil gravel.

Do. sub-soil hard gravel.

2. The rates for certain items have to be altered as under—

and also the charges for wooden stair case and contingencies with supervision should be altered to Rs. 150 and Rs. 340 respectively from Rs. 20 and Rs. 466.

In the former case, however, if a mere ladder is intended the original item may stand.

I would suggest substitution of a wall with a doorway in the middle for an arch in the main hall as per separate sheet herein enclosed.

The arch is a light one of laterite and the headmaster informed me that he did not require 2 halls. The hall in the upper storey will be sufficient.

No. 891 W., dated 10th December 1907.

Copy forwarded to the Chief Engineer, Public Works Department, with reference to his No. 1404-D. of 26th September 1907. The weight per square foot will be $\frac{1}{2}$ ton and the soil will stand this.

H. H. O'CONNELL,
Superintending Engineer, IV Circle.

Note by the Chief Engineer, Public Works Department, No. 43-T, dated 4th February 1908.

The estimate amounting to Rs. 5,458 for constructing an upper storey to the hostel attached to the Canara High school at Mangalore, is recommended for sanction. The standard scantlings as entered in the corrected estimate should be adopted.

The proposal to block up one of the arch ways and provide a batten door is approved.

F. J. WILSON,
Chief Engineer.

Order—No. 124, Educational, dated 18th February 1908.

The Government are pleased to sanction a maximum grant of Rs. 1,800 towards the cost of constructing an upper storey to the hostel attached to the Canara High School, Mangalore, subject to the following conditions:—

(1) that in carrying out the work the suggestions of the Chief Engineer in his note read above are adopted;

(2) that the work is completed before the 31st of January 1909;

(3) that a certificate of the actual expenditure incurred on the work is submitted before the 30th of April 1909;

(4) that the amount expended on the work does not fall short of Rs. 5,458, as actually verified;

(5) that all other conditions prescribed in the Grant-in-Aid Code have been duly complied with.

2. On the above conditions being fulfilled the grant will be paid as funds become available.

NOTES CONNECTED WITH G.O., No. 124, EDUCATIONAL,
DATED 18TH FEBRUARY 1908.

[SUBJECT.—Building grant for the additional accommodation required for the hostel attached to the Canara School, Mangalore.]

From the Director of Public Instruction, dated 22nd May 1907, No. 3531.

The hostel attached to the Canara High School, Mangalore, was constructed with the help of a grant of Rs. 2,839 from Government—please see G.O., No. 364, Educational, dated 31st July 1903. It is now proposed to extend this building by raising an upper storey similar in design to the ground floor. The Director of Public Instruction reports that the extension is found absolutely necessary inasmuch as the town is not yet free from plague and it is not desirable to allow students coming from out-stations to live in the so-called *hotels* which are for the most part situated in congested parts of the town. He therefore recommends, under article 51 of the Grant-in-Aid Code, a third grant of Rs. 1,712.

2. It is submitted that the plan and estimate may, in the first instance, be forwarded u.o. to the Public Works Department for scrutiny. The question of the grant may be considered on receipt of the file back from that Department.
