ENCLOSURES.

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—Madras, the 21st November 1907.

No.—Ref. on Cur. No. 864.

I have the honour to submit herewith a proposition statement on behalf of the Government Muhammadan Elementary schools in the city of Madras providing in it for the revised scale of salaries suggested in G.O. No. 605, Educational, dated 16th September 1907. This scale seems suitable enough and may be introduced with effect from 1st January 1908. The headmaster of the school at Mylapore now draws Rs. 16. He will be transferred as headmaster of the school at Che-pauk on Rs. 15 and the difference of one rupee between his present pay and the pay that he will draw may be sanctioned as personal allowance. The proposition statement does not include the schools at Shakro's garden and Batheri as these have been closed—please see paragraph 2 of Mr. Logan's letter No. 864, dated 22nd April 1907, read in the Government Order under reply. The Inspector proposes the opening of a new school out of the money that is thus saved. This proposal is being separately considered, and I shall address Government later on, if necessary.

* Exclusive of capitation allowance to all the teachers in all classes of schools subject to the restriction laid down in the last sentence of paragraph 1 of rule 83 of the Madras Educational rules.

Letter—from the Hon'ble Mr. A. G. BOVEN, D.Sc., F.R.S., Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—the 21st November 1907.

No.—Ref. on Cur. No. 5382.

With reference to paragraph 2 of Mr. Logan's letter, Ref. on Cur. No. 864, dated 22nd April 1907, read in G.O., No. 605, Educational, dated 16th September 1907, I have the honour to report that the Government Muhammadan Salary Result schools at Batteri and Shakro's garden were closed for want of sufficient attendance, the former on 16th February 1907 and the latter on 1st September 1907. The strength of the school at Purnabagh having risen to 50 the single teacher sanctioned for it was unable to manage it and the Inspector accordingly instructed the assistant master on Re. 6 attached to the school at Shakro's garden to work in the Purnabagh school with effect from 1st September 1907. This is a strictly temporary arrangement which will last only until such time as the scheme relating to the reorganization of these Muhammadan schools is given effect to.

Letter—from the Accountant-General, Madras.

To—the Director of Public Instruction.

Dated—the 2nd December 1907.

No.—P. A. 683/11356.

In returning herewith your letters noted in the margin and the proposition statements received therewith, I have the honour to point out that a peon on Rs. 4 and a scavenger on As. 8 attached to the Mylapore school have not been shown in the proposition statement appended to the first of the letters referred to above and that no provision has been made in the statement appended to the second for the entertainment of a temporary teacher for the school at Purnabagh from 1st September 1907 in accordance with the proposal made in the letter. If the peon and the scavenger are to be paid out of contingencies it is desirable to state it clearly and also to make the necessary note in the proposition statement regarding the reduction. I have also to point out that the statement attached to letter No. 5382 does not show the strength for each school separately as has been done in the other statement. As the staff of each of Muhammadan schools is treated as a distinct establishment, I have the honour to request that one revised proposition statement may be prepared and forwarded showing the establishments in the details of schools and embodying all the changes proposed.

Letter—from the Director of Public Instruction, Madras.

To—the Accountant-General.

Dated—the 10th January 1908.

No.—864.

With reference to your letter No. P. A. 683/11356, dated 3rd December 1907, I have the honour to retransmit my letters Ref. on Cur. No. 864, dated 21st November 1907, and Ref. on Cur. No. 5382, dated 21st November 1907, with a revised proposition statement in duplicate in lieu of the one that accompanied the first of the two letters. The omission of the posts of a peon and a scavenger in the school at Mylapore was due to a misapprehension on the part of the Inspector. As, however, it is reported that the scavenger was entertained in June 1898 and is a part-time servant his post has been eliminated from the proposed scale in the revised proposition statement and his pay will be ordered to be met from contingencies.

2. In the second of the two letters referred to above, I said that the arrangement relating to the entertainment of an additional teacher in the Purnabagh school was a temporary one which would last only till such time as the scheme relating to reorganization of Muhammadan salary results schools was brought into force. This does not imply, as supposed by you, that I proposed the appointment of a temporary teacher. The proposed additional teacher being already in Government service cannot be appointed to a temporary post, nor is there any necessity to revise this proposition statement so as to show the scale of establishment for each school separately, as the arrangement merely follows the grouping adopted in the proposition statement sanctioned in G.O., No. 119 R., Financial, dated 22nd April 1904.

Order—No. 129, Educational, dated 20th February 1908.

The proposition statement submitted by the Director of Public Instruction with his letter R.O.C., No. 864, dated 21st November 1907, for the reorganization of the Government Muhammadan Schools in the City of Madras is sanctioned with effect from 1st January 1908.

2. The Government also approve of the temporary transfer, to the Purnabagh school, of the assistant master on Rs. 6 attached to the school at Shakro's garden from 1st September to 31st December 1907, and of the closure of the schools at Shakro's garden and Batteri from 1st September and 16th February 1907, respectively.

NOTES CONNECTED WITH G.O., No. 129, EDUCATIONAL,
DATED 20TH FEBRUARY 1908.

[*SUBJECT.—Submitting a proposition statement for the revision of establishments of the Muhammadan Salarj Results Schools in the City of Madras.*]

From the Accountant-General, dated 27th January 1908, No. P.A. 796/13573.

In G.O., No. 605, Educational, dated 16th September 1907, the Government stated that the number of teachers in the Muhammadan elementary schools in the City of Madras and the scale of their salaries should be revised with reference to actual requirements, in accordance with rules 81 and 82 of the Madras Educational *

* 1906 edition.

rules. The minimum pay of a teacher was, however, fixed at Rs. 10 per

mensem instead of Rs. 8 provided in the Educational rules (rule 82); and the Director of Public Instruction was requested to submit a proposition statement for the revision of the establishment on the lines indicated.

2. The Director of Public Instruction now submits a proposition statement through the Accountant-General. The scale of teachers and salaries given in the annexure to G.O., No. 605, Educational, dated 16th September 1907, has been adopted in the proposition statement, but the schools at Shakro's Garden and Bettari have been omitted as they have been closed for want of sufficient attendance on 1st September 1907 and 16th February 1907, respectively. Dr. Bourne points out that as the headmaster of the Mylapore school is now drawing Rs. 16 per mensem, it is proposed to transfer him to Chepauk school the headmaster of which institution alone gets the highest salary (Rs. 15) according to the revised scale, and to pay him a personal

allowance of Re. 1 per mensem. In other respects the proposition statement is in

accordance with the scale laid down in the annexure to G.O., No. 605, Educational, dated 16th September 1907, and may, it is submitted, be sanctioned with effect from 1st January 1908.

3. The strength of the school at Purnabagh having risen to 50, the single teacher sanctioned for it was unable to manage it. The Inspector accordingly instructed the assistant master on Rs. 6 attached to the school at Shakro's Garden to work in the Purnabagh school with effect from 1st September 1907. The Director of Public Instruction states that "this is a strictly temporary arrangement which will last only "until such time as the scheme relating to the reorganization of the Muhammadan "schools is given effect to" and submits a proposition statement which embodies the alterations consequent on the temporary transfer of the assistant master to the Purnabagh school and also on the abolition of the schools at Shakro's Garden and Bettari. Submitted that this also may be sanctioned from 1st September 1907 to

With reference to paragraph 2 of Mr. Logan's letter Ref on Cur No. 864/07 dated 22nd April 1907 read in G.O. No. 605 Educational, dated 16th September 1907, I have the honour to report that the Government Muhammadan S.R. schools at Batheri and Shakro's garden were closed for want of sufficient attendance, the former on 16th February 1907 and the latter on 1st September 1907. The strength of the school at Purnabagh having risen to 50 the single teacher sanctioned for it was unable to manage it and the Inspector accordingly instructed the assistant master on Rs 6 attached to the school at Shakro's garden to work in the Purnabagh school with effect from 1st September 1907. This is a strictly temporary arrangement which will last only until such time as the scheme relating to the re-organization of these Muhammadan schools is given effect to.

Letter from the Accountant General, Madras
No. P.A. 683 dated 2^d December 1907 to the
11
Secretary of Public Instruction Madras.

In returning herewith your letter noted in the
N^o 864/2-11-07
+ 5382/22-11-07 margin and the proposition statements received thereunto,

I have the honour to point out that a person Boly
and a Scavenger on Rs 8-0-0 attached to the Mysore
School have not been shown in the proposition state-
ment appended to the first of the letters referred to
above and that no provision has been made in the
statement appended to the second for the maintenance
of a temporary teacher for the School at Purnalagh
from 1st September 1907 in accordance with the proposal made
in the letter. If the person and the Scavenger are to be
paid out of Contingencies it is desirable to state it
clearly and also to make the necessary note in the
proposition statement regarding the reduction. I have also
to point out that the statement attached to letter No. 5382
does not show the strength for each school separately
as has been done in the other statement. As the staff of
each of Muhammadan Schools is treated as a distinct
establishment, I have the honour to request that one revised
proposition statement may be prepared and forwarded
showing the establishment in distinct details of schools
and

and embodying all the changes proposed.

Letter from the Director of Public Instruction, Madras
No. 864 dated 10th January 1908 to the Government General,
Madras.

With reference to your letter No. O. S. 684/11358 of
3rd Dec. 07, I have the honour to retransmit my letter
Ref. on Gov. No. 864/07 dated 21st November 1907 and
Ref. on Gov. No. 5382/07 dated 21st November 1907 with
a revised proposition statement in duplicate in lieu of
the one that accompanied the first of the two
letters. The omission of the post of a peon and a
Scavenger in the School at Mailapur was due to a
misapprehension on the part of the Inspector. As, however,
it is reported that the scavenger was entertained in
June 1898 and is a part-time servant his post has
been eliminated from the proposed scale in the revised
proposition statement and his pay will be ordered to be
met from contingencies.

2. In the second of the two letters referred to above
I said that the arrangement relating to the entertain-
ment of an additional teacher in the Purnabagh
School was a temporary one which would last only
till such time as the scheme relating to re-organization
of Muhammadan Salary Schools was brought
into force. This does not imply, as supposed by you,
that and I proposed the appointment of a temporary teacher.

The

The proposed additional teacher being already in Govt-
Service cannot be appointed to a temporary post,
nor is there any necessity to revise the proposition
statement so as to show the scale of establishment
for each school separately, as the arrangement merely
follows the grouping adopted in the proposition
statement sanctioned in G.O. No. 119 R. Financial
dated 22nd April 1904.

C.No.203, from the Accountant General, No.P.A.796/13573, dated 27-1-1908.

Subject.

Submitting a proposition statement for the revision of establishments of the Muhammadan Salary Results Schools in the City of Madras.

G.

In G.O. No.605, Educational, dated 16th September 1907, the Government stated that the number of teachers in the Muhammadan elementary schools in the City of Madras and the scale of their salaries should be revised with reference to actual requirements, in accordance with rules 81 and 82 of the Madras Educational rules. The minimum pay of a teacher was, however, fixed at Rs.10 per mensem instead of Rs.8 provided in the Educational Rules (Rule 82), and the Director of Public Instruction was requested to submit a proposition statement for the revision of the establishment on the lines indicated.

2. The Director of Public Instruction now submits a proposition statement through the Accountant-General. The scale of teachers and salaries given in the annexure to G.O. No.605 Educational, dated 16th September 1907, has been adopted in the proposition statement, but the schools at Shakro's Garden and Bettari have been omitted as they have been closed for want of sufficient

sufficient attendance on 1st September 1907 and 16th February 1907, respectively. Dr. Bourne points out that as the headmaster of the Mylapur school is now drawing Rs.16 per mensem, it is proposed to transfer him to Chepauk school the headmaster of which institution alone gets the highest salary (Rs.15) according to the revised scale, and to pay him a personal allowance of Re.1. per mensem. In other respects the proposition statement is in accordance with the scale laid down in the annexure to G.O. No.605 Educational, dated 16th September 1907 and may, it is submitted, be sanctioned with effect from 1st January 1908.

3. The strength of the school at Purnabagh having risen to 50, the single teacher sanctioned for it was unable to manage it. The Inspector accordingly instructed the Assistant master on Rs.6 attached to the school at Shakro's Garden to work in the Purnabagh School with effect from 1st September 1907. The Director of Public Instruction states that "this is a strictly temporary arrangement which will last only until such time as the scheme relating to the reorganization of the Muhammdan schools is given effect to" and submits a proposition statement which embodies the alterations consequent on the temporary transfer of the assistant master to the Purnabagh school and also on the abolition of the schools at Shakro's Garden and Bettari. Submitted that this also may be sanctioned from
