From (Name) The Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S.

(Designation) Director of Public Instruction

To The Secretary to the Government of Madras,
Educational Department.

Sir,

Under Rule 60 of the Grant-in-Aid Code I have the honour to submit for the sanction of Government an application for a grant of Rs 782/- towards the cost of library books required for St. Joseph's College, Trichinopoly. A list of books proposed to be purchased also accompanies the application. It includes a copy of "Catholic Encyclopaedia /No. 311 in the list/ an American publication in 15 volumes priced Rs 225/-. It is stated in the prospectus that the book is designed "to meet the needs of all classes of readers and students, not only of Catholics but also of non-Catholics and especially of those whose profession or interest obliges them to have an accurate knowledge of the nature, history or aims of the Catholic Church" and that it is proposed to present therein in concise form "authentic statements of the doctrine and

discipline of the church, historical facts, correct accounts of individuals, equitable judgments on events, situations and controversies." The book has not yet been published; the first volume is expected to issue at the end of the current year and the remaining volumes within the next five years. The price quoted is the concession rate allowed to those ordering copies in advance. I have no further information about it than the description of its aims quoted above from the prospectus, and I have some doubt as to whether it is advisable to give a grant towards its cost. But Father Sewell contends that it is not a mere pious or religious work but a reliable source of reference on subjects of general interest relating to a great public body and that it is a work for the purchase of which aid may fairly be given from public funds. In other respects, the list seems unobjectionable.

2. The grant, if sanctioned, can be paid out of the current year's allotment for grants for furniture, apparatus and other special objects of which there is a balance of Rs 13,397/-.

3. It is requested that the enclosures may be returned when done with.

I have the honour to be,

Sir,

Your most obedient servant,

A. P. S. S. S. S.

NOTES.

C. No. 1010 From the D. P. J. No. 4048, dated 16-6-1906.

SUBJECT.

Purchase of library books for the
St. Joseph's College, Trichinopoly

The D. P. J. submits an application from the manager of the St. Joseph's College, Trichinopoly for a grant, ^{of Rs 782} towards the cost of library books proposed to be purchased for the College. The manager states that the present library, needs much strengthening, all round. The total cost of the books in the list appended to the application, comes to Rs 1565-3-
The list includes a copy of the "Catholic Encyclopedia" (no. 311 in the list), an American publication in 15 Vols, priced Rs 225, which the manager holds to be not a mere pious or religious work, but a reliable book of reference on subjects of general interest relating to a great public body. The D. P. J. has some doubts as to the advisability of giving a grant towards its cost.

2. Under ^{(article} 57 of the grant-in-Aid Code grants not exceeding one half of the total cost may be given for the purchase

Of books for School libraries. Under
C rule 60, grants exceeding Rs 200 are
sanctioned by Govt. If the cost
of the "Catholic Encyclopedia" is
included, the total cost comes to
Rs 1,340-3-0. ^{for consideration whether the} ~~submitted that a~~
~~grant of Rs 782 applied for may be sanctioned only a~~
~~half grant of Rs 670~~ ^{see}
~~on the basis of including the Catholic Encyclopedia.~~
~~sanctioned~~ The O.P. states that
there is a balance of Rs 13,397 out
of the current year's allotment for
grants for 'Furniture, Apparatus & other
special objects', from which ^{a grant} ~~can be~~
met.

I would exclude such a
book as the 'Catholic Encyclopedia'
which from its description given by
the O.P. seems to be an exposition
of the tenets of the R.C. Creed. It is not
a book for a general school.

A maximum grant of Rs 670, or half the
cost, whichever is less, may be
granted for the books including
the "Catholic Encyclopedia"

But the amount of trash mixed with good books is extraordinary. They seem to have taken publishers' lists & copied them, without any reference to in many cases to whether the book is accepted as a standard treatise or not.

Have we given grants for wholesale libraries on other occasions: & have we given grants for rotten novels ^{or for mere} or for mere crum books — or for ordinary class books — or for sectarian theology?

8.7.26

The lists received with applications for grants towards the purchase of books for libraries are returned to the D.P. — but a grant not exceeding Rs 500 was sanctioned in 80 no 446 Vol of 23rd June 1906 for the purchase of books for the Christian College library. It was proposed to purchase a large number of books in this case. May the D.P. be asked

Except in glaring cases of immorality or in cases when a book is obviously objectionable it is not the practice to interfere with the discretion of the Manager.

It might be desirable to direct a Manager to revise his list upon certain general lines but it would be invidious except in special cases to exclude any particular work.

This library is used by Colleges and School - the two having about 1500 on the rolls.

Heb. 9 to us answers the specific query of the Hon. Member as to whether in fact grants have in the past been given

 grants have been given.

In connection with an application for a grant of
 Rs 782 towards the cost of purchasing Library books required
 for St Joseph's College, Trichinopoly, the Director observed that
 the list of books proposed to be purchased included a copy of
 "Catholic Encyclopedia" priced at Rs 225 ^{(Quoting a grant towards} about the purchase of
 which he had some doubts as it seemed to be a sectarian work.

2. The list also contained the names of 312 other works
 about which the Hon. observed "the amount of trash mixed up
 with good books is extraordinary". The Hon. therefore desired
 to know,

no 311 on page 124 of current.

- (1) whether grants have been given for wholesale libraries on other occasions.
- (2) whether grants have been given for rotten novels which are not literature - E.g. Conan Doyle's (no 35) - Clark Russell (no 46), Wm. Hugh Bell's (no 47) & Cooper's (nos 23-26) -
- (3) or for mere cream books
- (4) or for ordinary class books.
- (5) or for sectarian theology.

3. The Director was asked to report on the points but he replied ^(generally) that except in cases glaring cases of unsuitability or in cases where a book is obviously objectionable it is not the practice to interfere with the discretion of managers.

The Director also observed that the books were for a library used by a College & School having altogether about 1500 pupils on the rolls.

Pages 18-46

4. Some details on which grants were paid on previous occasions ^{during 1905-1906} have now been obtained. From these lists it will be seen that

- E. (1) Insp. no 343 let dt 28th May 1905 a grant of Rs 250 was sanctioned for towards the purchase of 150 books for the library of the Noble College.
- F (2) Insp. no 496 let dt 19th July 1905 a grant of Rs 407 was sanctioned towards the purchase of 123 books for the Christian College.
- C. (3) Insp. no 534 let dt 7th August 1905 a grant of about Rs 50 was sanctioned for the purchase of 51 books for the Presentation Convent College - Vepery.

(5) Sub. No 446 of dt 23rd June 1906 a grant not exceeding
Rs 500 was sanctioned for the purchase of 110 books for
the Madras Christian College.

5. From the list in item (2) seven books was disallowed -
In other respects the books selected by the managers
concerned were accepted.

25/7/06

It does not seem justifiable to give a Govt.
grant for a collection of books like this.
The state makes it my knowledge attempts
to play the part of Mr. Carnegie. I
have marked provisionally a few pencil
a number of books which may be
omitted. Among novels there seem
a clear distinction between the works of
authors like Tolstoy, Dostoevsky, Turgenev,
& Disraeli, which are literary & those
of the other authors referred to.

It is fitable to note that only two
books are wanted under the head of
Poetry.

The list of books under Philosophy is very
ill-balanced. What has 'Crystal Gazing'
to do with philosophy? Curiously for a
Catholic college, they appear to want

recent work of American authors. But it is
 very doubtful, if their library possesses the
 standard works of Greek, English or German
 philosophy which should form a basis. There
 is absolutely no principle of selection.
 Submitted that if books are to be bought under
 the head of Philosophy, Science etc. some guidance
 of a central authority is required. In general
 literature, the distinction between what is
 literature & what not, is fairly determined.

- 1 The lists bearing on previous library grants were returned in each case to the D.P.G. and are not on record.
- 2 £90 49s 8d 19.7.05 certain books ~~included~~ of the Xian College were disallowed on the ground that they were not purely secular.
- 3 The list at present submitted certainly appears to require revision. Special notes are required as to the Catholic Encyclopedia - R225. Father Lowell, whose opinion is entitled to respect, considers that it is not a mere pious or religious work.
