The Memorial of M. Baha-ud-din
Bijapuri, Taluk Head Accountant,
Anantapur Taluk and District,

Most Respectfully sheweth:-

That the memorialist has put in a service of
16 years.

2. That he has passed the required Tests and is eligible for the post of Tahsildar as per Public Service Notification. But the P. S. O., 138 para 1 (iii) stands in the way of his being appointed a Sub Magistrate or Tahsildar for it requires that the candidate for the -- appointment of Dy. Tahsildar or Sub Magistrate should have passed either of the two Highers, I.E., Revenue Higher or Criminal Higher. According to the Public service Notification, the Memorialist, being a Matriculate, is barred from appearing for either of the Tests in Higher Grade.

3. That the Memorialist represented to Government his pitiable and afflicted circumstances and sought the favour of Government to permit him to appear for the Examination in the Revenue Test Higher Grade, and his prayer was

was so graciously ~~considered~~ and generously granted by the benign Government that he appeared for the Examination in the years 1904 and 1905. Please Vide G. O. No. 513 dated 17th October 1903. Owing to adverse circumstances and serious domestic calamities, the Memorialist could not devote sufficient attention and energy to prepare for the Examination to ensure his success, and he unfortunately failed in the Examination.

4. That the memorialist humbly represented in his Memorial dated 2nd June 1906 all the unfavourable circumstances that brought about the failure and prayed that the Government might be pleased to extend the favour -- granted in the above Government Order dated 17th October 1903 for another year, but unluckily the prayer was not granted.

5. That the Memorialist was

1. Revenue Inspector for more than $4\frac{1}{2}$ yrs;
2. Taluk Head Accountant for 3 yrs;
3. Taluk Sheristadar for about 9 months;
4. Ag Huzur Treasurer in the Collector's office on Rs. 125 for 14 months;

5. Ag Dy Tehsildar and Sub Magistrate for 7 months

and in all these grades he has acquitted himself creditably as will be borne out by the testimony of the officers under whom he worked.

6. The memorialist begs respectfully to solicit permission to mention here the circumstances under which he was appointed Ag Huzur Treasurer and those that led to his discontinuance of this appointment. When the permanent Treasurer was granted furlough for 1 year in the year 1902, some of the Sub Magistrates and Taluk Sheristadars of the District who were asked to take up the Acting appointment were unwilling to accept it, as they were probably afraid

afraid of losing much by way of interest on Rs. 5000- the amount of security required of the Treasurer- and gaining little by the acceptance of the appointment as only one-fifth of the pay of the appointment could be given to the acting incumbent as acting allowance. The memorialist took up the appointment at a great loss for himself as hopes were held ~~xxxx~~ out to him of eventual confirmation or at least some substantial promotion in the arrangement. When the permanent Treasurer was retired from service, the memorialist was neither confirmed in his acting appointment nor given any promotion as promised, owing apparently to the change in the personnel of the District administration, notwithstanding that he worked hard and willingly to satisfaction. (Please vide remarks of two Treasury Dy Collectors and one Assistant Collector who were in charge of the Treasury during the period) A, B, C, D. (Enclosure).

Page 7-8 (b)

7. That the memorialist was appointed as Ag. Dy. Tahsildar on 27-11-06 and continued to hold the appointment till 27-6-07 i.e., for about 7 months. The appointment was given on the certificate of the Collector referred to in B. S. O. No. 138 para 1 (1d) that is to say, the Collector as the Head of the District and consequently best fitted to form an idea of the merits of the memorialist, considered that by his appointment the efficiency of the administration would be materially advanced but unfortunately for the memorialist owing to a remark made by the Board that he should not be allowed to hold the appointment long, as he has not passed one of the Highers, the memorialist had to revert to his permanent post of Taluk Head Accountant. It will be significant to mention here that the Memorialist's name was not included in the yearly list of persons recommended for the post of Dy. Tahsildar or Sub Magistrate prior to 1902, in the list for 1903, his name was included in

in 1904-05 apparently omitted and again in 1906 the memorialist was recommended. The Board approved of his nomination in 1903, but in 1906 the remark referred to above was made. Mr. MacIver who took charge of the District in May 1906 watched closely the work of the memorialist for 6 months and considering that he (memorialist) deserved promotion and encouragement specially recommended him again and the certificate was granted in recognition of the merits of the memorialist. It may not be out of place to mention here that the memorialist discharged the onerous and responsible duties of Dy. Tahsildar and Sub Magistrate very satisfactorily and without any complaint.

8. The memorialist most humbly and respectfully prays that the gracious Government would be pleased to take into consideration the following facts:-

1. that he has put in more than 16 years' service of which more than 8 years in the grades of Revenue Inspector, Taluk Head Accountant, Sheristadar or Ag Treasurer;
2. that he only very recently acted as Dy. Tahsildar and Sub Magistrate for 7 months and did honest and faultless work;
3. that he while acting as Treasurer had to sustain a heavy loss in the hope of getting some material encouragement but was disappointed;
4. that he was recommended for the grace of Government by Collectors, Messrs. Mahammad Aziz-ud-din Hussain Sahib Khan Bahadur and Mac Iver;
5. that he belongs to a respectable Muhammadan family;
6. that the character of the memorialist has all along been good and he was doing his work in all grades honestly and devoutly;
7. that he is one of the two Muhammadan officers

5. 6/ 7
in the District of and above the grade of Taluk Head Accountant, out of the muhammadian population of 58,917 people in the District and none above Rs. 60;

8. that there are ~~39~~ appointments of and above the grade of Rs. 50 of which 18 are held by Matriculates;

9 that the policy of the Government has been for the advancement of backward communities and sympathetic references have been made by Government with regard to Muhammadans,

and favour the memorialist with permission to appear for the Revenue Test Higher Grade to be held in October 1908.

Copies of testimonials relating to the past 15 years, the copy of memorials submitted in 1906 are enclosed for favour of perusal.

For the gracious and charitable act of favour the memorialist seeks at the generous hands of Government, he will, with undying gratitude, feel ever thankful and will ever pray.

I believe that the applicant would do the work of a Treasurer satisfactorily enough. I have noticed him to be particularly careful in handling cash etc., in the Treasury and would therefore recommend his appointment to the place permanently in the absence of qualified men on higher pay. If for some reason he cannot be made a permanent Treasurer I recommend for favourable consideration of the question of giving him a permanent promotion in the arrangement for filling up the present existing vacancy.

The present Treasurer has been doing the duties of that appointment at practically less than half the pay of the appointment mainly because he expected to be confirmed in the appointment or at least to

Memorial Submitted in June 1906. 9

His Excellency the Honorable

Sir Arthur Lawley, K.C.M.G.,

Governor in Council, Madras,

M A D R A S .

May it please Your Excellency!

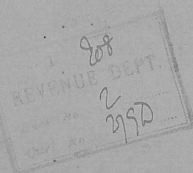

The humble memorial of M. Baha-ud-din Bijapuri, Head Accountant Gooty Taluk Office, Anantapur District.

2. Your Excellency's most humble memorialist is a native of Anantapur District which is well known for its poverty in Education. The humble memorialist amidst many difficulties managed to pass the Matriculation Examination in 1888 as a private candidate. The loss of his supporters stood in the way of his prosecuting his studies further.

3. The humble memorialist has put in 15 years Government service, of which 8 years in the qualifying grades

selection of candidates for the post of Tahsildars or Deputy Tahsildars from among those who have passed at least one of the two higher grades viz., Revenue Test, Higher grade and the Criminal Judicial Test Higher grade.

4. The memorialist humbly submitted to Government a memorial in the year 1903, and Government considering his hard case were pleased to permit him in their order No. 513 dated 17th October 1903, to appear for the Examination in Revenue Test Higher grade, held in the years 1904 and 1905

5. To his misfortune the memorialist had to labour under a serious disadvantage entailing unbearable mental anxiety and physical pain during the years 1904-05. His dearest and nearest, his poor old mother lay in death bed and after a protracted illness of months together when her sufferings were almost beyond the possibility of human conception, succumbed after all. To add to the already existing misery his wife and daughter both also fell seriously ill almost at the same time and the memorialist had to look after a dying mother and do the nesarul to the bed-ridden wife and daughter. The memorialist most respectfully submits that the strain on his health was so great that he too was of poor health owing to more mental cares than to physical trouble. The saying that misfortune never comes single" held good in its entirety in the case of the unhappy memorialist who most respectfully begs to submit that he could not therefore devote sufficient time and energy to prepare properly for the Examination.

6. The memorialist most humbly and respectfully prays that your Excellency will be graciously pleased to take into consideration the wretched and miserable circumstances submitted above and as an act of supreme mercy and charity, extend the concession granted in G. O. No. 513 dated 17th

October 03,

3. 11

For which act of kindness, Your Excellency's
humble memorialist will as in duty bound ever pray.

The Collector having himself carefully watched the work of this young, intelligent and well-conducted muhammadan officer has granted him a temporary promotion which is reported to end very soon. His name has been noted for a permanent promotion in consideration of the very satisfactory testimony of his good work invariably borne by the officers under whom he has been placed to work. 2. I have already given testimony
to the petitioners twice, and I
still hold the same opinion about
him.

3. Now that Government is trying
to push up backward classes with
a view to have each community
proportionately represented in the
various branches of the public
service, a statement is enclosed
showing the classes to which the
existing incumbents in the Revenue
Establishment of the District belong
and the grades of appointments held
by them as compared with their
total population. The Mahomedans
are few in the higher grade & the
petitioners deserve encouragement.
