Sir,

I have the honour to request that sanction may be accorded for the transfer of the Dynamo and Motor which are in the College Workshops to the Director of Industrial and Technical Enquiries at their estimated present value of Rs. 900/-.

2. As it has not been found possible to run the machines properly with either the gas or oil engines which are in the College Workshops, I consider that they may, with advantage, be transferred to the above officer. A more suitable plant can be procured for the sum available by the transfer of the machines.

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction

To—the Secretary to Government, Educational Department.

Dated—the 4th February 1908.

No.—Ref. on Cur. No. 2248/07.

With reference to paragraph 2 of G.O., No. 810, Educational, dated 3rd December 1907, in which it is stated that the question of a grant from the special allotment made in aid of University education to certain colleges will be deferred for further consideration, I have the honour to submit the enclosed copy of letter, dated 29th January 1908, received from the Secretary to the Board of Management of the Zamorin's College, Calicut, and to recommend that, in the circumstances explained therein, sanction of Government to the payment of the grant of Rs. 7,000 to this college as recommended in my letter, No. 2248, dated 27th September 1907, read in the above Government Order may be obtained.

2. If the grant cannot be paid this year, it may be sanctioned now upon the same terms as the other grants for payment next year.

ENCLOSURE.

Letter—from E. B. HILL, Esq., Secretary to the Board of Management, Zamorin's College, Calicut.

To—the Director of Public Instruction, Madras.

Dated—the 29th January 1908.

I beg to apply on behalf of the Zamorin's College for a grant of Rs. 14,500 out of the sum set apart by the Imperial Government for distribution among colleges to enable them to satisfy the new University Regulations from early next year.

In making this application I beg to report that the college will be maintained and managed efficiently with the Zamorin's enhanced grant of Rs. 4,500 per annum.

I beg to bring to your notice that the college has not received during the past thirty years of its existence any financial aid from Government which similar institutions have been receiving.

In the scheme that has been drawn up, the amount that is required to start the college on the new regulations has been put down at Rs. 14,500 the details of which are as follow:—

Physical and chemical laboratories	..	..	..	..	..	RS.
Building, fitting and apparatus	..	..	..	..	..	2,000
Improvement of library	..	..	..	..	..	1,000
Hostel	..	..	..	..	..	7,000
						1,500
						3,000
Total	..	..	..	..	..	14,500

I should like to add in this connection that a sum of about Rs. 3,000 has been already collected for the construction of the hostel and with the grant of Rs. 3,000 we shall be in a position to have a hostel which will accommodate all our students that are not living with their guardians.

In conclusion, I request that you will kindly recommend to Government for the total amount of grant applied for, considering the fact that the college has been working hitherto without aid from Government in the shape of annual grants.

Order—No. 172, Educational, dated 10th March 1908.

A grant of Rs. 7,000 will be allotted in 1908-1909 to the Zamorin's College, Calicut, out of the special grant to be placed at the disposal of this Government by the Government of India in aid of University education. The Accountant-General is authorized to disburse this sum on bills countersigned by the Director of Public Instruction.

2. Before taking in hand the works on which it is proposed to incur expenditure out of this grant, the governing body should obtain the general approval of the Director as to the objects on which it is to be expended.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 172, EDUCATIONAL,
DATED 10TH MARCH 1908.

[SUBJECT.—*Recommending a grant of Rs. 7,000 to the Zamorin's College, Calicut, out of the special grant in aid of University education.*]

From the Director of Public Instruction, dated 4th February 1908, No. 2248.

In submitting his proposals for the distribution of the special grant in aid of University education, the Director of Public Instruction (Dr. Bourne) proposed the payment of a grant of Rs. 7,000 to the Zamorin's College (Second grade), Calicut. Dr. Bourne having, however, subsequently suggested (for certain reasons) the grant for this College should be held in abeyance, the Government deferred the question for further consideration.

2. The Director of Public Instruction (Dr. Bourne) now submits copy of a letter from the Secretary to the Board of management of the Zamorin's College, Calicut, in which the latter asks for a grant of Rs. 14,500, for the following purposes:—

	RS.
Physical and Chemical laboratories, building, fitting and apparatus ..	2,000
Improvement of library	1,000
Hostel	7,000
	1,500
Total ..	14,500

Dr. Bourne recommends that, in the circumstances explained in the Secretary's letter, the grant of Rs. 7,000 originally proposed by him may be sanctioned, if necessary, for payment in the next year on the same conditions as the other grants.

3. It is for consideration whether the grant recommended by the Director of Public Instruction may be sanctioned for payment in 1908-1909 subject to the conditions specified in paragraphs 3 and 4 of G.O., No. 810, Educational, dated 3rd December 1907. The grant for the Zamorin's College will have to come out of the sum of Rs. 1,05,500 provided under "University" in the Budget estimate for 1908-1909.

K. RANGASWAMI AIYANGAR—17-2-08.

The grant may be given next year.

C. A. SOUTER—18-2-08.

H. D. TAYLOR—19-2-08.

Should the Zamorin's College get a grant at all? Is it not a fact that they

Yes. This is correct.

A | exclude Tiyans and certain other castes?
If so should they get a grant at all?

H. B[RADLEY]—20-2-08.

It was originally decided to give this grant to the Zamorin's College—*vide* Hon'ble Mr. Forbes' orders on page 7 K.W. G.O., No. 810, Educational, dated 3rd December 1907. The money comes from a special grant made by the Government of India for

* Since received and sent to Director of Public Instruction for remarks. The Senate proposes to admit the Basel German Mission High school as an affiliated Second-grade College, and objections have been raised.

University education, and does not come from the *ordinary* educational allotment. I submit that a grant cannot be refused merely on the ground that the authorities of the College exclude certain classes.

H.D.T.

This question will be dealt with in connection with the file for the affiliation * of the Basel German Mission High school, Calicut, when those papers come up to Government.

2. The grant, as originally distributed, was withheld for future payment in the case of the Zamorin and Pachaiyappa's Colleges—in the former case until the College authorities set their house in order, and in the latter case pending the result of litigation.

Sanction to the grant was deferred at the instance of the Director of Public Instruction. As the latter now recommends the grant, it may be announced.

3. By an unfortunate accident the Press instead of issuing only the *Government Order* No. 810, dated 3rd November 1907, which was specially marked for Editors' table, issued the entire proceedings with the Director of Public Instruction's recommendations for this grant and there has already been some comment in the Press on the withholding of the grant in the Government Order. The Hon'ble M. Krishnan Nayar is

The very reason why we should refuse it.

H. B[Radley]—21-2-08.

interesting himself in the matter, and, as the Director of Public Instruction's letter has gone out, it would create a very

awkward position now to refuse the grant when funds are available.

H. D. TAYLOR—20-2-08.

I do not see as it has been promised how we can refuse the grant, but I do not approve of grants to institutions like this one. I observe that this College has never before received a grant. Moreover the present Zamorin can well afford to pay. The whole of his money is spent on temples and his family. He keeps up no style and gets a malikhana of Rs. 69,000 a year.
