GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers:—

I

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 19th February 1908.

No.—Ref. on C. 8486.

The Chairman, Municipal Council, Tinnevely, having, in the enclosed copy of his letter C. No. 612 of 1906, dated 4th October 1907, applied for a half grant of Rs. 650 towards the cost of constructing a building for the Municipal Panchama school, was informed that the grant would be recommended to Government if funds were available during the current year. I have made mention of this application in my letter C. No. 1130 of 1907, dated 17th February 1908, submitting proposals for the distribution of the provincial contributions for Municipalities for the current year, and have stated that the grant may be met from the additional allotment requested therein. It will be observed from the Chairman's letter that no grant is requested towards the cost of the site which is estimated at Rs. 616 and that a grant is requested only towards the cost of construction. As it is reported that the Council are unable to construct the building without help from Government, I have the honour to recommend that a contribution of Rs. 650 for the purpose may be sanctioned.

2. The sketch of the site and the sketch and estimate of the building referred to in the Chairman's letter have been returned to him at his request. They will now be obtained and submitted to Government. As local fund and municipal institutions have been removed from the operation of the Grant-in-Aid Code, the rules of the Code relating to building grants do not apply to the present case. It seems, therefore, that the contribution recommended above, if sanctioned, may be paid at once.

ENCLOSURE.

Letter—from the Chairman, Municipal Council, Tinnevely.

To—the Director of Public Instruction (through the Inspector of Schools, Southern Circle, and the Assistant Inspector of Schools, Tinnevely division).

Dated—the 4th October 1907.

No.—Cur. 612/1906.

The Council intend constructing a building for the Panchama school maintained by them, and have, for the purpose, selected a site for acquisition. The site has been approved of by the Assistant Inspector of Schools, Tinnevely division.

2. A sketch of the site and a sketch and estimate for the building are herewith forwarded. The school is an elementary school consisting of five standards from the infant standard to the fourth standard and the average strength of the school is 70. Provision is, however, made for accommodating 100 pupils.

3. The cost of acquisition of the lands has been estimated at Rs. 616-1-9 and the cost of the building as per estimate amounts to Rs. 1,300. The lands and the building will, therefore, cost about Rs. 2,000. The construction of a school for Panchamas is very important, but I regret that the present financial condition of the Municipality will not admit of such a heavy expenditure on this account. If a grant-in-aid equal to half the cost of the building is sanctioned to the Council from the funds set apart by Government for Educational grants this year or in the next, the Council will be able to bear the other half besides the cost of the land.

I therefore, request that you will be so good as to sanction the grant of half the cost of the building. If the application is too late to be considered this year, sanction may be accorded now and the grant may be paid during the next year. I also request that the land selected and the estimate for the building proposed may be approved.

II

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 26th February 1908.

No.—Ref. on C. 8486 of 1907.

In continuation of my letter R. C. No. 8486 of 1907, dated 19th February 1908, in connection with the contribution of Rs. 650 applied for by the Chairman, Municipal Council, Tinnevely, towards the cost of constructing a building for the Municipal Panchama school, I have the honour to submit herewith the sketch and the estimates amounting to Rs. 1,300 referred to therein. The sketch of the site has not been received.

Order—No. 177, Educational, dated 11th March 1908.

The Government are pleased to sanction the payment, in the current year, to the Municipal Council of Tinnevely of a grant of Rs. 650 towards the cost of constructing a building for the Municipal Panchama school.

NOTES CONNECTED WITH G.O., No. 177, EDUCATIONAL,
DATED 11TH MARCH 1908.

[SUBJECT.—*Requesting sanction to a contribution of Rs. 650 for the construction of a building for the Municipal Panchama school, Tinnevely.*]

From the Director of Public Instruction, dated 19th February 1908, No. 8486.

The Municipal Council of Tinnevely intend constructing a building for its Panchama school. The cost of acquisition of the site selected for the school is estimated at Rs. 616-1-9, while the cost of constructing the building is estimated at Rs. 1,300. The Council pleads inability to construct the building without Government aid and request that a half-grant of Rs. 650 (*i.e.*, one-half the estimated cost of the building alone) may be sanctioned as a provincial contribution.

2. The payment of the contribution of Rs. 650 is recommended by the Director of Public Instruction. The funds required for this contribution have been included in the additional allotment recently made by the Financial Department under "Contributions to Municipal funds," in connection with subsidies to Municipal Councils for 1907-1908.

3. The draft order placed below is submitted for approval.

P.R.—28-2-08.

Local Board and Municipal schools have been excluded from the operation of the Paragraph 3 of G.O., No. 356, Educational' dated 21st May 1906. Grant-in-aid Code and the grant in question should therefore be given as a subsidy. In asking for an additional allotment of Rs. 7,700 under "Contributions to Municipal funds" in another connection, the Director of Public Instruction has taken into consideration the demand for grant on account of the Panchama school under reference. The draft may issue with the concurrence of the Financial Department.
