(Designation) Director of Public Instruction,

Madras.

To the Secretary to the Government of Madras,
Educational Department

Sir,

I have the honour to report that the Commissioner of Coorg has proposed and the Chief Commissioner and I agree with him that a European should be secured for the Headmaster-ship of the Central High school, Mercara. To attract the services of a competent English graduate for the post it is proposed to pay him a salary of Rs.350 a month at the outset and place him in the sixth grade of the Provincial Educational service in which a vacancy has already been reserved for this purpose.

I therefore request you to be so good as to obtain the sanction of Government for the special recruitment of an officer on a salary of Rs.350 per mensem for the post of Headmaster of the Mercara High school by advertisements in the Fort St. George

NOTES.

C. No. 496 From the D.P.I. No. 103, dated 28-2-1908

SUBJECT

Recruitment of a European officer on a pay of Rs 350 a month for the post of Headmaster of the Mercara High School, Coorg.

Cf. para. 1 of the note
on p. 1 of K.G. 189 Edl
d. 28-3-05 - C

The appointment of Headmaster of the Mercara High School, Coorg, is, under the sanction conveyed in the Govt of Id letter no. 435, Education, dated 24th October 1907, included in the Prov. Edl. service of this Presidency. The appointment originally carried a pay of Rs 300 p.m., and its transfer to the Madras Presidency was sanctioned on the understanding that the additional cost involved would be recovered by a contribution of Rs 300 a month from the Coorg revenues. This contribution does not, however, appear to be recovered, but the pay of the headmaster is disbursed from the Coorg treasury. The contribution moreover, does not appear to be permissible under the Provincial Contract.

2. The Headmaster of the Mercara High School at present is Mr. H. W. Collaghan, a member of the Prov. Edl. service - 9th Grade - vide G.O. no 371 R dated 22nd July 1907.

3. The D.P.I. now reports that the Commr. of Coorg has proposed, and the Chief Commr. and he (the D.P.I.) agree with ^{the proposal} him, that a European should be

secured for the headmastership of the Mercara High School. To attract the services of a competent English graduate for the post, the Director proposes to pay him a salary of Rs 350 a month at the outset and to place him in the Sixth Grade of the Prov. Educational Service. ^{Dr. Duggan says that he} The Director has already reserved a vacancy in the Sixth Grade for this purpose - Please see page 1 of G.O. No. 647 Vol. D 6th Jan - 1908

4. The Director accordingly requests sanction of Govt. for the special recruitment of ~~the~~ a European officer on a salary of Rs 350 p.m. for the post of headmaster of the Mercara High School by advertisements in the ^{& Cong} Fort St George's Gazette and in such newspapers as the Madras Mail, the Pioneer &c.

5. It is for consideration whether the Director's proposal may be approved. The pay of the officer when recruited will be met from the Cong revenues and will not be debited to Madras.

There is no question now as to the debit of Cost. The Director wants the ^{apparently} sanction of Govt. because the proposal involves the appointment of an outsider straight off to the Sixth Grade of the Provincial Educational Service. This is

Considered

Considered necessary in order to secure the services of a competent European for the Headmastership of the Mercara High School. From Mr. Stuart's letter on page 2 of G.O. No. 74, 75 Est., dated 13th February 1901, it is observed that when the proposal to include the ~~appoint~~ post of headmaster of this school in the Provincial Educational Service was first made in 1900, the Chief Commissioner of Coorg said that he would not "insist on the Headmaster of the Mercara High School being a European," a concession which the then D.P.D. considered would "make it easier in practice to carry out the arrangement contemplated in the rule," namely, the inclusion of the post in the cadre of the Provincial Est. Service. The Commissioner of Coorg now considers, and the Chief Commissioner & the D.P.D. agree with him, that a European should be secured for the place.

The proposal seems a good one.

The following is a list of the names of the persons who have been appointed to the various committees of the Board of Education, for the year 1900-1901. The names are arranged in alphabetical order.

The Director's proposal appears to be wholly impossible. If an European is required in America & the post is kept on the cadre the Cong authorities must be made to understand that they will have to pay a special rate of pay for a man. It might be done by a special allowance for the Cong man & putting him in at the bottom of the cadre. But the question may be taken up a Sec? suggests

No. 232, dated 25/3/1908

The Government are unable to accept the proposal of the D.P.I. to recruit a European ^{specielly} for the head mastership of the Mercara High School and to place him in the Sixth grade of the Provincial Service over the heads of those in the lower grades of the Service. ~~It does not appear that a European on a less pay than Rs 350 will be suitable for this post and that the Govt consider that it would be preferable to make this~~ appointment

Possible alternatives to the
 SPD suggestion would be
 (a) to remove the post from the
 cadre of the Prof. Ed Service
 with/ to grant a Special
 Local allowance to the
 headmaster, his post being retained
 to the cadre of the Prof. Ed Service
 or at present —

The consideration of this question
 will never be deferred.
 It will be seen preferable to
 deal with it.

 appointment a special one
 outside the Provincial Educl
 Service and to recruit for it
 specially. This question will
 be considered in connection
 with the establishment of
 model High Schools, but the
 Govt are not prepared at
 present to make this appoint-
 ment a special one or to
 allot a special pay for it in
 a graded service.
