To

His Excellency The Hon'ble Sir Arthur Lawley,
K.C.M.G., G.C.I.E.,Through the Surgeon-General with the Government
of Madras.

The humble petition of A. Manicka Chetty residing in
No. 9, Rama Pillai Street, Periamet, Madras, most humbly
and respectfully sheweth:-

That humble petitioner most respectfully begs to
bring the following few lines to your Excellency's benign
and Benevolent consideration with the fervent hope that
they will be crowned with success.

That your humble petitioner being a qualified
compounder in circumstances represented in the paras below
begs to solicit your Excellency to favour your humble
petitioner with a special permission to appear for the
ensuing "Chemist and Druggist Examination" to be held in
April, ^{or in November} 1908.

That when your humble petitioner was about 17
years old, he was admitted into the Government Maternity
Hospital as a probationary compounder in 1898 by Brigade
Surgeon Lt: Col: A.M. Branfoot, the then Superintendent
of the Hospital, and underwent a course of 3 years training
At the end of the 3rd year, your humble petitioner was
awarded a Diploma in the Art of compounding and dispensing
by Dr. A.J. Sturmer Lt: Col: I.M.S., in the year 1900
December 1st, the then Superintendent. Your humble peti-
tioner most respectfully ventures to say that he was
deputed to do duty independently in the Dispensary attached
to the above Hospital for 6 months from November 1899 to
April 1900 in a vacancy created consequent on the posting
of a Hospital Assistant to Nagpur, Central Provinces on
Famine duty, and Dr. A.J. Sturmer very strongly recommended

your petitioner to the Surgeon-General in the year 1899 for conferring on him a permanent vacancy in the arrangement, at this time the Surgeon-General was not inclined, it appears, to confer the chance upon your petitioner, a compounder.

Your petitioner begs to say for the information of your Excellency that since he obtained a Diploma in 1900, he has been doing duty as a compounder in several Dispensaries, and gained a good experience in this art. Your petitioner with this experience and good knowledge in medicines being very anxious to appear for the "Chemist and Druggist Examination" Intermediate Grade, applied to the Secretary to the Commissioner for Government Technical Examinations in the year 1903 January 11th for a special permission ^{which was granted} in his No. 55/4-D dated 30th January 1903 copy enclosed for your Excellency's information. your petitioner was very glad and sent up his application for the Examination. A few days after (i.e.) in February 1903, the above officer directed your humble petitioner in His. No. 110/4-D of 23rd February 1903 to submit him certificates showing that your petitioner has attended a course of lectures in the subject in which he wished to appear, in the Medical College and that in the absence of such certificates your petitioner could not be admitted to the Examination. This your humble petitioner considers a great misfortune to him and his family in as much as he is precluded from appearing for higher Examinations and thus debarring his position in life for ever.

That your humble petitioner in conclusion prays your Excellency to take his miserable case into your Excellency's benign and sympathetic consideration and cause a special permission to be favoured to him so your humble petitioner may appear for the Chemist and Druggist Examination in April 1908 on the strength of the diploma mentioned in para above and of the good experience and knowledge which he possesses in the art as also copies of testimonials herein enclosed for your Excellency's information and thus save your humble petitioner and his large family containing about 8 souls solely dependant on him, in these

times

times of dearth and famine.

For which act of kindness, your humble petitioner and his large family shall as in duty bound ever pray for your Excellency's long life and prosperity.

I beg to remain,
Honoured Sir,
Your most obedient servant,

M. Manickavelu

Madras,

the Commissioner for Government Examinations
may consider equivalent to or higher than the

Examinations to appear may also be admitted to this Examination. - Vide paragraph 6 of the Government Technical Examinations notification.

3. The petitioner has not passed the Upper ^{examination} Secondary, or the Matriculation Examination, but the Commissioner for Government Examinations ^{gave} ~~has given~~ him special permission to appear for ^{Chemists & Druggists.} the Examination ^{for} Vide Memorandum No. 55-4 D dated 30th January 1903 on page 7 of current file.

Vide om. no 110/4.D.
dated 23-2-03 on page 8 of C.F.

4. But when the petitioner sent in his ^(in Materia Medica and Pharmacy.) application for the Examination in 1903, the Commissioner directed the petitioner to submit certificates showing that he had attended a course of lectures in the subjects in which he wished to appear.. As the petitioner has not attended any course of lectures he is unable to produce the certificates required, and ^{he} requests that the Government will be pleased to grant him special permission to appear for the Examination.

Pages 64 + 65 of the Calendar
for 1907-08

Vide clause iv of Rule 6.

5. The Government Technical Examination notification does not require that candidates appearing for ~~any of~~ the technical examinations should produce certificates of having attended a course of lectures in the subject, in which they desire to be examined. Rule 6 of the Rules regulating ^{the} Government Technical Examinations prescribes the qualifications for candidates appearing for these examinations and also vests the Commissioner for Government Examinations with discretion to admit candidates who do not possess

possess the qualifications therein specified. The Commissioner appears to have required the production of a certificate of attendance in the exercise of the discretion vested in him. ~~and~~ He states that certificates are required according to paragraph 9 of the Report of the Committee appointed to revise the course of study and examination for Chemists and Druggists printed with G.O. No. 491 Educational dated 9th August 1898. ~~But it is~~ ^{apparently} observed that the Committee's recommendation refers to students of the Chemists' and Druggists' class of the Medical College and does not seem to refer to private candidates appearing for the Technical Examinations.

No. 10 A

6. It does not, however, appear that there are sufficient grounds for interfering with the ~~decision~~ ^{decision} of the Commissioner for Government Examinations in the case of the petitioner.
