The Honourable
The Chief Secretary

Through

Lieut. Col. F. C. Reeves, I.M.

Emigrants & Surgeon 1st.

The petition of G. Suriaprakaaa
Rao residing in No. 24, Muthiya Mooda-
ly street, Old Washermanpet, Madras.

HONOURABLY SHEWTH,

That on the 19th April 1907
your petitioner submitted to Govern-
ment through J. G. Conran, Esq., the
Government Emigration Agent for
Mauritius, Seychelles and Fiji, peti-
tion No. 203/07 in which he stated
his services in the said agency, his
educational attainments, his charac-
ter, and his present impoverished
condition, and prayed for his exemp-
tion from the operation of G.O. No.
945, L dated 12th August 1906.

2. That Government was pleased to
pass thereon the following order.-

reason to grant the exemption
applied for. Vide. G. O. No. 263/Mis.
dated 4th May 1907.

3. That with reference to the
above order your petitioner respect-
fully begs to submit for the kind
consideration and favourable decision
of Government the following further
facts.

4. That your petitioner's grand
father, Ramasawmy Naidu was the Subdar
Major Sirdar Bhadoor of the 5th Madras
Infantry and his father was one of the
Commissioned Officers of the said M.I.
and that both these officers have
served Government very faithfully,
and well, having distinguished them-
selves in the field in various
campaigns and in consequence, peti-
tioner's father was given a Com-
mission and a Medal which are now in
petitioner's possession.

5. That when the notorious
Narashimah Reddy, Thati Raju and
Darabandrala Chendriah were a
terrors to the people of Kurnool
and Parlakimidi where they had
committed all sorts of depredations
and had eluded several distinguished
Commissioned Officers deputed to
arrest them, it was your petitioner's
grand father the said Ramasawmy Naidu
the Subdar Major Sirdar Bhadoor of
the 5th M.I. that effected their
capture.

4 4 4
6. That besides petitioner's father
and grand father, several others of
his ancestors have served the Govern-
ment faithfully and honourably,
distinguishing themselves in the
field under the British flag.

7. That having been with his father
all along during his boyhood and
youth and his father having had to
shift on receipt of orders from one
station to another, consequently not
able to remain stationary in one
place to prosecute his studies, your
petitioner was not fortunate enough
to be educated sufficiently to secure
a pass in the higher standard, the
only instructions imparted being
that given regimentally to the sons
of sepoys and Native officers, that
is up to the 1st Class standard, and
by the time petitioner reached that
class, his father expired which put
an end to his further studies for
want of pecuniary assistance then;
that petitioner could not then join
the Corps owing to his youth; that
though subsequently he being anxious
to serve the Government like his
ancestors, tried to join the Corps,
his endeavours to do so were in vain
on account of the disbandment of the
regiments, that seeing that every
branch of Government service was
blocked for him petitioner took to
learn Vaccination, and after under-

obtained a certificate - a copy of which is herewith attached; that after this your petitioner was entered as a Vaccinator in the Mauritius and Fiji Government Emigration Agency, where he has served for 7 years to the entire satisfaction of his superiors, as the testimonials herewith submitted will show; and that owing to the cessation of recruiting operations his services as a Vaccinator have now been dispensed with.

8. In spite of his pecuniary difficulties your petitioner prosecuted his studies up to the Matriculation standard and passed the Lower Secondary Examination and the examination in Hygiene.

9. That in the circumstances set forth above and with regard to the Meritorious services rendered by his ancestors to the Government that your petitioner prays Government will be pleased to grant him the exemption solicited in his previous petition so as to enable him to join the next Vaccinator's class in Kings Institute, Quindy, to get a permanent Vaccinator's place elsewhere or to undergo training in the Sanitary Inspector's class.

the Su that your petitioner begs the 5th ally to submit the similar capture. been granted to one

Educational who holds no certificate of having passed any examination nor of possessing experience in Vaccination.

11. That your petitioner humbly hopes that the Government will be graciously pleased to find in this petition what was deficient in his former appeal.

And your petitioner, as in duty bound will ever pray.
