Copy of letter from the District Judge of Kistna
to the Registrar, High Court, D.No.3226, dated 8th September
1906.

I have the honour to report that much inconvenience is
being felt for want of passed candidates to fill the Rs. 15/- posts
in the Subordinate Courts in this District. In some of the
Courts vacancies have been remaining unfilled for several months
although notices inviting passed candidates were duly issued and
the result is that the ministerial branch of the court's work is
getting into arrears.

Having regard to the dearth of qualified persons in
these parts I request that the Government may be moved to relax
the rule in respect of posts carrying Rs. 15/- in the Courts of this
District by sanctioning the employment of some of the 3rd grade
amins on Rs. 12/- who may be found to be otherwise qualified for
the posts.

A list of such persons will be submitted if my proposal
is approved.

With reference to the High Court's letter R.O.C.No.2182 of 1906 dated 26th March 1907, I have the honour to submit herewith the list of 3rd grade amins as called for and to state that as stated in this court's letter No.1572 dated 2nd May 1907, the vacancies in the several courts of this district were notified in the last three issues of the Fort St. George Gazette with the result that only two applications have been received from duly qualified Matriculates.

Gudivada do. do.	2			Courts of the District as noted in
	12			the margin.

3. Some of the District Munsifs now prefer to fill these posts with passed candidates to improve the efficiency of the staff.

4. As to the vacancies in this court the amount of work being variable since the abolition of the Sub Court at Masulipatam it is not necessary to fill these posts now. I would however recommend that three men (8 to 10) in the list) in the 3rd grade of the Central Nazarat of this court be exempted permanently in order that when necessity arises these men may be employed without further correspondence on the subject.

5. Thus the number of posts to be filled up permanently is 7 out of the 12 vacant in the Subordinate Courts of this district. I would also propose as a condition precedent to their exemption that the men exempted take up clerical work as process clerks or otherwise in any court in the district when ordered to do so.
