From (Name) The Hon'ble Mr. A.C. Bourne, D.Sc., F.R.S.,

(Designation) Director of Public Instruction,

To The Secretary to the Government of Madras,

Educational ~~Local and Municipal Department~~

Through The Accountant-General/

I have the honour to request that in the
circumstances stated below you will be so good as to obtain
the sanction of Government to

(1) an increase of Rs 2 to the pay of the anatomical
attendant in the Medical School at Rayapuram

and

(2) the creation of the following three menial appointments
in that institution.

Assistant Anatomical Assistant ^{Attendant}	Rs	10
Class Lascar	"	7
Gardener	"	4

2. The Superintendent of the School asks for five more servants and increased salaries for three of the existing servants. The sanctioned scale of menial establishment, that proposed by the Superintendent and that which I deem sufficient are compared hereunder.

Designation of appointment	Present scale	Scale proposed by Superintendent	Scale suggested by the Director
Anatomical Attendant	10	10-2-20	12
Assistant Do	"	8-1-12	10
Instructor's Class Attendant	7	10-2-20	7
Two lascars on Rs 7 each	14	14	14
Class lascar	"	7-1-10	7
Two toties on Rs each	14	14	14
Additional or third toty	"	7	7
Gardener	"	4	4
Sweeper	"	7	4
Peon	6	7	6
Female attendant	5	5	5

The present pay viz. Rs 10 of the Anatomical attendant is reported to be inadequate and the Superintendent proposes that it should be raised to Rs 10-2-20. I consider a progressive scale of salaries unsuitable in the case of menial servants. The Anatomical attendants attached to the schools at Tanjore and Vizagapatam are paid Rs 10 each and taking into account the comparatively higher cost of living in Madras and the larger attendance in the school, the pay of this servant may, I think, be fixed at Rs 12.

One attendant in a dissecting room containing 100 pupils has more than he can do and there is work enough for two servants. Further it is desirable that there should be an efficient and trained assistant to do the senior attendant's work during his absence from illness or other causes. The appointment of an assistant anatomical attendant is therefore desirable and his pay may be fixed at Rs 10.

C.No. 945, from the Director of Public Instruction, No.8707, d/8-4-08.

Subject.

Revision of the menial establishment of the Medical School, Rayapuram.

Page 1 of C F

The Director of Public Instruction requests the sanction of Government to the following proposals:--

(1) Increase in the pay of the Anatomical attendant at the Medical School, Rayapuram, from Rs.10 to Rs.12 and

(2) Creation of the following three ^{additional} menial appointments:--

- (i) One Assistant Anatomical Attendant on Rs.10 per mensem
- (ii) One class lascar on Rs. 7 per mensem
- (iii) One gardener on Rs. 4 per mensem

Page 2 of C F.

2. The Superintendent of the Medical School asks for five more servants and increased salaries for three of the existing servants viz the Anatomical Attendant, the class lascar and the peon; but the Director of Public Instruction considers that it would be sufficient to increase the pay of the Anatomical Attendant from Rs.10 to Rs.12 and to appoint the three more servants above indicated. Sweepers being part-time servants, the Director of Public Instruction proposes to appoint one sweeper on Rs.4 to be paid from contingencies.

3. The Director of Public Instruction appears to have made out a case for the increased salary of the Anatomical Attendant

vide paragraph 2 of his letter on pages 2 & 3 of C.F.

and for the three additional appointments proposed.

It is for consideration whether the proposals of the Director of Public Instruction may be accepted, and if so, whether any alterations should be made as regards the pay of the gardener and the peon.

Sec.

The D. P. I.'s letter gives good reasons for the proposals.

- (1) The Anatomical attendant may get Rs 12.
- (2) An assistant attendant is necessary as the class numbers 100 & there is work for two men.
- (3) Three or four classes meet at the same time & 2 teachers are insufficient. A third may be saved.
- (4) The medical establishment is small & a gardener may be saved.
