For purposes of administration reports it would be advisable to call for details of school buildings constructed in 1906-1907 from the special grant.

Local and Municipal is obtaining details of expenditure under each head.

We may ask for it in the following form :—

- 1905-1906. 1. Buildings completed in 1905-1906.
2. Buildings commenced but incomplete in 1905-1906.
- 1906-1907. 3. Incomplete buildings of 1905-1906 completed in 1906-1907.
4. New buildings completed in 1906-1907.
5. Buildings commenced in 1906-1907 but incomplete.
6. Total expenditure on buildings in 1906-1907 from the special grant.

Details of buildings completed in 1905-1906 and 1906-1907, respectively—

(a) to provide accommodation for existing Board schools,

(b) to provide buildings for Board schools at centres where aided elementary schools but no Board schools formerly existed,

(c) to provide buildings for Board schools at places where no elementary schools either Board or aided formerly existed.

The general condition of the buildings constructed should also be reported on.

Director of Public Instruction may be asked to obtain the information from District Boards direct and to furnish a consolidated statement and report.

H. D. TAYLOR—18-6-07.

In the note I put up yesterday calling for information, better add another column to distinguish between 'aided' and 'unaided' schools under private management.

I should like to see and approve the reference to Director of Public Instruction.

H. D. TAYLOR—19-6-07.

The draft reference placed below is for approval.

2. A portion of the information which it is proposed to call for in this Memorandum has already been called for from Presidents of District Boards in G.O., No. 411, Educational, dated 27th June 1907. But there appears to be no objection to obtaining a complete and consolidated report from the Director of Public Instruction as proposed in the Memorandum.

In Col. (a) of the statement forwarded with the President's letter no 121 of 14.8.07 it is stated that six schools were constructed in 1905.06 and nine others in 1906.07. But the details given in Col. The original figures in Column 4 & 8 was 2 & 14 respectively. This should be corrected into 1 & 15 respectively for the following reasons:-
~~some.~~ A school building which was proposed to be constructed out of the Provincial Grant for accommodating the already existing Panchama Board school at Virinjeeppuram Village could not be constructed for want of a suitable site in the heart of the Paracheri and the Educational authorities consequently recommended the construction of a building at Saduvalai a village a mile off Virinjeeppuram with a view of locating the Board Panchama school therein. While the building was approaching completion it was found that the Virinjeeppuram Panchamas would not like to send their children to a distant place like Saduvalai and that the Panchamas would prefer to have a school nearer their village. The Assistant Inspector of schools thereupon recommended that the Panchama school should continue to be in the Paracheri on the rented building as usual and that the new building at Saduvalai should be appropriated for a new rural school at the place. A rural school was accordingly opened at Saduvalai

In Column (a) of the Statement forwarded with the President's letter n. 715-2 of 7th August 1907 it is stated that 27 new schools were constructed in 1905-06 and 6 others in 1906-1907. But the details given in Col. Memo $\frac{2879-1}{28-11-7}$

In Col. (a) of the statement forwarded with the President's letter Dis. n. 1386 of 18th August 1907 it is stated that 41 schools were constructed in 1905-06 and 44 others in 1906-07. But the details given in Col. (c) of the same statement as to the population of the villages where these schools were constructed do not distinguish the schools constructed in 1905-06 from those constructed in 1906-1907. The President, St. Board, Madras is requested to supply this information at an early date.

With reference to Government Order No 411 Educational dated the 27th June 1907, I have the honor to forward herewith a detailed statement showing the names of villages where new schools have been constructed out of the special grant of six lakhs for elementary education in 1905-1906 and 1906-1907 respectively and other particulars

called

Called for in para 1, and to state that none
of the Managers of the aided Schools would be

and to keep the buildings in good repair, out
of their own pocket or to pay any rent that
may be claimed by the Board.
