To the Secretary to the Government of Madras,

Su, /Through The Accountant-General/

With reference to G. O. No. 176 R. Educational., dated 24th April 1908 granting Mr. P. P. Braithwaite privilege leave for three months from or after the 1st June, I have the honour to request that, under Article 53 of the Civil Service Regulations, he may be permitted to hand over charge to his successor at Coonoor, instead of at Cannanore, the headquarters of the Circle. According to the sanctioned programme, the Inspector of Schools, Sixth Circle, has work in the Nilgiris until the 2nd week of June and it will be convenient as well as economical if both the officer to be relieved and the relieving officer are permitted respectively to deliver and receive charge of the office at Coonoor where the inspection work for the first half of the month lies and to which station the incoming officer will in

Transfer of Charge elsewhere than at headquarters.

G.O. No. 176 - 0

The D.P.I. requests that Mr. Braithwaite, Inspector of Schools, Sixth Circle, who has been granted privilege leave for three months from or after the 1st June next, may be permitted to handover Charge to his acting incumbent at Coonoor, instead of at Cannanore, the headquarters of the Circle. The Director observes that the Inspector has work in the Nilgiris until the 2nd week of June; that the inspection work for the first half of the month lies at Coonoor and that if the charge were transferred at Cannanore, the relieving officer would have to go to Coonoor to finish the inspection work. In these circumstances the Director says that it will be convenient and economical if the officers are permitted to deliver and receive Charge at Coonoor.

2. The A.G. points out that under article 53 of the C.S.R. the Govt may, for special recorded reasons, ^{which must be} of a public nature, permit Mr. Braithwaite to hand over Charge at Coonoor and that under article 1114 Mr. Braithwaite should not be allowed travelling allowance for his journey to the hills, if he proceeds on privilege leave direct from the hills.

3. In these circumstances it is for consideration whether Mr Braithwaite may be permitted to hand over charge at Coonoor, and if he is, whether the travelling allowance for his journey to the hills should be disallowed (Art. 1114 of the C.S.D.) as suggested by the Accountant General. The Finance Department may be consulted re. in the matter.

Submitted that the A G. v. m. as regards the application of article 1114 to deprive Mr. Braithwaite of T. A. to the hills cannot be accepted. That article directs the attachment of T. A. when in the opinion of the Local G. or the head of the Dept. an officer prolongs his visit to a hill station beyond the period required for the performance of the duty which took him there. Here the head of the Dept. certifies that the duty will necessitate the presence of the officer on the hills until the second week of June - i.e. for several days after

The date from which Mr. Braithwaite leave has been gazetted. If Mr. B's presence on the hills ^{will be} unduly prolonged on the 1st June then there can be no reason of a public nature which w^d. justify his successor taking over charge at Coonor.

Cms.
26.5.08

I agree with the above note. I don't think there is any justification for rebranching the D.A.

E. L. W. 26/5/08

E. L. may agree. I can't find where any reference to the taking of privilege leave. The A.G. apparently assumes that Mr Braithwaite will take his leave on the hills. but it is understood that that is not Mr B's intention - so do I think that the article could bear the interpretation put upon it by the A.G. even if it were Mr B's intention to remain on the hills for the period of his leave.
