While I agree with the Inspectress in thinking that the strengthening of the staff is absolutely necessary, I am not in favour of making permanent additions to it until the scheme in regard to training schools has been finally considered. It will, I consider, be sufficient for the present to employ temporary teachers to relieve pressure.

3. The usual proposition statement, in duplicate, is submitted. The budget for 1908-1909 contains no provision for these appointments and a re-appropriation statement will be submitted, if possible, on receipt of the final budget figures.

NOTES.

C.No. 1252 From the D.P.I.

No. 3645, dated 19-5-1908.

SUBJECT.

Employment of two temporary teachers in the Govt Training School for mistresses, Coimbatore.

The D.P.I. applies for sanction to employ two temporary teachers - one on Rs 35 and the other on Rs 12 in the Govt. Training School for mistresses, Coimbatore with effect from 1st July 1908.

2. The ground for the application is that the strength of the School has considerably increased - the strength of the Training section from 15 in 1906-07 to 29 in 1907-08 and that of the Practising section from 170 in 1906-07 to 270 in 1907-08.

3. The Director considers that the strengthening of the staff is absolutely necessary but does not want to make any permanent addition until the scheme in regard to Training Schools has been finally considered - vide para. 7 (b) of G.O. no. 437 Bdl dated 9th July 1907. He therefore proposes to employ temporary teachers for the present -

4. No provision exists in the current year's budget for these appointments; but the D.P.I. states that he will submit ^{if possible} a re-appropriation statement on receipt of the final Budget figures. The amount required to meet the cost of these

Appointments during the current year is (35+12) 8 on
Rs 392.

W
5. With reference to para-5 of G.O. no. 384
Financial dated 16th June 1904, the A.G. points
out that the pay of Rs 35 proposed for one of
the appointments is not that of the lowest
appointment in the school. The teacher is
apparently required to take charge of one of the
higher forms of the school.

6. The additional establishment applied
for seems to be absolutely necessary and may
it is submitted be sanctioned.

The draft placed below is for approval;
if approved, it may be sent to the Financial
Dept. for acceptance.
