Through
The Accountant-General/

I have the honour to request that you will be so
good as to obtain the sanction of Government for the entertain-
ment in the Government Girls' School at Tiruvannamalai of an
additional teacher on Rs 10 per mensem with effect from 1st
July 1908.

2. As will be seen from the figures in the margin,
Infant Standard 93 the school was 165 strong on the 31st
First Standard 22 January last and contained five main
Second Standard 25 classes. The Infant class has already
Third Standard 15 been split up into two sections and
Fourth Standard 10 an additional section will have to

be formed shortly. Thus the total number of classes including subdivisions are six at present and are expected to be seven at the beginning of the next term, while the teaching staff consists of a Headmaster and four assistants one of whom is engaged for four periods a day in teaching sewing. It is, therefore, very desirable that there should be two more teachers, but it may be possible for the present to manage with one extra teacher as the bulk of the strength is in the Infant standard.

3. A proposition statement for the additional teacher is submitted. The current year's budget does not contain the necessary provision and a re-appropriation statement will be submitted on receipt of the final budget figures.

I have the honour to be,

Sir,

Your most obedient servant,

O. Krishnaswami

For Director of Public Instruction.

C. No. 1254 From the D.P.I. No. 8268, dated 15-5-1908.

SUBJECT

Employment of an additional teacher in the Govt. Girls' school at Tiruvannamalai.

The D.P.I. requests the sanction of Govt. to the employment of an additional teacher on Rs 10 per mensem in the Govt. ~~Girls'~~ school at Tiruvannamalai with effect from 1st July next.

2. The school has five standards, the Infant standard containing 93 pupils. The Infant standard has already been split up into two sections and will, the D.P.I. says, have to be divided into three shortly. Thus there will be shortly seven classes in the school while the teaching staff consists of a headmaster and four assistants, one of whom is engaged for four periods a day in teaching sewing. Though it is desirable to have two more teachers, the Director considers it possible for the present to manage with one additional teacher as the bulk of the strength is in the Infant standard.

3. The D.P.I. appears to have made out a case for an additional teacher and his proposal may it is submitted be sanctioned. No provision has been made in the current year's budget but the D.P.I. states he will submit a reappropriation statement on receipt of the final budget figures.
