Letter—from the Hon'ble Mr. T. T. LOGAN, B.A., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 10th June 1907.

No.—Ref. on Cur. No. 4068 of 1906.

As the Lower Secondary examination has been abolished the rules for the award of the Prince of Wales Sanskrit scholarship approved in G.O., No. 413, Educational, dated 9th July 1898, need modification and I have the honour to request that Government may be pleased to accord their sanction to the following revised rules which it is proposed to substitute for those approved in the Government Order quoted above. The rules have been framed by the Zamindar of Mandasa in consultation with the Inspector of Schools, First Circle.

PRINCE OF WALES SANSKRIT SCHOLARSHIP.

The interest of the endowment created by Sri Rajamani Raja Deo, Zamindar of Mandasa, in the district of Ganjam, shall be expended as a scholarship, which shall be designated "The Prince of Wales Sanskrit Scholarship".

2. The value of the scholarship shall be Rs. 8 per mensem.

3. The scholarship shall be tenable for three years in the Upper Secondary department of the Kallikota College, Berhampur.

4. The scholarship shall be awarded once in three years to the pupil of the Sri Raja's lower secondary school, Mandasa, who passes the immediately preceding class examination securing the highest number of marks in Sanskrit as second language.

5. The scholarship shall be liable to be reduced or withdrawn for idleness, misconduct, irregularity in attendance or failure to make due progress or to secure promotion annually.

6. In the case of the scholarship being forfeited during the period for which it is tenable, it may be awarded to any other pupil of the school who may have passed the third form in the annual school examination and who satisfies the other conditions.

7. Applications for the scholarship shall be submitted soon after the publication of the results of the annual examination of the school to the Zamindar of Mandasa, who shall send in his recommendation to the Director of Public Instruction through the Inspector of Schools, First Circle.

8. The scholarship shall be awarded by the Director of Public Instruction.

9. No person receiving a scholarship under these rules shall be permitted to hold any other scholarship except with the special sanction of the Director.

10. If in a certain year no boy secures the requisite number of marks in Sanskrit, any other student of this school who may be continuing his studies in the Kallikota College taking up Sanskrit as his second language may be granted the scholarship for the remaining part of the period under the same conditions. In the absence of such a student, the amount of the scholarship may be added to the principal without being distributed to a student of another school.

11. No changes shall be made in these rules without the sanction of Government.

Memorandum No. 1404-1, Educational, dated 2nd July 1907.

With reference to his letter R.O.C. No. 4068, dated 10th June 1907, on the subject of revising the rules for the award of the Prince of Wales Sanskrit scholarship, the Director of Public Instruction is requested to ascertain and report whether the Zamindar of Mandasa approves the proposal to vest the funds of the scholarship in the Treasurer of Charitable Endowments under the Charitable Endowments Act VI of 1890, instead of merely depositing them with the Accountant-General, and whether in the event of an accumulation of funds, the zamindar wishes that the value of the scholarship should be increased or that a second scholarship should be given, if funds permit.

2. The Director of Public Instruction is also requested to state how a sum of Rs. 8 a month for paying the scholarship can be obtained from the endowment which consists of only Rs. 2,000.

Ag. Secretary to Government.

Letter—from the Hon'ble Mr. T. T. LOGAN, B.A., Acting Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 13th July 1907.

No.—Ref. on Cur. No. 4068 of 1906.

With reference to paragraph 2 of your Memorandum No. 1404-1, dated 2nd July 1907, I have the honour to invite your attention to paragraph 2 of this office letter No. 5985, dated 25th May 1898, read in G.O., No. 413, Educational, dated 9th July 1898, from which it will be seen that the capital amount of the endowment has been increased from Rs. 2,000 to Rs. 2,800.

2. The information called for in paragraph 1 of the memorandum will be submitted on receipt.

V

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 29th October 1907.

No.—Ref. on Cur. No. 4068/06.

In continuation of my letter Ref. on Cur. No. 4068 of 1906, dated 13th July 1907, I have the honour to state that the Zamindar of Mandasa approves of the proposal to vest the funds of the Prince of Wales Sanskrit Scholarship Endowment in the Treasurer of Charitable Endowments under the Charitable Endowment Act VI of 1890. In the event of the scholarship exceeding the monthly value of Rs. 12, the zamindar is of opinion that it may be split up into two scholarships of the values of Rs. 7 and Rs. 5 each to be awarded to the first two students of the Sri Raja's Lower Secondary School, Mandasa, who have passed the annual examination with Sanskrit as second language. When the value of the scholarship exceeds Rs. 8 and is less than Rs. 12 it is apparently the intention of the zamindar that the excess amount should be added to the capital of the endowment.

VI

Official Memorandum No. 2636-1, Educational, dated 14th November 1907.

With reference to his R.C. No. 4068, dated 29th October 1907, the Director of Public Instruction is requested to submit two applications—one for vesting the funds relating to the Prince of Wales Scholarship Endowment in the Treasurer of Charitable Endowments and the other for settling a scheme for the administration of the property. The applications should be signed by the Director of Public Instruction, the Zamindar of Mandasa and the Principal of the Kallikota College and should be accompanied by a draft notification vesting the funds in the Treasurer of Charitable Endowments.

H. D. TAYLOR,
Ag. Secretary to Government.

VII

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 20th February 1908.

No.—Ref. on Cur. No. 4068/06.

With reference to Memorandum No. 2636-1, Educational, dated 14th November 1907, requiring the submission of two applications signed by the Director of Public Instruction, the Zamindar of Mandasa and the Principal of the Kallikota College, one for vesting the Prince of Wales Sanskrit Scholarship Endowment fund in the Treasurer of Charitable Endowments and the other for settling a scheme for the administration of the property, I have the honour to state that the Zamindar of Mandasa says that he is unable to see the legality of the Principal, Kallikota College, signing the applications when he the zamindar is the sole donor of the funds. Apparently Government intend that the applications should be signed by the Principal for the reason that it is tenable in that institution and the zamindar has to nominate a candidate for the scholarship in consultation with the Principal according to rule 7 for the award of the scholarship approved in G.O., No. 413, Educational, dated 9th July 1898. But in the revised rules which have been framed by the zamindar, the condition as to consultation with the Principal has been omitted. I beg to enquire whether the Principal's signature in the applications may be dispensed with.

With regard to the draft notification vesting the funds in the Treasurer of Charitable Endowments, I have the honour to request to be informed whether the draft notification might include the scheme for the administration of the endowment or whether it is the intention of Government that a separate draft notification settling a scheme for the administration of the endowment should be submitted. The draft notification prepared by the Government Solicitor, together with a copy of his letter No. 1200, dated 19th December 1907, is submitted herewith for the information of Government, and return if necessary. The zamindar has been requested to say whether he has any objection to the appointment of the Inspector of Schools, First Circle, and the Principal of the Kallikota College as Trustees of the endowment.

ENCLOSURE.

Letter—from W. O. DAVID, Esq., Acting Government Solicitor, Madras.

To—the Director of Public Instruction.

Dated—the 19th December 1907.

No.—1200.

I have the honour to return herewith the copy of G.O., No. 413, Educational, dated 9th July 1898, which accompanied your letter Ref. on Cur. No. 4068/1906, dated the 25th November 1907.

2. I enclose also a draft notification under the Charitable Endowments Act vesting the funds relating to the Prince of Wales Sanskrit Scholarship in the Treasurer of Charitable Endowments.

3. I have incorporated in the notification the scheme relating thereto but am not sure whether it is required or not and request that in future cases instructions may be sent to me as to whether two separate notifications are required one for vesting and another for the scheme or one only combining both.

4. I would draw attention to the following points in connection with the scheme :—

(a) *Clause* (1).—The blanks will have to be filled in with the names of the two trustees.

(b) *Clause* (5).—The words "soon after" are indefinite and I would advise the substitution of the words "within one month after" which occur in paragraph 7 of appendix to the Government Order returned herewith.

(c) *Clause* (7).—The words at the end have been added by me as I understand the Director will be the person empowered to reduce or withdraw the scholarship.

(d) *Clause* (8).—I have inserted at the end the words "so far as they may be applicable". It may not always be possible to apply some of the other conditions.

(e) *Clause* (10).—It has been assumed that the requisite number of marks means the number of marks requisite to obtain a pass and that the period is that provided for in the clause as drawn.

4. The date to be filled in at the end of the notification should be one subsequent to the date of publication of same in the Gazette.

VIII

Memorandum No. 401-1, Educational, dated 17th March 1908.

With reference to his R.C. No. 4068, dated the 20th February 1908, the Director of Public Instruction is informed that two separate draft notifications, one vesting the endowment in the Treasurer and the other settling a scheme for its administration, should be submitted to Government.

2. Under clause (c) of sub-section (1) of section 6 of the Charitable Endowments Act, 1890, the application for vesting the Prince of Wales Sanskrit Scholarship Endowment in the Treasurer of Charitable Endowments and that for settling a scheme for the administration of the endowment should be signed also by the Principal of the Kallikota College, who, under rule 7 of the rules approved in G.O., No. 413, Educational, dated 9th July 1898, is one of the persons now acting in the administration of the endowment. Should the Principal dissent, the view of the majority of the persons so acting may be accepted under section 6 (1) (a) of the Charitable Endowments Act.

Ag. Secretary to Government.

2. Two separate draft notifications on the subject prepared by the Government Solicitor, Madras, are also submitted, in duplicate, for the approval of Government and for publication in the *Fort St. George Gazette*. EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 455, EDUCATIONAL,
DATED 11TH JUNE 1908.

[SUBJECT.—*Alterations in the scheme for the administration of the Prince of Wales' Sanskrit Scholarship.*]

From the Director of Public Instruction, dated 10th Jun, 1907, No. 4068.

The Prince of Wales' Sanskrit scholarship endowment is a trust fund and the rules once adopted for its administration cannot be altered without the sanction of the High Court. The best course may perhaps be to vest the fund in the Treasurer of Charitable Endowments and then to alter the rules in the manner proposed under the provisions of section 5 of the Charitable Endowments Act, 1890—*vide* the Advocate-General's opinion on pages 3 to 5 of G.O., No. 826, Educational, dated 8th December 1899, and on page 2 of G.O., No. 148, Educational, dated 13th March 1902.

2. May the Director of Public Instruction be asked to take steps to vest the fund in the Treasurer of Charitable Endowments?

T.K.—21-6-07.

The rules for the award of the Prince of Wales' scholarship were first approved in G.O., No. 430, Educational, dated 21st November 1877. Rule 6 of the rules (shown under the head B) then approved, authorises the Director of Public Instruction "to modify the rules from time to time with the sanction of the Government of Fort St. George". Under this rule, the provisions of the rules relating to this scholarship were altered once in 1882 and again in 1898—*vide* G.Os., Nos. 130, Educational, dated 6th July 1882, and 413, Educational, dated 9th July 1898. It is for consideration whether, in exercise of the power conferred by rule 6, the revised rules now submitted by the Director of Public Instruction may not be approved. It is not clear whether the opinions of the Advocate-General contained in G.O., No. 826, Educational, dated 8th December 1899, and No. 148, Educational, dated 13th March 1902, govern cases of this kind in which power was reserved for a modification of the rules framed when the original trust was created, but in any case it seems to be desirable to vest the endowment in the Treasurer of Charitable Endowments under the Charitable Endowments Act VI of 1890.

K. RANGASWAMI AIYANGAR—21-6-07.

C. A. SOUTER—22-6-07.

The office-note does not set out the changes proposed in the rules; but the revised rules have received the approval of the Zamindar of Mandasa.

2. Under rule 1 of the original scheme the original endowment of Rs. 2,000 stands invested in the name of the Accountant-General in Government paper.

3. The latest edition of the rules is contained in G.O., No. 413, Educational, dated 9th July 1898.

Rules 1, 2, 3, 5, 8 and 11 as now proposed are identical with existing rules 1, 2, 3, 5, 8 and 10 of the present rules now in force, and the proposed changes are due to the abolition of the Lower Secondary examination.

4. It is proposed to divide existing rule 4 into two rules numbered 4 and 10, respectively.

In rule 4 "the immediately preceding class examination" has been substituted for the Lower Secondary examination, while rule 10 embodies conditions applicable to the award of the scholarship should no one qualify in that class examination, the words "or failing any such pupil to the candidate in the Ganjam district" being omitted in rule 4.

5. Rule 4 as proposed to be amended, may stand: but rule 10 should logically come next in order of sequence. The first part is badly drafted and may run "If in any year in which the scholarship is to be awarded no pupil of the Sri Raja's Lower Secondary school, Mandasa, qualifies under rule 4, any other student, etc."

It is to be observed that this rule restricts the present field of selection which extends, in default, to the whole Ganjam district, and goes back upon G.O., No. 130, Educational, dated 6th July 1882, which amended the original rule (B-2) on page 2 of G.O., No. 430, dated 21st November 1877, in this respect. No reason is assigned for this restriction, but the present zamindar evidently wishes to restrict the scholar-

Yes. G. S. F[ORBES]. | ship to pupils—past or present—of his own school at Mandasa. I see no objection. If there are no qualified candidates, funds will accumulate.

Rule 6 substitutes the "third form in the annual school examination" for the Lower Secondary examination. It may stand.

Rule 7. The alterations proposed are verbal, but it seems better to retain the original definite term of "one month", for the indefinite term "soon after".

Rule 9. The words "which will be accorded only for very distinguished merit" are omitted. There is no objection to the amendment.

6. As under revised rule 10, the endowment will no longer necessarily consist of a fixed sum and as there may be accretions thereto, owing to the scholarship not being awarded in some years, it would be better to vest the fund in the Treasurer of

G. S. F[ORBES]. | Charitable Endowments, after which the revised scheme may be duly published.

H. D. TAYLOR—24-6-07.

If there is no award and funds accumulate it better be definitely decided what is to be done with the accumulation. The rules restrict the scholarship to Rs. 8 per mensem. How do they get Rs. 8 a month from Rs. 2,000?

The Director of Public Instruction better consult the Zamindar as to whether in event of accumulations the scholarship should be increased, or a second scholarship given if funds permit.

G. S. F[ORBES]—26-6-07.

Please refer to Director of Public Instruction asking him to ascertain whether the Zamindar of Mandasa approve the proposal to vest the funds in the Treasurer of Charitable Endowments, instead of being merely deposited with the Accountant-General.

Also refer to Director of Public Instruction as to Honourable Member's note.

A draft is placed below for approval.

[Memorandum No. 1404-1, dated 2nd July 1907.]

From the Director of Public Instruction, dated 13th July 1907, No. 4068.

The Director of Public Instruction states that the amount of the endowment has increased from Rs. 2,000 to Rs. 2,800 by the addition to the capital of the unexpended interest. The interest on this amount (Rs. 2,800) at 3½ per cent. is Rs. 98 a year, which allows the rate of scholarship to be fixed at Rs. 8 per mensem.

2. As regards vesting the endowment in the Treasurer of Charitable Endowments, the Director of Public Instruction promises a further report after consulting the Raja of Mandasa. Submitted that this further communication may be awaited.

From the Director of Public Instruction, dated 29th October 1907, No. 4068.

The Director of Public Instruction states that the Zamindar of Mandasa approves of the proposal to vest the funds of the Prince of Wales' scholarship endowment in the Treasurer of Charitable Endowments.

2. As regards the point whether in the event of an accumulation of funds, the value of the scholarship should be increased or whether a second scholarship should be given, the Zamindar is of opinion that when the income from the fund exceeds Rs. 12 a month, two scholarships of the value of Rs. 7 and Rs. 5, respectively, may be given. Dr. Bourne states that when the income exceeds Rs. 8 but is less than Rupees 12, it is the intention of the Zamindar that the excess income should be allowed to accumulate.

3. The Director of Public Instruction may, it is submitted, be asked to submit two applications, signed by himself, the Zamindar of Mandasa and the Principal of the Kallikota College, for vesting the fund in the Treasurer of Charitable Endowments and for settling a scheme for its administration.

A draft is submitted for approval.

[Memorandum No. 2636-1, Educational, dated 14th November 1907.]

From the Director of Public Instruction, dated 20th February 1908, No. 4068.

In Official Memorandum No. 2636-1, dated 14th November 1907, the Director of Public Instruction was requested to submit two applications—one for vesting the funds relating to the Prince of Wales' scholarship endowment in the Treasurer of Charitable Endowments and the other for settling a scheme for the administration of the funds. He was also informed that the applications should be signed by himself, the Zamindar of Mandasa and the Principal of Kallikota College.

2. With reference to this, the Director of Public Instruction says that the Zamindar objects to the Principal of the Kallikota College signing the application, on the ground that he (the Zamindar) is the sole donor of the funds and enquires whether the Principal's signature to the application may be dispensed with.

3. Under clause (a) of sub-section (1) of section 6 of the Charitable Endowments Act, 1890, the applications for vesting a trust fund in the Treasurer and for settling a scheme for the administration of the fund should, "if the property be already held in trust for a charitable purpose, be made by the person acting in the administration of the trust or, where there are more persons than one so acting then by those persons or a majority of them" In the case of the

* Vide rules 7 and 8 on page 3 of G.O., No. 413, Educational, dated 9th July 1908. Prince of Wales' Sanskrit scholarship, the scheme *already in force provides that the Zamindar of Mandasa shall, in consultation with the Principal of the Kallikota College,

submit a recommendation to the Director of Public Instruction for the award of the scholarship and that the scholarship shall be awarded by the Director of Public Instruction—*vide* rules 7 and 8 of the rules approved in G.O., No. 413, Educational, dated 9th July 1898. The Zamindar, the Principal and the Director of Public Instruction seem thus to be the persons acting in the administration of the trust. The Zamindar's contention that he is the sole donor of the funds appears to be untenable for, even assuming that the present Zamindar is the donor, when once the trust is created, the Zamindar *as donor* ceases to have any voice in its administration, which vests in the persons appointed for the purpose. There seems therefore to be no legal objection to the Principal of the Kallikota College, who is one of the persons acting in the administration of the trust, signing the application. But as under section 6 of the Act it will be sufficient, if a majority of the persons acting in the administration of the trust in question sign the application, the Government need not insist on the Principal of the Kallikota College also signing it.

4. The Director of Public Instruction further enquires whether the scheme for the administration of the endowment may be embodied in the notification vesting the fund in the Treasurer or whether a separate notification settling a scheme of administration should be submitted. According to the opinion of the Advocate-General on page 3 of K.W. G.O., No. 1150 M., dated 31st May 1907, the notification to be issued under section 4 of the Charitable Endowment Act vesting a fund in the Treasurer should be independent of that settling a scheme under section 5. In recent cases this opinion has been followed, and two separate notifications have been issued—one vesting the fund in the Treasurer and the other settling a scheme for its administration. The Director of Public Instruction may, it is submitted, be informed that two separate notifications are necessary.

T.K.—28-2-08.

K. RANGASWAMI AIYANGAR—5-3-08.

C. A. SOUTER—6-3-08.

I consider that the Principal should sign the application and that there should be two separate notifications. If the Principal dissents the view of the majority may be accepted under section 6 (1) (a) of the Charitable Endowment Act.

[Memo. No. 401-1, Educational, dated 17th March 1908.]

From the Director of Public Instruction, dated 23d May 1908, R.C. No. 4068/06.

The Director of Public Instruction submits two applications—one for vesting the Prince of Wales' Sanskrit scholarship endowment in the Treasurer of Charitable Endowments and the other for settling a scheme for the administration of the endowment. Both the applications are signed by the Director of Public Instruction, the Zamindar of Mandasa and the Principal of the Kallikota College as required by Memorandum No. 2636-1, Educational, dated 14th November 1907.

2. The following points are noted in the applications and notifications submitted:—

(1) In the application submitted by the Director of Public Instruction for settling a scheme for the administration of the endowment, the word "schedule II" is apparently a mistake for "the schedule", as there is only one schedule accompanying the draft notification.

(2) The word "that" before the words "Principal for the time being of the Kallikota College" in line 7 of paragraph 1 of the schedule setting forth the scheme of administration is apparently a mistake for "the".

(3) In paragraph 3 of the schedule, the words "the scholarship" should be inserted between the words "and" and "shall".

(4) Paragraph 10 of the schedule runs—

"If in any year no boy secures the number of marks in Sanskrit requisite for a pass the scholarship may be awarded to any other student of the said Sri Raja's Lower Secondary school, Mandasa, who may be continuing his studies in the Kallikota College taking up Sanskrit as his second language for the remaining part of the period of his study in the upper secondary department of the said Kallikota College subject to the same conditions."

It is for consideration whether, for the reasons stated in paragraph 5 of the Secretary's note on page 2 *supra*, the first part of the paragraph 10 may be altered as follows:—

"If in any year in which the scholarship is to be awarded no pupil of the Sri Raja's Lower Secondary school, Mandasa, qualifies under paragraph 4, the scholarship may be awarded to any other pupil of the said school who may be, etc."

(5) In view of the fact that schools are now classified as "Elementary" and "Secondary" only, it is for consideration whether the words "Secondary school" and "Secondary department" may be substituted, respectively, for the words "Lower Secondary school" and "Upper Secondary department" wherever these latter expressions occur in the schedule.

the value of the scholarship exceeds Rs 8 and is less than Rs 12

Apparently Government intend that the applications should be signed by the Principal for the reason that it is tenable in that institution and the Zamindar has to nominate a candidate for the scholarship in consultation with the Principal according to rule 7 for the award of the
