I have the honour to state that one V.G.Dhanakoti Raju, an Agricultural Diplomate, has been appointed on probation as an Assistant Manager of Agricultural Station, and directed to report himself for work to the Deputy Director of Agriculture, Southern Division. He is an unpassed candidate. The reason for the appointment of an unpassed candidate is that he is the son of an actual cultivator residing in a Tinnevely Village famous for the excellence

The general educational qualifications laid down in rule 1 of the Public Service Notification ^{are} required for all appointments carrying a pay of Rs 15 or more, irrespective of the fact that a candidate has a diploma qualifying for ^{appointment in} a particular dept. It will be seen from rule 3 that the general educational qualifications are required in addition to special tests, professional or technical tests.

~~What is a Diplomat?~~ ~~What exam does~~
~~it denote?~~ ~~Agg 1-6-08~~

Apparently this man has passed thro' the Agric.
College & obtained its diploma. Formerly
the degree of the Agric. College was accepted
as equal, I think, to the B.A. exam. Now
it appears that the P.S. Notifier does not
recognize a complete course at the College
as equal even to Matric. Please examine
further & see when ^{only} the degree of the Agric.
College ceased to admit to the public
service.

of Calendar

Persons wishing to obtain
the Diploma in Agriculture should pass
the Govt Technical Examinations in the
following subjects:-

Agriculture, Agricultural Chemistry, General
Chemistry, Veterinary Science & Hygiene,
Anatomy & Physiology, Meteorology & Zoology,
Botany, Surveying & Levelling & Agricultural
Engineering.

2. Persons possessing the Diploma in
Agriculture have been placed on a par
with Graduates to the extent of being
able to appear for the Rev. Test, Higher Grade.
This concession and the concessions of
being able to appear for the Criminal Judicial
Tests, Higher & Lower Grades, were conferred
on them in G.O. No. 460 dated 22-6-94
in order to stimulate the study of Agriculture.
It will be seen from foot-note (1) to rule
4 of the Special Test notification that the
Rev. Test, Higher Grade, is open to "Students
of the College of Agric who have passed the
examination prescribed for admission to the
College and have obtained the Diploma in
Agriculture at the Govt Technical examinations".

qualifications required for admission into the Public Service, viz., ~~the~~ ^{The} Matriculation examination or the Upper Secondary Exam. So that ordinarily a student of the Agril. College who has obtained ^{the} the Diploma is eligible for admission to the Public Service & to appear for the special tests like ~~the~~ ^{the} Graduates. But the rules of the Saidapur College provided ~~also~~ also for the admission of candidates who did not possess the prescribed qualifications. Such candidates ^{even though armed with} ~~after obtaining~~ the Diploma could not appear for the special tests like Graduates. vide wording of Note (1) to rule 4 of the 8th. let notification. The diploma in Agriculture by itself, without the general Educational qualifications, does not appear to have been treated as sufficient qualification for admission to the Public Service.

Secretary

It will be seen from Note (1) to rule 4 of the Special Test notification that the Diploma of the College of Agriculture is still equated to the B.A. ^{degree} for purposes of the Revenue Test Higher Grade and to the F.A. for the Civil Judicial Posts provided the candidates have passed the

examination ^{prescribed} provided for admission into
College which was according to rule 15 of the
College rules, the examination in Upper Secondary
examination, ~~which~~ In the present case it is
examination was apparently not passed and the
Candidate must have been admitted as a
paying student under rule 16. Under the rules
of the Combarua College (rule 11), the qualification for
admission is still the examination from which and
exemption is only granted to students who intend
to make Agriculture ^(not Govt service) their means of livelihood
It is not therefore, I submit, necessary to raise the
general question.

I certainly thought that the successful completion
of a course in the Agric. College, Saidapett, (which
is more than merely passing the Technical Advanced
Exam: in ^{the group} Agriculture) had been laid down as equiva-
lent to the B.A. degree, & this seems to some extent
implied by the fact that it admits to the Revenue
Higher Spl. Test. However as the Coll: has been
closed, it is as Mr. S says unnecessary to raise the
question, & we may merely support the Board's
recommend: in the individual case.
