Application for exemption from the Examination Rules of an unpassed candidate for employment in the office of

What steps have been taken to procure the services of a passed candidate and with what result.	The place is very unhealthy and it is very improbable that passed candidates will take up the appointment and continue for any length of time. The clerk knows office work well and being an unpassed candidate has taken up the appointment. He was employed as a temporary clerk under Overseers Calicut & Malapuram and found to work satisfactorily. Strongly recommended.

have turned up to fill up the vacancy.

2. Owing to the situation of the head quarters of the section it has always been difficult to get a passed man to act. One -- Kunjappa who was for some years employed was an unpassed man exempted while serving in Wynaad. His services having been dispensed with a clerk was advertised for and a passed man with some experience in the Travancore P.W.D. was appointed. This man was found unsuitable and his services were dispensed with. No suitable clerk could be got for sometime, until the present applicant presented himself. He has had considerable experience of office work and acted as a P.W.D. section clerk in 1903. He may be exempted while serving in the Wynaad.

Copy forwarded to the Chief Engineer, P.W.D. with reference to his No. 2609 C of 30th April 1908.
