## Memorandum No. 2420-1, dated 29th October 1907.

With reference to his letter R.C. No. 8398, dated 30th July 1907, submitting a draft notification vesting the Venkatarayudu Memorial Scholarship Endowment in the Treasurer of Charitable Endowments, the Director of Public Instruction is informed that, as at present advised, the Government consider that the notification vesting a property in the Treasurer of Charitable Endowments to be issued under section 4 of the Charitable Endowments Act should be independent of the notification settling a scheme under section 5, and that separate applications should be made for vesting the property in the Treasurer of Charitable Endowments and for settling a scheme for the administration of the fund. The Director is accordingly requested to obtain and submit two separate applications as indicated above from the sub-committee of the Venkatarayudu Memorial fund, and two separate notifications—one for vesting the property in the Treasurer of Charitable Endowments and the other for settling a scheme for the administration of the endowment.

2. The Director of Public Instruction is also requested to see that in the scheme to be settled under section 5, the meaning of paragraph 7 of schedule II to the present draft notification is made clear. It is not understood to whom the word "Principal" occurring in this clause refers.

He says also that

"the Act requires the date on which the scheme is to come into operation to be stated in the notification and this date should be filled in in the draft notification relating to the scheme with a date which under clause 6 of section 5 of the Act must be subsequent to the notification vesting the funds in the Treasurer of Charitable Endowments".

##### Memorandum No. 174-1, Educational, dated 6th February 1908.

In the draft scheme for the management of the endowment of the Venkatarayudu Memorial Scholarship submitted with the Director of Public Instruction's letter, R.O.C. No. 8398 of 1906, dated 24th January 1908, the amount of scholarship to be paid in each month is not stated. If the scholarship is to absorb all the interest there appears to be no need to provide for the investment of accumulations (rule 10). It appears to be desirable to fix the amount of the scholarship in the rules. The scheme also says nothing as to what will happen if no student satisfying the conditions of the scheme is available in any year.

2. The Director of Public Instruction is requested to explain the details of the scheme more fully with reference to the above remarks and to submit a revised draft of a scheme at an early date.

NOTES CONNECTED WITH G.O., No. 483, EDUCATIONAL, DATED  
26TH JUNE 1908.

[SUBJECT.—*Venkatarayadu Memorial Fund.*]

*From the Director of Public Instruction, dated 30th July 1907, No. 8398.*

Please see G.O., No. 781, Educational, dated 1st December 1906.

The draft memorandum to the Accountant-General placed below is submitted for approval.

P.R.—8-8-07.

Issue.

C. A. SOUTER—12-8-07.

[Memorandum No. 1848-1, dated 12th August 1907.]

*From the Accountant-General, dated 27th September 1907, No. B.D. 253/8393.*

The Accountant-General states that the money received from the Principal of the Rajahmundry College on account of the Venkatarayadu Memorial Fund has been invested in  $3\frac{1}{2}$  per cent. Government securities of the loan of Rs. 1,842-4-3 and that the balance of Rs. 73-3-8, left after the purchase of the Government securities has been credited under the head "Central Trust Interest Account".

2. The draft notification submitted by the Director of Public Instruction vesting the fund in the Treasurer of Charitable Endowments may now be published in the *Port St. George Gazette*.

3. A draft is submitted for approval.

T.K.—8-10-07.

Please see paragraph 7 of Schedule II to the notification. It is not clear what is exactly meant by the expression "the said principal" occurring in this rule. The word "principal" probably refers to the Treasurer of Charitable Endowments in whom the fund is vested.

K. RANGASWAMI AIYANGAR—8-10-07.

C. A. SOUTER—9-10-07.

Better ask the Director of Public Instruction what is intended. Rule 7 is unintelligible as it stands. But has not the Advocate-General advised that the vesting order and the scheme should be distinct and contained in separate notification? If so, the entire draft will require revision.

H. D. TAYLOR—10-10-08.

Please see the opinion of the Advocate-General given in the case of the "Diamond Jubilee Town Hall", Berhampur, on pages 3 and 4 of the notes with G.O., No. 1150 M., dated 31st May 1907. According to this opinion, the order vesting a property in the Treasurer of Charitable Endowments should be distinct from the scheme for its administration and the donor should make two applications—one for vesting the property in the Treasurer of Charitable Endowments and another for settling a scheme for its administration.

A draft reference in accordance with the above opinion is submitted for approval.

T.K.—17-10-07.

H. D. TAYLOR—29-10-07.

[Memorandum No. 2420-1, dated 29th October 1907.]

From the Director of Public Instruction, dated 24th January 1908, No. 8398.

The Director of Public Instruction submits two separate applications from the Secretary to the Sub-Committee of the Venkatarayadu Memorial Fund—one for vesting the endowment in the Treasurer of Charitable Endowments and the other for settling a scheme for the administration of the fund. He also forwards two separate notifications prepared by the Government Solicitor for publication.

2. It is submitted that the notifications may be published in the *Fort St. George Gazette*. The date in the second notification is left blank and has to be filled in. Perhaps the 1st of March 1908 may be fixed as the date from which the scheme for the administration of the fund shall come into force.

3. The draft placed below is for approval.

K. RANGASWAMI AIYANGAR—30-1-08.

C. A. SOUTER—31-1-08.

See rules 2, 4, 9 and 10. The *amount* of the scholarship to be paid in each month is not stated. Surely this should be fixed. If, on the other hand, it absorbs all the interest, why provide for investment of accumulations.

The scheme says nothing as to what is to happen if no student, satisfying the conditions of the scheme, is available in any year. I don't think much of the Government Solicitor's draft.

Director of Public Instruction may be asked to explain the details of the scheme more fully.

H. D. TAYLOR—2-2-08.

Rule 4 says that "the *amount* of the scholarship shall be awarded and paid monthly by the Principal for the time being . . . ." The word "awarded" occurring in this rule, apparently means "fixed", and it appears to be intended that the amount of the scholarship should be fixed by the Principal for the time being. Rule 10 which says that "the interest on the fund which may not be required for the purpose of the said scholarship shall be accumulated" seems to provide for the cases when no student, satisfying the conditions of the scheme, is available in any year. But these points are not clearly provided for in the rules.

The draft memorandum placed below is for approval.

K. RANGASWAMI AIYANGAR—4-2-08.

C. A. SOUTER—5-2-08.

[Memorandum No. 174-1, dated 6th February 1908.]

From the Director of Public Instruction, dated 10th June 1908, No. 8398.

As required in Memorandum No. 174-1, dated 6th February 1908, the Director of Public Instruction submits a revised draft scheme for the management of the Venkatarayadu Memorial fund.

2. Paragraph 4 of the scheme fixes the value of the scholarship per term and paragraph 12 states what is to be done with the interest of the fund if no scholarship is awarded in any year.

3. The manuscript correction made in paragraph 6 of the scheme, substituting the word 'highest' for "IV, V or VI" does not appear to be consistent with paragraph 4, which says that the scholarship should be awarded to a student of the IV, V or VI form. The highest form in the Government Training College (Practising Section) is the VI form and paragraph 6, as now amended, would seem to imply that the scholarship is to be awarded only to a student of the VI form, which does not appear to be intended. The wording of paragraph 6 as it originally stood—"to a poor student . . . . studying in the IV, V or VI form in the Government Training College, Rajahmundry"—seems to be correct, and it is for consideration whether the word "highest" may be struck out and the original wording restored.

Yes. Otherwise it would be inconsistent with rule IV and the interest Rs. 38-8-0 would not suffice for the scholarship (Rs. 21). There should be another Rs. 100 accumulation to invest by now.

H. D. TAYLOR—23-6-08.

4. The scheme appears to be all right in other respects.

5. The draft placed below is submitted for approval. Paragraph 6 of the scheme on page 5 of the draft will have to be altered in accordance with the orders passed on the question raised in paragraph 3 *supra*.

T.K.—22-6-08.

K. RANGASWAMI AIYANGAR—22-6-08.

May be approved with the amendment made in clause 6.
