No. 134-

Madras Medical
College,
1st June 1908.

From

Lieutenant-Colonel F.J. Crawford, M.D., I.M.S.,
Acting Principal, Medical College,

To

The Director of Public Instruction,

Madras.

Sir,

I have the honour to state that the articles shown in the accompanying list form part of the valuable stock belonging to the Hygiene Department of the College. These articles are of anthropometric value and are of no use in either the hygiene or any other department. Being of opinion that they would be useful in a place like the Museum, I recently addressed Dr. Thurston to ascertain whether he would desire to add them to his collection. His answer is in the affirmative. I request your sanction to the proposed transfer.

I have the honour to be,

Sir,

Your most obedient servant,

/Signed/ F.J. Crawford, M.D.,

Ag: Principal, Medical College.

Ref. No. 3900/8
3rd July 1908.

Submitted to Government, Educational Department.

2. The articles in question were indented for in the year 1893-1894 by the ^{then} Professor of Hygiene, the late Major Grant and the supply was sanctioned in G.O. No. 456 Educational dated 18th June 1892.

3. It is to be regretted that one officer should be allowed to get apparatus found to be useless by another, but in the circumstances stated by the Principal, the transfer of the

articles to the Museum may be sanctioned.
