Sir,

We, the undersigned inhabitants of Dindigul most respectfully beg to invite your attention to the --

Government Order No. 116 Mis./7-3-07 on our memorial dated 28th January 1907 wherein the Government were pleased to

say the following:-

"The Government are in receipt of the memorial from the inhabitants of Dindigul dated 28th January 1907 on the subject of converting the Local Municipal High School into a Government Institution, but regret that they are not now in a position to make a definite promise in the matter."

As we now understand from the Madras Budget speeches that proposals to open Model Government High Schools are now engaging the attention of the Educational Department, we venture to think that time has now come for Government to take up the question of provincialising the Local Municipal High School and finally decide about the matter.

Since we submitted our last memorial, the strength of the Local Municipal High School has greatly increased, it now being over 200, although no Primary classes are attached to the School, and there is not the least doubt that the strength of the Institution will go on increasing year after year. This is the only High School in the 4th - Circle (Madura and Tinnevely) that is under Public management.

- 2 -

As we have given our reasons why a non-sectarian Government School is necessary at Dindigul in our memorial referred to above, we refrain from reiterating them here again.

In the full hope and assurance that this time the Government will be pleased to grant our request and -- convert the Local Municipal High School into a Government - Institution at the Earliest opportunity.

We beg to remain,

Sir,

Your Most Obedient Servants,

D i n d i g u l ,
