Sir,

In continuation of my letter Ref on Cur No. 8257
of 1907 dated 7th July 1908, I have the honour to state with
reference to the last sentence of para 6 of the report of the

the Government S.R. School, Ojjaigada, was paid a result stipend
of Rs 41 in 1905-1906 and Rs 39 in 1907-1908 but that none was
passed for 1906-1907 as it did very badly at the Sub Assistant's

improved under its present teacher and showed better results
at the Sub Assistant's inspection held in January 1908.

Points noticed in the Ganjam
Agency Report for the year 1906.

The D.P.I. submits his remarks on the points referred to in paras.6 and 13 of the report on the administration of the Ganjam agency for 1906, which was communicated with Endt No. 2650-1 Judicial, dated 8th November 1907. The points will be dealt with below.

2. Para.6 of the report.--The Agent stated that he was in favour of the recommendation made by the Special Assistant Agent, Chicacole Division, to give a reward to school-masters who passed an examination in the Savara language and suggested that headmasters who were conversant with the Savara language and in whose schools six or more Savara children were reading might be paid a reward of Rs.3 a month. The Agent further stated that the state of the Ojjaigada school deserved attention and that it was not known if the Sub-Assistant Inspector of Schools visited it during the year.

3. The D.P.I. points out that the proposal to grant rewards to schoolmasters is not a new one. He observes that rewards are available for teachers in Savara schools under G.O.No. 251, Edl., dated 7th May 1901, but that they are not taken advantage of. Under this G.O. teachers in schools situated in the Savara villages or near them, who acquire a fair knowledge

of the Savara language and have at least four Savara pupils reading in their schools for not less than a year, may receive an honorarium equal to three months' pay. It does not appear that any action is necessary with reference to the Agent's suggestion above referred to.

4. As regards the Ojjaigada school referred to in the Agent's report, the D.P.I. states that the school was paid a results stipend of Rs 41 in 1905-06 and Rs 39 in 1907-08, but that none was passed for 1906-07 as the school did very badly at the Sub-Assistant's inspection. From this it would appear that the Sub-Assistant inspected the school in 1906-07. The Director further states that the school has since improved under its present teacher.

5. Para. 13 of the report. -- The Agent observed that grants to schools were passed according to a scale previously prepared and that the results of the examination were not taken into account. He considered that the practice was likely to lead to fraud and recommended that the grants should not be paid without a list.

6. With regard to this, the D.P.I. states that on the abolition of the results grant system in 1905 the Inspecting Officers were instructed, pending the issue of the revised grant-in-aid Code to pay results grants to aided schools in the form of an annual grant, the amount being determined with reference to the sums paid to such schools in previous years in the shape of results grants. The revised Grant-in-Aid Code

7. As regards the unsatisfactory condition of the school buildings referred to in the last sentence of para.13 of the Agent's report, the Director says that the attention of the Inspecting officers will be drawn to it.

8. It is submitted that the Director's letter may be recorded, copy being communicated to the Agent to the Governor, Ganjam,, through the Judicial Department.
