C. No. 1394 From the D.P.I. No. 3785, dated 19-6-1908.

SUBJECT.

Long leave for Mrs. H. J. Allen, Professor of History,
Presidency College -

The D.P.I. reports that Mrs. H. J. Allen, Professor of History, Pres. College, proposes to apply for furlough out of India for nine or ten months from the end of March 1909 or from the beginning of the summer vacation of the College in 1909.

2. Mrs. Allen is the fourth officer of the Indian Educational Service who has applied for long leave.

Mrs. H. S. Duncan, Inspector of Schools, has already been granted combined leave for fifteen months and four days, in S.O. no. 265 Edl & 15th June 1908; while

the applications from Messrs Mark Hunter and Middlemast have been registered - vide S.O. no. 339 Edl & 6-5-08 and S.O. no. 460 Edl dated 12-6-08.

Mrs. Mark Hunter desires to have leave from July '09 to Sept. '10 & Mrs. Middlemast from April '09 to January '10.

3. Mrs. Allen's application may also be registered. The draft placed below is for approval.

Mr. Hunter - July 1909 to September 1910
 Mr. Middlemast - April 1909 to January 1910
 Mr. Allen - March 1909 to January 1910
 or
 July 1909 to February 1910.

In regard to the leave of Messrs Duncan & Hunter, it was decided that it was unnecessary to permit men from England to take their places. In the case of Mr. Middlemast, the D.P.I. has been informed that it was impossible to say whether the leave could be granted.

2. In this connection attention is invited to the papers in G.O. 765 £, dated 18th December 1901, from which it will be observed that the Secretary of State has approved the proposal of the Govt. of India that "in all cases in which Local Governments are unable to fill temporary vacancies in professional chairs suitably in this Country, the Services of graduates should be obtained from England to fill such vacancies." It is for consideration whether the D.P.I. may be asked to state whether he can make suitable arrangements for filling up Mr. Allen's place during his absence or whether the Services of a Graduate should be

be obtained from England to fill the
vacancy.

the D.P.D. may be asked as
proposed.

Yes. but it is quite possible that the
leave may have to be refused. The
application has been received. But we must
see whether it can be granted or be
made at present.

I think that it will be necessary
to secure some outsider, presumably
through the Secretary of State, to act
for Mr Allen whenever he goes.

There is no one who can suitably
act as Prof. of History now in the
Department.

If such a man is secured I
could arrange for the other vacancies
but it might be ~~difficult~~
best in that case for Mr. Sturges to

Defer his leave until Allen's return
in January 900 when this man
if he is a scholar in English as well
as in History could be retained

a settlement of the question
how all these vacancies in
the Educational Dept are to
be filled.
I cannot help thinking that
it will be difficult to
make satisfactory arrangements

without getting more than
one man from home.
If my surmise is correct
then I think we should
make one application to
the S. of S. for as many men
as we require.

I shall be glad if the D.P.T.
at all use a little more
definitely how he proposes
that these various requests
for leave are to be met
& the consequent temporary
vacancies are to be filled

When matters may be readjusted as

matter depending upon the character

this need not be settled until

be put on special duty with

weeks - a system that worked
so well in the case of Hedges.

7 8 10
An application for leave need not
have once been received from Mr. James,
Principal of the Coll. of Engineering. If
there have to parties it will be necessary
to obtain a man from the Board to
act as Principal. The post is one of
a special nature and cannot be
filled up from the ordinary
Ed. service.

With reference to Ed. we
have asked the S. of State to
recruit a man to operate as
P. Principal. Teacher's College, but
for the Prost. Ed. service is \$500-5-1000.
Since the pay of the V.P. Teacher's
College is \$500-50-750. No
difficulty would however arise
for 6 years a meantime matter
could be adjusted.

As to B, the only objection
is that the proposed arrangement
will keep Praxatikhana again
in an Ed. service for a prolonged
period of 16 months in all.

The S. of State has been so
long in complying with our
requests for permanent men,
that it seems doubtful whether
he would be able to find the

9

willing to come out to fill short term vacancies.

I think it is likely the S. of State finds it easier to find men for short term vacancies, than to recruit for the regular service. Men are often glad to come out to India on fair salary for one or two years after leaving Oxford, but I understand it is getting very difficult now to recruit for the service permanently.

The prospect of a D.P.I. seem the best possible.

Please report to Mr. Allen from me to act for Mr. Allen. Mr. Allen's signature will be required.

The draft Desp. to the Secretary of State placed below is for approval.

2. The D.P.I. says that Mr. Allen proposes to apply for furlough for a total period of nine to ten months, dating from the end of March 1909 to the end of the Christmas vacation of 1909-10, or from the beginning of the Summer vacation of 1909 to February 1910. In the draft despatch it is assumed that Mr. Allen will take his leave in continuation of the Summer vacation of 1909, in which case he will require only eight months' furlough. The College will reopen after the Summer vacation in the second week of July 1909, & the Substitute will be required only after the reopening of the College.

Mr. Allen's intentions are somewhat vague. If necessary he may be required to stay at the College close for the summer vacation in 1909 & the draft despatch proceeds on this understanding - but the state of Mr. Allen's health may render it necessary for him to leave earlier.
