Accepting the revised scale of pay proposed by the Director of Public Instruction for the clerks in the various Educational offices and institutions in the City of Madras except for those specified therein.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers:—

I

Letter—from the Hon'ble Mr. T. T. LOGAN, B.A., Acting Director of Public Instruction, Madras.
To—the Secretary to Government, Educational Department.
Dated—the 7th May 1907.
No.—Ref. on Cur. No. 2726.

I have the honour to submit for the favourable consideration of Government the enclosed memorials from some of the clerks in my office and from a few others employed in the offices of the Inspector of Schools, Third Circle, and the Assistant Inspector of Schools, Presidency Division, praying for an increase of their salary. I beg to recommend that the initial pay of all the posts in the educational offices and institutions in the city of Madras be fixed at not less than Rs. 20 per mensem. If this recommendation is approved I shall submit a revised scale of salaries for the sanction of Government.

ENCLOSURES.

(1)

Memorial—from K. P. DEBATHSWAMI CHETTI, Clerk in the Office of the Director of Public Instruction, Madras.
To—His Excellency the Governor (through the Director of Public Instruction, Madras).
Dated—the 10th April 1907.

MOST RESPECTFULLY SHOWETH, that your memorialist is a clerk in the Office of the Director of Public Instruction, Madras, in receipt of a pay of Rs. 22 per mensem with a total service of two and a half years.

2. That your memorialist among others begs to acknowledge with gratitude the good that has arisen from the reduction of the salt duty and the benevolent concessions granted to comparatively low-paid subordinates in the matter of leave and pension rules. These and other manifestations of the parental care and kind sympathy on the part of the Government have induced the memorialist to fervently hope that one point more will receive your Excellency's favourable consideration.

3. That your memorialist begs to submit that of late years his existence in the presidency town has for a variety of causes become more and more costly.

4. That the more important causes of this increased cost of living in Madras are (i) the enhanced price at which rice, the staple food of the Madrasis, is selling and (ii) constantly increasing house-rent which advances in more than equal proportion to the rise in taxes and population. Further details on the subject can be given, but as they would take up much space and are probably already known to Government, they are not given here.

5. That the memorialist utters nothing but the plain truth when he says that the sum of Rs. 22 a month which has fallen to his lot is quite inadequate to enable him to make both ends meet after defraying the cost of the above-mentioned two main items of expenditure.

6. That the scale of pay of the lower appointments in this office is not such as to give him hopes of redeeming his wordly status even at a distant future.

7. That the memorialist therefore prays that, in view of these circumstances and of the fact that the lower scales were fixed years ago when living was comparatively much cheaper than at present, the scale of salaries of the clerical establishment may be enhanced and that the starting pay may be fixed at Rs. 30 per mensem.

8. For this act of your Excellency's kindness and generosity in the matter the memorialist shall feel most grateful and shall, as in duty bound, ever pray.

(2) to (15)

Also similar memorials from 14 other clerks, dated 10th April 1907.

Endorsement of the Director of Public Instruction on similar memorials from three clerks of the office of the Inspector of European and Training schools, N.R.C. No. 2726, dated 15th May 1907.

T. T. LOGAN,
Ag. Director of Public Instruction.

III

Memorandum No. 1103-2, dated 28th January 1908.

With reference to his letters R.O.C. No. 2726, dated 7th May 1907, and No. 2726, dated 15th May 1907, submitting for the consideration of Government the memorials from the clerks employed in his office and in the offices subordinate to him in the presidency town for increase of salary, the Director of Public Instruction is requested to submit specific proposals with reference to the establishments of all the educational offices showing the additional expenditure that will be incurred on the understanding that the initial pay of clerical posts reserved for passed men in all the offices is raised to Rs. 20 per mensem. He is also requested to explain clearly the nature of the work done by each of the clerks who are now in receipt of a salary of Rs. 25 and less and the reasons for any enhancement of pay proposed.

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras.
To—the Secretary to Government, Educational Department.
Dated—the 24th June 1908.
No.—Ref. on Cur. 2726/07.

With reference to Memorandum No. 1103-2, Educational, dated 28th January 1908, I have the honour to submit herewith a statement showing the present salaries of the clerks in the Educational offices in the City of Madras in receipt of Rs. 25 per mensem and less, the additional expenditure that will be incurred by raising the initial pay of clerical posts reserved for passed men in the town of Madras to Rs. 20 per mensem, the nature of the work done by them and the reason for enhancement of pay proposed. If the initial pay of all clerical posts reserved for passed men is to be raised to Rs. 20, the proposal will involve an increased expenditure of Rs. 68 $\frac{1}{4}$ per mensem or Rs. 827 per annum, while the increased scales of salaries proposed by me with reference to the last sentence of Memorandum No. 1103-2, dated 28th January-1908, entails an increase of Rs. 156 $\frac{1}{4}$ per mensem or Rs. 1,874 per annum.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 593, EDUCATIONAL, DATED 15TH AUGUST 1908.

[SUBJECT.—*The raising of the initial pay of all the posts in the Educational offices and institutions in the City of Madras to Rs. 20.*]

From the Director of Public Instruction, dated 7th May 1907, No. 2726.

Rupees 15 is certainly too small a rate of pay for passed candidates in the Presidency town, and the Director of Public Instruction's proposal to raise the minimum rate to Rs. 20 may, I think, be accepted. He may be asked to submit his proposals for revision accordingly.

2. Will office please note when the scale was last fixed and whether any previous proposals for enhancement have been made and rejected?

H. D. TAYLOR—9-5-07.

The office establishment of the Director of Public Instruction was last revised in 1904—*vide* G.O., No. 641-A, dated 22nd October 1904. When the establishment for the office of the Director of Public Instruction was first sanctioned, there were apparently no appointments on Rs. 20 or Rs. 15 in the scale. A lump amount * Rs. 493—*vide* G.O., No. 84, dated 5th February 1886.

The last place in the office carried Rs. 30 under G.O., No. 330, dated 30th September 1868. The 20 rupees clerk crept in, in 1877—*vide* G.O., No. 156, dated 17th April 1877; one 15 rupees clerk as a reader in 1881—*vide* G.O., No. 164, dated 27th May 1881; another 15 rupees clerk in 1882—*vide* G.O., No. 351, dated 31st October 1882; a third clerk on Rs. 15 in 1884—G.O., No. 1807, Financial, dated 6th August 1884; and a fourth clerk on Rs. 15 in 1889—G.O., No. 302, dated 29th May 1889. The Director's office establishment has often been revised since 1889, but this question of raising the initial pay of appointments in the office appears never to have been thought of.

2. The scale of establishment in the Inspector of Schools, and the Assistant Inspector of Schools whose offices are in the Presidency town does not appear to have been revised recently. The papers put up, however, show that the initial pay in the Inspector's office was in the beginning Rs. 20—*vide* enclosure No. 1 to Accountant-General's letter printed in G.O., No. 262, dated 9th July 1880. Fifteen rupees clerks were a later introduction—*vide* sanctioned scale as given on page 5 of G.O., No. 793, dated 3rd November 1893.

3. In this connection, attention is respectfully solicited to the answer given to question No. XVII at the last meeting of the Legislative Council from which it will be seen that in the case of the Stationery office, the Government have intimated to certain memorialists that they were prepared to raise the minimum pay of the clerical establishment in that office to Rs. 20 and to reorganize the scale of establishment.

C. R. VIJAYARAGHAVACHARI—18-5-07.

There are certain papers in Judicial Department on the subject. Get copies of them.

C. A. SOUTER—20-5-07.

It has been ascertained from the Judicial Department that the papers referred to by the Assistant Secretary are put up with a file of that department, which is now in circulation.

2. A formal requisition is submitted for approval.

Issue requisition urgently.

JUDICIAL DEPARTMENT.

It is not known exactly at present in which department of the Secretariat the papers referred to by the Assistant Secretary are. But the papers have, it is stated, been put up in Financial Department with a Judicial file, now with the Honourable Member.

The Educational department may be informed accordingly.

V.N.M.—28-5-07.

Yes.

Submitted to the Assistant Secretary, with reference to his note on page 1 *supra*.

K. RANGASWAMI AIYANGAR—28-5-07.

I propose that this file should lie over until orders are passed on a similar file in Judicial Department. In the Superintendent of Stationery's office the minimum pay of clerks has recently been fixed at Rs. 20, but the Inspector-General of Police

It depends partly on the duty.

G. S. F[ORBES].

has proposed to raise it to Rs. 25 in his office. This proposal is still under consideration. It seems inconvenient to have different minima in different offices.

C. A. SOUTER—29-5-07.

Please put up an abstract showing present scale of pay of Educational (clerical) establishments at the Presidency.

5. A number of papers had to be traced and collected to prepare the above statement.

T.K.—4-7-07.

K. RANGASWAMI AIYANGAR—5-7-07.

If necessary, the Director of Public Instruction may be asked to work out the additional expenditure to be incurred by raising the minimum pay to Rs. 20. I submit, however, that if one office is to be reorganized, all will have to be and that the question should be considered general. There seems a clear necessity to raise the minimum to Rs. 20 or even Rs. 25 in Madras, and memorials are beginning from the mufassal for a Rs. 20 minimum.

C. A. SOUTER—6-7-07.

The man on Rs. 14 is the fourth clerk in the School of Arts. This establishment will come under separate reorganization. The man on Rupees 10—1—15 is librarian at the Madras-i-Azam, and I doubt whether in his case as high pay as Rs. 20 is necessary.

Submitted that the total number is 13, as there is one clerk on Rs. 15 in the office of each of the Sub-Assistant Inspectors of Schools.

K. RANGASWAMI AIYANGAR—8-7-07.

From the details in the lists I find only 10 and not 13 clerks on Rs. 15. Of these two are copyists in Commissioner for Government Examinations' office. For these Rs. 15 should suffice.

2. In the case of clerks at the Presidency, the minimum scale should, I think, be Rs. 20—1—25 *, but before any proposition is called for, general

orders are necessary. The file may go to Financial u.o. for remarks, if any, prior to submission to the Hon'ble Mr. Forbes.

H. D. TAYLOR—8-7-07.

To the Financial Department.

FINANCIAL DEPARTMENT.

The following two files on the subject of the raising of the minimum pay of clerks in certain offices at the Presidency town are under separate consideration :—

(a) Raising the minimum pay of clerks in the Small Cause Court. Circulated to the Hon'ble Mr. Forbes on the 10th May 1907.

(b) Raising the minimum pay of clerks in the offices of the Inspector-General of Police and the Deputy Inspector-General of Criminal Intelligence. Circulated on the 30th May 1907.

2. Attention is invited to paragraphs 2 and 4 of Financial note, dated 30th March 1907, written in connection with file (a). In file (b) the Inspector-General of Police has recommended that the minimum pay should be fixed at Rs. 25.

V.G.K.—11-7-07.

Submitted. The previous similar cases are with the Hon'ble Mr. Forbes.

C. M. SCHMIDT—12-7-07.

H. BRADLEY—12-7-07.

I have already disposed of the files regarding the Small Cause and the new establishments for the extra Judge of the High Court, and made a reference regarding the division of the general establishments of the High Court into Clerical and Account.

2. In the Small Cause Court establishments I have proposed a minimum of Rs. 20 for the clerical staff and Rs. 25 for the separate Account staff. But I think the 20-rupees grade should be made small so that a clerk should not remain in it for any great length of time: the grade serving really as a probationary grade. Out of a clerical establishment numbering 25 in that court and rising to a maximum of Rs. 45, I proposed only three for Rs. 20, four for Rs. 25 and six for Rs. 30, and so on.

3. For the Educational clerks at the Presidency the Director of Public Instruction asks only for a minimum of Rs. 20: and I think this might be fixed as the minimum pay, the grade being however kept small: and the same minimum scale might be taken for both the Police and the High Court offices. If this is accepted in Financial as a principle, proposals for re-grading the rest of the establishments can easily be worked out.

4. If it is accepted, the alterations in each establishment I would make would be as shown below :—

The total cost of this revision of pay would amount only to Rs. 176½ per mensem or Rs. 2,118 a year—a very moderate extra charge. The increases may take effect from 1st January.

G. S. F[ORBES]—3-1-08.

Attention is solicited to paragraph 3 of the Hon'ble Mr. Forbes' note, dated 3rd January 1908, on page 4 of notes where he remarks that the minimum pay should be fixed at Rs. 20 per mensem in the case of Educational offices at the Presidency town, subject to the acceptance of the Financial Department.

2. The Honourable Member's figures have been checked and the total extra cost amounts to Rs. 176½ per mensem or Rs. 2,118 per annum. The existing strength in the several Educational offices at the Presidency town as drawn up in the Educational office-note, dated 4th July 1907, on pages 2 and 3 *supra* has not been checked by the Director of Public Instruction.

3. It is observed that the list does not include the post of clerk on Rs. 15 per mensem in the office of the Registrar of Books, Madras. There may be certain other minor omissions in which the pay should be raised to Rs. 20 per mensem.

C. M. SCHMIDT—16-1-08.

If it is accepted that the minimum pay of a clerical post in Madras shall be Rs. 20 and that the number of hands in each office on that pay shall be small the above proposals may be accepted.

It is unnecessary to go further into the question whether the pay of any other individual clerkships should be raised. They will apply from each office.

H. BRADLEY—16-1-08.

I am prepared to accept the contention that Rs. 15 is not a living wage for a passed candidate at the Presidency town and that it is generally advisable to raise the pay in the case of men on Rs. 15 generally. But I am not prepared therefore to go on and reorganize every establishment at the Presidency town from top to bottom or to admit except on due cause shown in each case that the position of men on Rs. 25 a month needs any betterment. The pay of the men should be fixed at such sum as will enable Government to get men properly qualified to discharge the duties required of them satisfactorily and efficiently. The number of 20-rupees appointments in any office must depend on the duties which have to be discharged in that office, be such posts few or many. It may be necessary to revise the numbers in the grades immediately above the 20-rupees grade to allow of proper promotion. I see no reason whatever for a general reorganization of the Presidency offices as proposed on page 3 of the notes.

[Memorandum No. 1103-2, Educational, dated 28th January 1908.]

From the Director of Public Instruction, dated 24th June 1908, R.C. No. 2726/07.

As required by Memorandum No. 1103-2, dated 28th January 1908, the Director of Public Instruction submits specific proposals in regard to raising to Rs. 20 per mensem the initial pay of clerical posts in the Educational offices in the town of Madras. In the statement appended to his letter, the Director of Public Instruction specifies the nature of the work done by each of the clerks in receipt of

Rs.
176½
24½
153½

a salary of Rs. 25 and less and he explains the reasons for the enhancement of pay proposed in each case. The proposals of the Director of Public Instruction in this respect involve an increased charge of Rs. 156½ per mensem or Rs. 1,874 per

annum as against Rs. 152½ per mensem or Rs. 1,828 per annum, the total cost of the revision proposed by the Hon'ble Mr. Forbes, excluding the cost of revision of the Museum establishment * and of the

of the Director of Public Instruction—*vide* the last paragraph of his note, dated 3rd January 1903, on page 7 *supra*.

3. The Hon'ble Mr. Forbes did not propose any revision of the clerical establishments of the Presidency Training School for Mistresses, of the office of Registrar of Books and of the Oriental Manuscripts Library and of the pay of the second clerk of the Sub-Assistant Inspector of Muhammadan Schools as particulars of these establishments were not then before him. The extra cost on account of the revision of these establishments as now proposed by the Director of Public Instruction comes to Rs. 22 per mensem. If this sum is deducted from the total cost of the revision now proposed by the Director of Public Instruction the Director's proposals

Rs. 156½ — Rs. 22 = Rs. 144½.

will involve an extra cost of Rs. 144½ per mensem or Rs. 1,610 per annum as against Rs. 152½ per mensem or Rs. 1,828

per annum, the estimated cost of the revision of the same establishments as worked out in the Hon'ble Mr. Forbes' note. This is mainly due to the fact that the Director of Public Instruction has not proposed any redistribution of the scale of salaries of clerks in his office on pay up to Rs. 35 per mensem as was done by the Hon'ble Mr. Forbes.

4. It is observed that the Director proposes to fix the pay of the Librarian, Madras-i-Azam, at Rs. 15—1—20 and the pay of the second clerk of the Sub-Assistant Inspector of Muhammadan Schools and of the Presidency Training School for Mistresses at Rs. 15 each. It is for consideration whether in these three cases the pay of the appointments may be raised to Rs. 20 fixed or whether the scales proposed by the Director of Public Instruction may be accepted.

No. 18. *Second Clerk* (Rs. 25-1-30).—No change needed.

No. 19. *Third Clerk* (Rs. 20-1-25).—No change needed.

No. 20. *Fourth Clerk* (Rs. 15-1-20).—Dr. Bourne says the work is not less heavy than that of No. 19. It certainly seems to be. Hon'ble Mr. Forbes and

H.D.T. |

Director of Public Instruction agree that this man should get Rs. 20-1-25 and this proposal may be approved.

XIII.—Inspectress, Central Circle.

No. 21. *Third Clerk* (Rs. 20-1-25).—Both Honourable Member and Dr. Bourne would give this clerk Rs.

H.D.T. |

25-1-30. He seems to have heavy

work and must dress well. This pay may be given.

No. 22. *Fourth Clerk* (Rs. 15-1-20).—Both Honourable Member and Dr. Bourne would give Rs. 20-1-25.

H.D.T. |

This may be approved.

XIV. Assistant Inspector of Schools.

No. 23. *Second Clerk* (Rs. 20).—Dr. Bourne proposes no change. Honourable Member proposed Rs. 25 on the ground that this would make the scale even as there would be three posts on Rs. 30, Rs. 25 and Rs. 20. Dr. Bourne's proposal

It might be put at Rs. 20-1-25.

H.D.T. |

would give three posts on Rs. 30, Rs. 20 and Rs. 20. Perhaps Hon'ble Mr. Forbes' proposal may be accepted.

No. 24. *Third Clerk* (Rs. 15).—Both Honourable Member and Dr. Bourne would raise this post to Rs. 20 and this

H.D.T. |

may be accepted.

XV. *Sub-Assistant Inspectors (2).*

H. D. TAYLOR. | Nos. 25 and 26. *Clerks* (Rs. 15).—
This may be raised to Rs. 20.

XVI. *Sub-Assistant Inspector of Muhammadan Schools.*

H.D.T. | No. 27. *Head Clerk* (Rs. 15).—This
may be raised to Rs. 20.

No. 28. *Second Clerk* (Rs. 12).—Honourable Member has not noticed this appointment. Dr. Bourne proposes Rupees 15, but it seems advisable to raise it to Rs. 20, keeping no post on Rs. 15 in Unpassed men are now eligible to post on Rs. 20. It might be fixed at Rs. 15—1—20 as in the case of No. 8.

H.D.T.

XVII. *Assistant Inspectress.*

No. 29. *Second Clerk* (Rs. 20).—There is another clerk on Rs. 30 in this office and Dr. Bourne proposes Rs. 25 for this second clerk on the ground of his heavy work and the expenditure he has to incur on conveyance, rent and feeding. Honourable Member proposed Rs. 20 and this It might be Rs. 20—1—25.

H.D.T.

XVIII. *Sub-Assistant Inspector of Sanskrit Schools.*

No. 30. *Clerk* (Rs. 15).—Honourable Member proposed Rs. 20. Dr. Bourne proposes Rs. 20—1—25 on the ground that this man has to do all the clerical work and must be a good Sanskrit scholar in order to assist in inspection. Two men have already resigned owing to the low pay and a good man who will remain in the post

H.D.T. | is wanted. Perhaps therefore the
Director of Public Instruction's proposal
may be accepted.

XIX. *Director of Public Instruction's office.*

The various scales will be found at page 9 *supra*. There are 13 posts in all and a scale giving a fair chance of promotion seems necessary. That of the Hon'ble

H.D.T. | Mr. Forbes seems the most suitable and
may, I submit, be approved.

2. If the above proposals are accepted, the extra cost will be Rs. 197-6-8 per mensem or Rs. 2,369 per annum.

C. A. SOUTER—23-7-08.

Please see marginal notes on pages 10—12 *supra*. Under recent orders, unpassed men may now be appointed to posts carrying a salary not exceeding Rs. 20. Nos. 8 and 23 who at present receive Rs. 12 and are presumably unpassed men may get Rs. 15—1—20. Nos. 5, 11, 13, 23 and 29 may get Rs. 20—1—25 and No. 17 may get Rs. 20.

M. H[AMMICK]—1-8-08.

The revision may take effect from 1st September 1908.

H. D. TAYLOR—26-7-08.

Please draft for approval and acceptance of Financial Department, noting the precise Financial effects of the proposals.

H. D. TAYLOR—3-8-08.

A draft is submitted for approval.

2. The extra cost of the proposals as now revised comes to Rs. 188-10-8 per mensem or Rs. 2,264 per annum.

3. The draft, if approved, may be sent to the Financial Department for acceptance.

FINANCIAL DEPARTMENT.

For the office of the Director of Public Instruction the scale of pay proposed by the Hon'ble Mr. Forbes is adopted in the draft order. This scale is preferable to the scale proposed by the Director and may, it is submitted, be accepted. The other proposals of the Educational Department may also be accepted in Financial.

2. Of the total extra cost of Rs. 2,264 *per annum* involved in these proposals, Rs. 2,074 are debitable to the head 22. EDUCATION and the balance, Rs. 190, on account of revising the pay of the assistant clerk in the Madras Medical College and in the Ráyapuram Medical School, is debitable to the head 24-E. MEDICAL SCHOOLS AND COLLEGE. The charge in the current year will be about Rs. 1,000 under the two heads together. A reappropriation statement is called for in the draft.

For approval.

For the post of librarian, Madras-i-Azam, the Director of Public Instruction proposed Rs. 15—1—20 which the Hon'ble Mr. Hammick accepted. This should suffice for an unpassed man who will presumably hold the post. The present pay is Rs. 10—1—15.

MOST RESPECTFULLY SHOWETH,

That your Memorialist is a clerk in the Office of the Director of Public Instruction, Madras, in receipt of a pay of Rs. 22 per mensem with a total service of 4 years.

2. That your Memorialist among others begs to acknowledge with gratitude the good that has arisen from the reduction of the salt duty and the benevolent concessions granted to comparatively low paid subordinates in the matter of leave and pension rules. These and other manifestations of the parental care and kind sympathy on the part of the Government have induced the Memorialist to fervently hope that one point more will receive Your Excellency's favourable consideration.

3. That your Memorialist begs to submit that of late years his existence in the presidency town has for a variety of causes become more and more costly.

4. That the more important causes of this increased cost of living in Madras are
(i) the enhanced price at which, rice, the staple food of the Madras is selling and
(ii) constantly increasing house-rent which advances in more than equal proportion to the rise in taxes and population. Further details on the subject can be given, but as they would take up much space and are probably already known to Government, they are not given here.

5. That the Memorialist utters nothing but the plain truth when he says that the sum of Rs. 22 a month which has fallen to his lot is quite inadequate to enable him to make both ends meet after defraying the cost of the above mentioned two main items of expenditure.

That your Memorialist is a clerk in the Office of the Director of Public Instruction, Madras, in receipt of a pay of Rs. 15 per mensem with a total service of 4½ years.

2. That your Memorialist among others begs to acknowledge with gratitude the good that has arisen from the reduction of the salt duty and the benevolent concessions granted to comparatively low paid subordinates in the matter of leave and pension rules. These and other manifestations of the parental care and kind sympathy on the part of the Government have induced the Memorialist to fervently hope that one point more will receive Your Excellency's favourable consideration.

3. That your Memorialist begs to submit that of late years his existence in the presidency town has for a variety of causes become more and more costly.

4. That the more important causes of this increased cost of living in Madras are (i) the enhanced price at which, rice, the staple food of the Madrasis is selling and (ii) constantly increasing house-rent which advances in more than equal proportion to the rise in taxes and population. Further details on the subject can be given, but as they would take up much space and are probably already known to Government, they are not given here.

5. That the Memorialist utters nothing but the plain truth when he says that the sum of Rs. 15 a month which has fallen to his lot is quite inadequate to enable him to make both ends meet after defraying the cost of the above mentioned two main items of expenditure.

6. That the scale of pay of the lower appointments in this office is not such as to give him hopes of ^{better} reducing his worldly status even at a distant future.

7. That the Memorialist therefore prays that in view of these circumstances and of the fact that the lower scales were fixed years ago when living was comparatively much cheaper than at present, the scale of salaries of the clerical establishment may be enhanced and that the starting pay may be fixed at Rs. 30-0-0 per mensem.
