Sir,

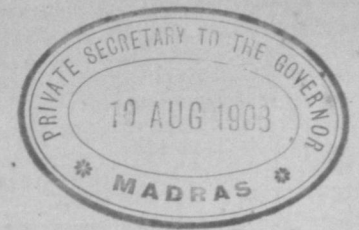

To

H. E. THE RIGHT HON'BLE.,
Sir Arthur Lawley, K.C.M.G., G.C.I.E.,

Governor of Fort Saint George,

and its Dependencies,

OOTACAMUND.

MAY IT PLEASE YOUR EXCELLENCY:—

1. With due deference and nothing bordering on arrogance or impudence, I beg to represent a grievance with a view that it might be mended before it is too late.

2. To say what it is, in a word, be frustrating the very essence of the request which I am going to make, not demanding so much as a special favour but I would venture to submit as my right. If for purposes of better understanding, I am a little too lengthy, I crave your Excellency's pardon.

3. I am the grand-daughter of Syed Nurulabsor Khan, the only brother-in-law of Tippu Sultan and son of Foujdar of Sira as is evident from the genealogical Table appended below.

4. I have been gifted with a son and daughter. The latter has been given in marriage to my maternal brother Malik Kyruddin Hussain a member of the Jagir of Sankrapuram in the District of South Arcot. His ancestors were in the enjoyment of Jagir Pensions and subsequent to the death of his father, he received a bonus in lieu of his father's pension. A reference to the enclosed printed petition marked H. will substantiate my statement.

5. On the occasion of receiving the bonus Malik Kyruddin was a minor and under 4 years of age. Although the Government Agent, Chepauk recommended his case for the grant of a pension but the Government negatived his suggestion to depart from the standing Rule regarding commutation.

L. 6. No precautionary steps having been taken by his elders, as was stated in G. O. No. 556 dated 1-11-89 copy enclosed marked N. the bonus was lost in the Firm where it was deposited for the benefit of the minor.

7. Thus his education, until he was qualified for public service, was avoided and he was forced for the maintenance of himself and his family to secure an

employment in the public service suited to his qualifications and dignity of his family.

8. First he represented his claims to R. C. C. Carr Esq., the Collector of North Arcot. This benign Officer was much pleased with the behaviour and educational attainments of the young lad and provided him with a post in his office on a salary of Rs. 15 per mensem. My son-in-law was recommended to the Board for 6 months for temporary exemptions and for permanent exemption to Government (copy of recommendation enclosed marked A.)

9. The benign Government accepted the recommendation of the Collector and permanently exempted him from the Examination Rules to a post on Rs. 15 per mensem and directed that he be put in any Taluk Office in North Arcot. (Vide copy of the G. O. No. 765 dated 22-11-05 enclosed) marked B.

10. Eventually my son-in-law was conferred an acting appointment in Vellore Taluk and subsequently confirmed in Arcot. For the present he has been permanently posted to Gudiyattam Taluk as Registration clerk.

Very recently Government have ruled that candidates for appointment to posts the salary of which is less than Rs. 20 will not in future be required to have passed any examinations mentioned in article 1 of the public service notification. By this special order the exemption granted to my son-in-law as stated in para 8 supra has lost its tenor of importance nor it is any longer in force. All classes, though a few of them may have special claims over the bounty of Government, are treated alike. No express indulgence is extended to those who possess more preferential claims than others.

12. I therefore pray that on consideration of my own right over the bounty of the British Raj as well as that of my son-in-law your Excellency will be pleased to refer the matter to the Revenue Divisional Officer, Vellore and if the fact of the due and diligent discharge of duty of my son-in-law since his entertainment into the public service be proved, then your Excellency will be pleased to permanently exempt him from the Upper Secondary Examination so that he may not be barred from being raised to more elevated positions in the public service without any consideration as to the limit of pay the post carries with it.

For which act of munificence and generosity I shall be ever grateful.

I beg to remain,

Your Excellency

Your Excellency's most obedient servant,

The humble petition of Malik Kyruddin Hussain Khan, great grandson of Malik Cawder Ahmed Khan Sahib, grandson of Malik Aslam Khan, Jagirdar of Sunkarapuram in the District of South Arcot.

MOST RESPECTFULLY SHOWETH:—

That Petitioner's ancestors Malik Mahomed Ali Khan, Malik Ghulam Rasool Khan and Malik Aslam Khan were nominated Jagirdars by the Emperors of Delhi Aurangzeb and Furruck Seer and were deputed by Asif Jah to proceed in company with Anwaruddin Khan to the Carnatic to reduce occurrences into writing.

2. That subsequent to their arrival in the Carnatic, Nawab Anwaruddin Khan, on consideration of his noble birth, high parentage and extraordinary intellectual faculties appointed Malik Aslam Khan, Subadar of Arcot.

3. That when Nawab Anwaruddin Khan was beheaded, Malik Aslam Khan was found true to the salt and performed prodigies of valour, whereupon the Martyr's successor Nawab Mahomed Ali Khan Wallajah acknowledged Malik Aslam Khan's Subadari and allowed him to continue in his elevated position and dignity.

4. That in the meantime Hyder Ali of Mysore rose to eminence and Nawab Mahomed Ali Khan, Wallajah, having stood in terror of him sought advice from Malik Aslam Khan as to how to thwart the impending evil. The latter suggested that it would be well and advisable to court the friendship of the English as they were found brave, loyal, and wise. Wallajah approved the suggestion and as a reward for it, conferred on him the Subadarship of Nellore. In a few days Malik Aslam Khan's son predeceased his father and the latter having unable to suppress the melancholy owing to the loss of his favourite son, resigned his dignified situation and spent his days in the Court of Nawab, Wallajah.

5. That when Malik Aslam Khan departed this life, his relations and other dependents deemed it advisable for them to proceed to and settle in the Jaghir of Sankarapuram and on their way they were seized by the forces of Hyder Ali and sent as prisoners of war to Seringapatam. When they were brought in the presence of Hyder Ali, he admired at their noble countenance and granted them a monthly pension of Rs. 500 for their maintenance.

6. That in the meanwhile Hyder Ali died and the reigns of Government fell into the hands of his son Tippu Sultan. The latter disregarded them and treated them as prisoners of war. During their absence, one Khaja Asim Khan made false representation to Wallajah and obtained possession of the Jagir of Sankara-

puram. But fortunately the said Jagir was conferred on condition that if any male or female representative of Malik Aslam Khan might happen to come and prefer a claim, the sum of 120 Pagodas per mensem should be given to such claimant out of the proceeds of the said Jagir.

7. That a few days after, the 3rd Mysore War was terminated by a treaty by which two of Tippu Sultan's sons were made hostages. During eventful period, the family of Malik Aslam Khan were liberated from their bondage. The Wallajah raj being then extinct, they placed themselves before Oomdothul Omrah who granted them a monthly allowance of Rs. 400. On his demise the Carnatic fell into the hands of English who allowed the same pension to be enjoyed by the family in the name of Malik Mahomed Ali Khan the cousin of Malik Cawder Ahmed Khan.

8. That after the demise of Malik Mahomed Ali Khan, petitioner's great grand father laid his claim when the British Government after mature deliberation resumed the Jagir and granted in lieu of it a monthly pension of 120 Pagodas which were ultimately reduced to 60 the moiety being granted to make better provision in the family of Malik Mahomed Ali Khan whose dependants were more in number than that of petitioner's great grandfather.

9. That subsequent to the demise of Malik Cawder Ahmed Khan, his eldest son Malik Kyruddin Hussain Khan (petitioner's grand father) obtained an incompatible share of Rs. 32—5—0 of pension per mensem. A protest having been made by him as to the scantiness of his pension, the Honourable Court of Directors in Para 23 of their despatch of the 28th January No. 2 of 1867 communicated in No. 74 of P. C. S. dated 25th April 1857 by the Government Agent and Paymaster of Carnatic stipends, Chepauk, Madras, raised the pension from Rs. 32—5—0 to Rs. 50 per mensem.

10. That this pension was enjoyed by him for about eleven years and he died on the 5th December 1868. The then surviving heirs ought to have preferred their legal claims on the occasion on the score that pensions granted in lieu of resumption of Jagirs are in fact continuable and never lapse to the state, but as Petitioner's father was in the enjoyment of a separate pension of Rs. 32—5—0 per mensem, they depended entirely upon the same and took no heed for its continuance.

11. That Petitioner's father Malik Ibrahim Ali Khan died a premature death on the 23rd of August 1889. On the representation of Petitioner's mother and elder brothers, the Paymaster of Carnatic stipends recommended that $\frac{2}{3}$ rd of the pension be continued to its legal representations in lieu of capitalized amounts of their respective stipends on the distinct understanding that the young men were totally ignorant of any trade to apply the amount of these shares on any profitable enterprise but the Government in their order dated 1st November 1889 No. 556 accepted his proposal to continue $\frac{2}{3}$ rd of the pension but negatived the suggestion to depart from the standing Rule regarding commutation and also directed that as Petitioner was a minor to adopt suitable precaution to the bonus due to him.

12. That eventually the bonus was drawn from the Treasury on the personal security of his mother and elder brothers and was deposited in the firm of Haji Cawder Mohiddin Sahib and Co. in Madras. Unfortunately this leading merchant became an insolvent debtor and died. The money deposited was lost and Petitioner, young as he was, was obliged to suffer the loss and entirely neglected his education.

To,

The Secretary to Government Local and
Municipal Department. Madras.

Sir,

I have the honour to recommend
Malik Hyruddin Hussain Khan acting clerk of my
office for exemption from general educational
tests.

2. He has been acting as a clerk in my office for a
period of 6 months. Several advertisements have
been published by me in the Fort Saint-George
Gazette calling for qualified applicants, but
there have always been a few places in the lowest
grades in which I have been obliged to put in
unpassed candidates.

3. Malik Hyruddin Hussain Khan is acquainted
with office routine and has studied up to the
Sixth Form. He was exempted by the Board for
period of 6 months from 10th May 1905. He comes
of a very respectable family of Zippu Sultan.

The class to which he belongs
is not well represented in the public service
of this district and I recommend him for exemption.
