The humble petition of M.R. Ry. T. Sitaramaswami Pantulu Garu, Re-
tired Sub Assistant Inspector of Schools, Ellore.

Most respectfully representeth,

Your petitioner is infinitely in-
debted to the highly generous and benevolent Government for the calm
and easy life which he has been enjoying since 1893 in which ill
health compelled him to retire from service on an invalid pension
of Rs. 52½, per mensem; that the amount with a little contentment
is quite sufficient for the maintenance of his family consisting
of some six or seven members, all depending on him alone; that
his health gradually improved for some years since he began to
take perfect rest, but as age advances it has been for the last
few months so precarious that it looks threatening to break down
all on a sudden; that your petitioner has an only son, 24 years
old whose education unfortunately ended with his success in the
Lower Secondary Examination, petitioner's endeavours to impart
him a higher education notwithstanding; that petitioner's son
was subsequently trained in the Government Training College,
Rajahmundry, and now holds a Trained Teacher's Certificate of the
Lower Secondary Grade; that he was once appointed to act for the
Supervisor of Primary Schools in the Ellore Municipality for 2 or 3
months where he gave every satisfaction to his superiors in the
discharge of his duties; that he has not as yet been able to secure
a permanent footing any where; that under the circumstances your
petitioner humbly begs that your honour will be kind enough to
show his son named Tadepalli Suryanarayanamurti, some concession
by

by declaring him qualified for the post of Supervisor of Primary Schools under local or Municipal boards exempting him from the rules of examination, or by allowing him to be appointed Supervisor on the condition of his passing the requisite Test, or at least by permitting him to appear for the Supervisor's Test; and that unless this favour is done in consideration of his long and meritorious services in the Educational Department, his poor family when deprived of his help, cannot help, he is afraid, bringing infamy on his name, than which nothing would appear worse and more regrettable.
