To the Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honour to submit herewith for the orders
of Government a plan with an estimate amounting to Rs 949-9-11
for the construction of a building for the Municipal Panchama
School, Masapet, Cuddapah, and also an application for a grant
of Rs 316-8-8 received from the Chairman, Municipal Council.

2. Local Fund and Municipal Schools are not eligible
for grants under the present Grant-in-Aid Code and the Council's
application cannot, therefore, be entertained under the Grant-
in-Aid Code. The Chairman, Municipal Council, however, states
in his letter Ref on Cur No. 593/G1 dated 27th March 1908 /copy
enclosed/ that the Council in their present financial condition
are unable to bear the whole cost and requests that a contri-
bution may be sanctioned for the purpose or that permission may

be given to utilize the surplus amount of the subsidy for 1907-1908 sanctioned to the Municipality in G.O. No. 338/M dated 9th March 1908. I understand that, out of the contribution of Rs 750 for education sanctioned to the Municipality for 1907-1908 a sum of Rs 10 was utilized for teaching grants and that out of the remaining amount of Rs 740/- a sum of Rs 425 has been proposed to be utilized in providing the Municipal High School with the necessary science apparatus and appliances and that the balance of Rs 315 is still available for expenditure during the current year. The Council have thus the necessary funds for the completion of the building and are not in need of any provincial contribution for the purpose.

3. The present strength of the school is reported to be 40, and I consider the plan suitable.

I have the honour to be,

S i r ,

S i r ,

With reference to your letter Ref on Cur No. 57/Cu dated 18th February 1908, I have the honour to inform you that the application for building grant was made under Rule 50 of the Grant-in-Aid Code on the presumption that Municipal Schools are private schools under rule 1 of the Code.

The school building at Masapet is greatly felt especially in that locality as there are no buildings available suitable for the school and it is feared that the present building is quite unfit to satisfy the conditions for the recognition of the school. In view of the primary education of the Panchamas who form the backward community, the Council was of opinion to improve the school and in consequence resolved to construct a new building at a cost of Rs 950.

A provision of Rs 950 was, accordingly, made in the budget for 1908-1909 anticipating one third of the expenditure on the building in the shape of building grant from Government. In the present financial condition, the Municipality is unable to bear the whole expenditure of the building.

If there is no provision in the Grant-in-Aid Code authorizing the grant of building grant to Municipal Schools, I request you will be so good as to recommend in the interests of Primary education to Government for contribution towards the

construction of the building or permit the Municipal Council
to utilize the surplus amount of the subsidy grant distributed
to this Municipality as per Government order No. 388 M dated
9th March 1908.

I have the honour to be,

S i r ,

Your most obedient servant,

The subsidy of Rs 750 Sanctioned for the Cuddapah Municipal Council in G.O. no. 152 Edl, dated 2nd March 1908. was for teaching grants to elementary schools, the net cost of the High School maintained by the municipal Council being met from Provincial Funds. The utilization of the balance

balance of this subsidy for the provision of a building for the Municipal Panchama Elementary School appears to be unobjectionable and may be approved.
